Form 605
Corporations Act 2001
Section 671B

Notice of ceasing to be a substantial holder

To Company Name/Scheme	333D Limited (**T3D** or the **Company**)
ACN/ARSN	118 159 881

1. Details of substantial holder (1)

Name	333D Limited
ACN/ARSN (if applicable)	118 159 881

The holder ceased to be a substantial holder on	14/10/2025
The previous notice was given to the company on	25/09/2025
The previous notice was dated	25/09/2025

2. Changes in relevant interests

Particulars of each change in, or change in the nature of, a relevant interest (2) of the substantial holder or an associate (3) in voting securities of the company or scheme, since the substantial holder was last required to give a substantial holding notice to the company or scheme are as follows:

Date of change	Person whose relevant interest changed	Nature of change (4)	Consideration given in relation to change (5)	Class (6) and number of securities affected	Person's votes affected
25/09/2025	333D Limited	T3D completed a capital raising placement (**Placement**) of fully paid ordinary shares (**Placement Shares**) on 25 September 2025. Details of the Placement are contained in T3D's ASX announcement dated 16 September 2025, titled "*T3D completes $1 million capital raising*". T3D's relevant interest in the Placement Shares arise from restrictions on the disposal of shares pursuant to those voluntary escrow arrangements. The voluntary escrow restrictions gave T3D a technical 'relevant interest' in its own shares under section 608(1)(c) of the *Corporations Act 2001* (Cth). Under the subscription agreements between T3D and subscribers of the Placement Shares, the Placement Shares were subject to voluntary escrow restrictions from their date of issue, up until the date that T3D lodges a cleansing prospectus with ASIC to remove any secondary trading restrictions that may attach to the Placement Shares. T3D lodged a cleansing prospectus with ASIC on 13 October 2025 and the Placement Shares were released from escrow 14 October 2025, and, as a result, T3D no longer has a relevant interest in the Placement Shares.	Nil	10,000,000 ordinary shares	10,000,000

3. Changes in association

The persons who have become associates (3) of, ceased to be associates of, or have changed the nature of their association (7) with, the substantial holder in relation to voting interests in the company or scheme are as follows:

Name and ACN/ARSN (if applicable)	Nature of association

DIRECTIONS

(1) If there are a number of substantial holders with similar or related relevant interests (eg. a corporation and its related corporations, or the manager and trustee of an equity trust), the names could be included in an annexure to the form. If the relevant interests of a group of persons are essentially similar, they may be referred to throughout the form as a specifically named group if the membership of each group, with the names and addresses of members is clearly set out in paragraph 4 of the form.

(2) See the definition of "relevant interest" in sections 608 and 671B(7) of the Corporations Act 2001.

(3) See the definition of "associate" in section 9 of the Corporations Act 2001.

(4) Include details of:

(a) any relevant agreement or other circumstances because of which the change in relevant interest occurred. If subsection 671B(4) applies, a copy of any document setting out the terms of any relevant agreement, and a statement by the person giving full and accurate details of any contract, scheme or arrangement, must accompany this form, together with a written statement certifying this contract, scheme or arrangement; and

(b) any qualification of the power of a person to exercise, control the exercise of, or influence the exercise of, the voting powers or disposal of the securities to which the relevant interest relates (indicating clearly the particular securities to which the qualification applies).

See the definition of "relevant agreement" in section 9 of the Corporations Act 2001.

(5) Details of the consideration must include any and all benefits, moneys and other, that any person from whom a relevant interest was acquired has, or may, become entitled to receive in relation to that acquisition. Details must be included even if the benefit is conditional on the happening or not of a contingency. Details must be included of any benefit paid on behalf of the substantial holder or its associate in relation to the acquisitions, even if they are not paid directly to the person from whom the relevant interest was acquired.

(6) The voting shares of a company constitute one class unless divided into separate classes.

(7) Give details, if appropriate, of the present association and any change in that association since the last substantial holding notice.
