ASX Announcement

14 January 2013

Option Entitlement Issue

Further to the Company's announcements in December 2012 and on 10 January 2013 that it would undertake a non-renounceable entitlement issue of options on the basis of one listed option for every share held, the Board of Directors of Advance Energy have determined that the options offered should have an exercise price of 0.4 cents and be exercisable on or before 31 December 2012.

The entitlement offer was originally deferred until January 2013 to provide shareholders greater opportunity to participate in the offer which will remain open until 15 February 2013.

An Appendix 3B for the offer is attached to this announcement and a copy of the Prospectus which has been lodged with ASIC will be released shortly.
