Dear Sir

COYOTE GOLD PROJECT – SIGNING OF NATIVE TITLE AGREEMENT

The Directors of Tanami Gold NL (ASX: TAM) are pleased to announce the signing today of the Tjurabalan Native Title Coyote Gold Project Agreement .

The Agreement reached with the Tjurabalan Traditional Aboriginal owners, paves the way for the Coyote Gold Project Mining Leases to be granted, which represents a major step in enabling Tanami to move towards development of the Project.

During the past twelve months, the Company and the Tjurabalan People, with the support of the Kimberley Land Council, have progressed negotiations with significant and genuine commitment from all parties. The outcome of the negotiations is that a fair and equitable agreement which is mutually beneficial to all parties has been reached. Importantly, the Tjurabalan Aboriginal Peoples' interests and benefits are aligned with the Company's success.

Given Tanami Gold's long term commitment to the Tanami-Arunta Province, the Company sees the Agreement as a very important and integral step in developing its operations in the region.

Central to the agreement is a commitment to employment, training and business development opportunities for the Tjurabalan People. These opportunities will be enhanced by Tanami Gold and the Tjurabalan People working together to maximise the success of the Coyote Gold Project.

Yours faithfully
Tanami Gold NL
