INTENTION TO ACCEPT TAKEOVER OFFER FOR AUSTereo

Village Roadshow Limited ("VRL") notes the announcement made today by Southern Cross Media Group Limited ("SCM") that a subsidiary of SCM intends to make a takeover offer for Austereo Group Limited ("AEO") at an offer price of \$2.05 per share (inclusive of any dividends payable by AEO), increasing by 10 cents per share if SCM acquires a relevant interest in AEO of at least 90% ("SCM Offer").

VRL is the largest shareholder in AEO and has a relevant interest in 181,093,856 AEO shares (the "VRL Shareholding"), representing approximately 52.52% of AEO's shares on issue.

VRL intends to accept the SCM Offer in respect of the VRL Shareholding, in the absence of a superior proposal being made for all of the shares in AEO. If VRL accepts the SCM Offer, it will elect to receive all cash consideration.

VRL has granted SCM a call option over approximately 14.9% of AEO's shares on issue. A copy of the call option agreement is attached.

VRL Chairman, Robert Kirby said "We are pleased that VRL has the opportunity to secure an attractive value for its AEO shares. The transaction is consistent with VRL's objectives of creating a stronger, more flexible, balance sheet and maximising value for all VRL shareholders."

VRL Deputy Chairman, John Kirby said "I have been at the forefront of VRL's radio investment since the original 2DAY-FM licence application. This is the right time to recalibrate VRL's go forward asset base. VRL has had a strong relationship with AEO over many years. We thank Peter Harvie and the management team for their efforts, which have made AEO the leading metropolitan radio business in Australia."

VRL CEO, Graham Burke said "The sale of Austereo, together with the finalisation of the recently announced Sydney Attractions Group sale, will enable significant pay down of debt, putting VRL in a strong financial position. It will also underpin the VRL Board's objective of paying regular dividends. Finally the Austereo and Sydney Attractions Group sales will provide VRL with options and opportunities, which will be considered by VRL, including acquisitions, development projects and possibly distributions to shareholders."

VRL has appointed Allens Arthur Robinson as its legal adviser and UBS and ANZ Corporate Advisory as its financial advisers in relation to this transaction.

Dear Directors of Village Roadshow Limited

Pre-Bid Agreement – Austereo Group Limited (Austereo)

Southern Cross Media Group Limited (**SCM**) or its wholly-owned subsidiary proposes to make an off-market bid under Chapter 6 of the Corporations Act to acquire all of the Austereo Shares. The material terms and conditions of the Offer are set out in Annexure 1.

Village Roadshow Limited (**Shareholder**) is the registered holder of 181,093,856 Austereo Shares, representing approximately 52.5% of the issued capital of Austereo. For the avoidance of doubt, and without limiting clause 8, this agreement does not create any obligations with respect to any Austereo Shares or interests in Austereo Shares that the Shareholder has or may have at any time other than the Call Option Shares.

In consideration of the payment by SCM of A\$100 to the Shareholder (receipt of which is acknowledged on execution of this agreement) and the various promises in this agreement, the parties agree as set out below.

Capitalised terms in this agreement have the meaning given in clause 22.2.

1. Grant of Call Option

 - (ii) the first day on which a Competing Bid is capable of acceptance by the Shareholder for its Austereo Shares other than the Call Option Shares; and
 - (b) ending on the End Date.
- 2.2 SCM agrees that it will not exercise the Call Option at any time during the Call Option Period which would result in SCM or its Nominee becoming the registered holder of the Call Option Shares prior to the record date for any interim dividend declared to be paid by Austereo.
- 2.3 SCM may exercise the Call Option and create a contract for the sale and purchase of the Call Option Shares between the Shareholder and:
- (a) itself; or

 - (b) this agreement automatically terminates.
- 3. Shareholder may accept the Offer**
- Without limiting clause 5.1(b) and regardless of whether SCM exercises the Call Option by giving an Exercise Notice, the Shareholder may accept the Offer for all of the Call Option Shares and if the Shareholder does so then it must elect to receive cash consideration in respect of the Call Option Shares.
- 4. Completion of the acquisition of the Call Option Shares**
- 4.1 Unless the Shareholder has accepted the Offer for the Call Option Shares in accordance with clause 3, completion of the sale and purchase of the Call Option Shares must occur at the Melbourne office of Allens Arthur Robinson at 4.00pm on the Business Day being two Business Days after SCM gives an Exercise Notice to the Shareholder under clause 2.1.
- 4.2 At completion of the sale and purchase of the Call Option Shares:

Southern Cross Media Group Limited (ASX: SXL) announces recommended offer for Austereo Group Limited (ASX: AEO)

Southern Cross Media Group Limited ABN 91 116 024 536 (SCM Group) announces that it has executed an implementation agreement with Austereo Group Limited ABN 58 095 552 060 (Austereo) under which a wholly owned subsidiary of SCM Group will make an offer for all the shares in Austereo.

The proposed transaction will be implemented by way of an off-market takeover (Offer). Under the terms of the Offer, Austereo shareholders have the choice of receiving A\$2.05 cash per share (comprising A\$2.00 per share cash paid by SCM Group (Cash Consideration) and the intended dividend of A\$0.05 per share announced today by Austereo), or an entitlement to 0.95 SCM Group shares for every Austereo share (Scrip Consideration) together with the intended dividend of A\$0.05 per share announced today by Austereo).

Austereo shareholders may elect to receive all Cash Consideration, all Scrip Consideration or a combination of Cash Consideration and Scrip Consideration, in addition to the intended dividend announced today by Austereo.

SCM Group will pay accepting shareholders (regardless of whether they have elected the Cash Consideration or the Scrip Consideration or the combination) an additional A\$0.10 cash per Austereo share if it reaches the 90% compulsory acquisition threshold and is entitled to proceed to compulsory acquisition.

The total payments of A\$2.15 per share (under the Cash Consideration option, if the 90% threshold is achieved and SCM Group is entitled to proceed to compulsory acquisition) represent a 28% premium to Austereo's 3 month VWAP of A\$1.680 and a 19% premium to Austereo's closing share price of A\$1.805 on 20 January 2011, which was the day prior to Austereo's announcement in relation to discussions regarding a potential transaction involving Village Roadshow Limited's (VRL) 52.52% shareholding in Austereo.

The directors of Austereo have announced that they will unanimously recommend that Austereo shareholders accept the Offer in the absence of a superior proposal, and have announced their intention to accept the Offer in respect of shares in which they have a beneficial interest, in the absence of a superior proposal.

In addition, the major shareholder of Austereo, VRL, has granted SCM Group a call option to acquire shares representing 14.9% of outstanding Austereo shares at A\$2.00 per share (with such call option not to be exercised until after the record date for the intended Austereo dividend).

The merged business will create one of Australia's leading media companies with revenues in excess of A\$670 million, EBITDA in excess of A\$215 million (based on pro-forma FY2010) and strong cash flow generation.

Mr Max Moore-Wilton, Chairman of SCM Group said:

"This deal is consistent with our strategy to build a strong Australian media company. Our shareholders will benefit from the larger group, significant opportunities for cross fertilization and strong cash generation."

Mr Rhys Holleran, Chief Executive Officer, of SCM Group said:

"This is a fantastic deal for both SCM Group and Austereo. We are really looking forward to working with the team at Austereo to build a great Australian media company with coverage across regional and metro Australia. The combined business's radio and television assets will have the ability to reach Australians in regional and metropolitan areas. On top of that it will create great opportunities for on and off air talent. We see real potential to offer our premium content across a national platform and apply capabilities in metro radio to enhance our local radio offering."

Transaction Summary

- The proposal offers Austereo shareholders a choice of:
 - A\$2.05 cash payments per share, comprising A\$2.00 per share cash paid by SCM Group (Cash Consideration) and the intended dividend of A\$0.05 per share announced today by Austereo; or
 - an entitlement to 0.95 SCM Group shares for each Austereo share (Scrip Consideration) together with the intended dividend of A\$0.05 per share announced today by Austereo; or
 - Austereo shareholders can elect to receive the Cash Consideration, the Scrip Consideration or a combination of the Cash Consideration and the Scrip Consideration, in addition to the intended dividend announced today by Austereo.

In addition, if SCM Group reaches the 90% threshold and becomes entitled to proceed to compulsory acquisition, the Offer will be increased by A\$0.10 per share (consideration would be payable in cash to all Austereo shareholders, whether they have taken the Scrip Consideration, Cash Consideration or a mixture).

- Austereo shareholders accepting Scrip Consideration will not be entitled to a SCM Group interim dividend for the half year ending 31 December 2010
- The Scrip Consideration will be subject to a pro-rata scale-back (across all shareholders who elected to receive the Scrip Consideration) if elections for the Scrip Consideration are received in respect of more than 47.5% of the Austereo shares. Should VRL accept the Offer and elect to receive the Cash Consideration in respect of all its current shareholding the scale-back will not apply and any other Austereo shareholder that accepts the Scrip Consideration will receive SCM Group shares (subject to the satisfaction of the Offer conditions).
- The total cash payments of A\$2.15 per share under the Cash Consideration option (if the 90% threshold is achieved and SCM Group becomes entitled to proceed to compulsory acquisition) represents:
 - a 28% premium to Austereo's 3 month VWAP (of A\$1.680 to 20 January 2011); and
 - a 19% premium to Austereo's closing share price of A\$1.805 on 20 January 2011, which was the day prior to Austereo's announcement in relation to discussions regarding a potential transaction involving VRL's shareholding in Austereo.
- The directors of Austereo have announced they will unanimously recommend that Austereo shareholders accept the Offer in the absence of a superior proposal, and intend to accept the Offer in respect shares in which they have a legal or beneficial interest, in the absence of a superior proposal.
- VRL has granted SCM Group a call option to acquire shares representing 14.9% of outstanding Austereo shares at A\$2.00 per share (with such call option not to be exercised until after the record date for the intended Austereo dividend). The call option is exercisable in certain circumstances, including if the Offer becomes unconditional (except for the minimum acceptance condition being satisfied), or a competing offer (capable of acceptance by VRL and with a cash alternative of at least A\$2.15 per Austereo share less any interim dividend) is made and becomes unconditional (other than in respect of the minimum acceptance condition).

- The Offer will be subject to a number of conditions set out in the attached Schedule, including SCM Group achieving at least a 50.1% relevant interest by the end of the offer period, and receiving required regulatory clearances and approvals from the Australian Competition and Consumer Commission and the Australian Communications and Media Authority.
- The transaction will be funded through a combination of new senior debt facilities of up to A\$755 million and an equity bridge facility of up to A\$540 million.
 - New senior debt facilities will be partly used to refinance existing debt at SCM Group
 - SCM Group proposes to repay the equity bridge facility by way of an entitlement offer, most likely in the form of an accelerated renounceable entitlement offer (RAPIDS). Any equity raising will be open to any Austereo shareholders that have accepted the Offer and elected to take the Scrip Consideration and remain registered as SCM Group shareholders on the record date for the equity raising. Information about the entitlement offer will be provided once SCM Group has greater certainty around the outcome of the Offer, including the ratio of Cash Consideration and Scrip Consideration acceptances.
 - The leverage of the combined business post-transaction if 100% is acquired is expected to be approximately 3x Net Debt / EBITDA. SCM Group expects this leverage to decrease in the next 12 – 18 month as some of the cash flows generated by the combined businesses are used for debt repayment.

Overview of the merged business

The merger of SCM Group and Austereo will produce one of Australia's leading media companies. Based on pro-forma FY2010, the combined business will have:

- Revenues in excess of A\$670 million
- Earnings before interest tax depreciation and amortisation (EBITDA) in excess of A\$215 million
- Strong cash flow generation

The merged company will have national coverage, including both metropolitan and regional areas. In addition, SCM Group will continue to provide advertisers with an integrated television and radio offering in regional markets. The larger group will be able to draw upon the combined expertise of the businesses:

- Easier access for advertisers and programme sponsors to a broad audience across all of Australia
- Enhanced digital services, particularly for regional audiences
- Increased opportunity for talent and staff in the two organisations to work across a larger business

The Target's Statement by Austereo will contain further information, including the reasons why the Austereo directors are unanimously recommending that Austereo shareholders accept the Offer, in the absence of a superior proposal. Austereo shareholders should consider the information contained in the Bidder's and Target's Statements before taking any action in relation to the Offer.
