The screenshot shows the homepage of Triangle Energy (Global) Limited. The website has a clean, professional layout with a dark navigation bar at the top. The main content area is divided into several sections:

- Header:** Triangle Energy logo and tagline 'oil gas energy'.
- Company Overview:** 'Triangle Energy (Global) Limited' with ASX: TEG. A brief description states the company is focused on oil and gas production in Indonesia and Queensland.
- Our Assets:** Two featured assets:
 - Pase Field:** A production sharing contract in North Sumatra, Indonesia, used for gas supply to the Arun LNG plant.
 - Reids Dome:** A tenement in the Bowen Basin, Queensland, with a reserve of up to 1 billion cubic feet of gas.
- Latest Announcements:** A list of recent corporate events, including 'Initial substantial shareholder x 4', 'Change of company name and code', and 'Capital Reconstruction'.
- Subscribe:** A call to action for users to register for alerts and manage their preferences.

Executive Chairman, Mr John Towner stated; “the launch of our website is part of our strategy for communicating with shareholders. We will continue to update our website with production figures, investor newsletters and other information of interest to shareholders.”
