Dear Ms Harris

REQUEST FOR SUSPENSION

Manas Resources Limited (ASX: MSR, "the Company") seeks a suspension to the quotation of its securities. The Company is in the process of finalising an update on the status of the TEO (equivalent of the feasibility study) approval process for the Shambesai Gold Project in the Kyrgyz Republic.

It is expected that the suspension will end upon the release of an announcement providing details of the TEO status.

The Company is not aware of any reason why its securities should not be suspended.

Yours faithfully
