1. ANNUAL REPORT

Section 317 of the Corporations Act requires the reports of the directors and of the auditors and the Annual Report, including the financial statements, to be put before the Annual General Meeting and the Constitution provides for those reports and statements to be received and considered at the Annual General Meeting.

Neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the reports or statements. However, Shareholders will be given the opportunity to raise questions on the reports and the statements at the Annual General Meeting.

The Company's 2025 Annual Report is available at www.triangleenergy.com.au. Those shareholders that elected to receive a printed copy of the Annual Report will have received a copy with this Notice of Annual General Meeting.

At the Meeting, Shareholders will be offered the opportunity to:

- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the Auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, Shareholders may submit written questions to the Chairperson about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies of the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit.

Any written questions must be submitted no later than **4.00pm on 18 November 2025** to the Company Secretary at the Company's registered office.

2. RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

2.1 General

The Remuneration Report is in the Directors' Report section of the Annual Report.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out remuneration details for each Director and each of the Company's executives named in the Remuneration Report for the financial year ended 30 June 2025.

The vote on this resolution is advisory only and does not bind the Board or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

The Chairperson will give Shareholders a reasonable opportunity to ask questions about or to make comments on the Remuneration Report.

2.2 Corporations Act requirements

Section 250R(2) of the Corporations Act requires companies to put a resolution to their members that the Remuneration Report be adopted.

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution that a further meeting is held at which all of the Company's Directors (other than the Managing Director) must stand for re-election (**Spill Resolution**). Voting on this resolution will be determined by a poll at the meeting.

2.3 Directors' Recommendation – Resolution 1

The Directors decline to make a recommendation as to how Shareholders should vote on Resolution 1 as they each have an interest in the outcome of the Resolution.

A voting prohibition statement applies to this Resolution.

2.4 Undirected Proxies

The Chairperson intends to exercise all undirected proxies in favour of Resolution 1. If the Chairperson of the Meeting is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chairperson with an express authorisation to vote as the proxy in accordance with the Chairperson's intention.

Any undirected proxies held by any other Key Management Personnel or any of their closely related parties will not be voted on this resolution.

Key management personnel of the Company has the same meaning as set out in the accounting standards and includes the Directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly.

The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2025. Their closely related parties are defined in the Corporations Act, and include certain members of their family, dependents and companies they control.

3. RESOLUTION 2 – RE-ELECTION OF MR GREG HANCOCK AS A DIRECTOR

3.1 General

Resolution 2 is an ordinary resolution to approve the re-election of Mr Greg Hancock as a Director by rotation.

If Resolution 2 is passed, Mr Hancock will be re-elected as a Director.

If Resolution 2 is not passed, Mr Hancock will not be re-elected as a Director and the Company may have less than three Directors on the Board, in which case the Company will immediately appoint a new Director to the Board as a casual vacancy in accordance with the Constitution to ensure the Company has the requisite number of directors required by the Corporations Act and the Constitution.

3.2 Legal Requirements

Listing Rule 14.5 requires that a listed entity which has directors must hold an election of directors at each annual general meeting. The rule does not apply to an entity's managing director, unless there is more than one managing director, in which case only one is entitled not to be subject to re-election.

Article 7.2(a) provides that a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following that Director's appointment, or three years, whichever is longer. Article 7.6(b) requires any Director appointed to fill a casual vacancy or as an addition to the existing Directors to retire at the next general meeting of the Company.

Article 7.2(b)(iv) of the Company's Constitution provides that a re-election of Directors must be held at each annual general meeting and if no person or Director is required to retire in accordance with Article 7.2(a) or Article 7.6(b), the Director to retire must be the Director who has held their office as Director the longest period of time since their last election or appointment to that office. A Director who retires under Article 7.2(b)(iv) is eligible for re-election at that meeting under Article 7.3 of the Constitution.

Mr Greg Hancock was re-elected at the Annual General Meeting held on 22 November 2023 and accordingly, being the longest serving director, retires and being eligible, seeks re-election pursuant to Resolution 2.

3.3 Biography

Mr Greg Hancock has over 26 years' experience in capital markets practising in the area of Corporate Finance. He has extensive experience in both Australia and the United Kingdom. He has specialised in mining and natural resources and has a background in the finance and management of small, listed companies. He was the founding shareholder and first Chairman of Cooper Energy Ltd (ASX:COE), an Australian oil and gas producer with operations in the Cooper, Otway and Gippsland basins.

During the last three years, he has held directorships in other ASX-listed companies. Mr Hancock is the Non-Executive Chairman of ASX listed companies Ausquest Ltd and LSE Listed Cobra Resources plc. He is Non-Executive Director of Golden State Mining Ltd, BMG Resources Ltd and Group 6 Metals Ltd (formerly King Island Scheelite Ltd). Mr Hancock continues his close association with the capital markets in Australia and the United Kingdom through his private company Hancock Corporate Investments Pty Ltd.

Mr Hancock is also a member of the Company's Remuneration and Nomination Committee and the Audit and Risk Management Committee.

The Company confirms that it took appropriate checks into Mr Hancock's background and experience and that these checks did not identify any information of concern. Mr Hancock has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

If re-elected, Mr Greg Hancock is considered to be an independent Director and is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party.

3.4 Directors' Recommendation – Resolution 2

The Board supports the election of Mr Hancock and recommends that Shareholders vote in favour of Resolution 2. The Chairperson intends to exercise all available proxies in favour of Resolution 2.

4. RESOLUTION 3 – RATIFICATION OF SHARES ISSUED TO POWERHOUSE ADVISORY AUSTRALIA PTY LTD

4.1 General

On 15 August 2025, the Company entered into a 24-month mandate with Powerhouse Advisory Australia Pty Ltd (**PVL Advisory**) to act as Corporate Advisor and to provide strategic, mergers and acquisitions advice, corporate access services, assisting with strategic growth and advancing potential new venture assets in the Philippines.

As per the mandate, in lieu of a \$300,000 fee payable in cash, the Company issued a total of 100,000,000 fully paid ordinary shares (**Shares**) to PVL Advisory for nil consideration. The 5-day VWAP issue price for these shares was \$0.003 per Share.

4.2 Requirement for Shareholder Approval

As described in section 4.1 above, the Company issued a total of 100,000,000 Shares using its issuing capacity under Listing Rule 7.1.

Approval for the ratification of the issue of the Shares pursuant to Resolution 3 is sought for the purpose of Listing Rule 7.4, and for all other purposes.

If Resolution 3 is approved, the issue under the Resolution will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, it will not restore the Company's discretionary power to issue further shares up to 15% of the issued capital of the Company under Listing Rule 7.1. This could have negative impacts on the Company's ability to raise funds utilising its available placement capacity.

4.3 ASX Listing Rule 7.4 Information Requirements

Listing Rule 7.1 provides that a company must not issue or agree to issue during any 12-month period any equity securities, or other securities with rights to conversion to equity, if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12-month period without shareholder approval.

Listing Rule 7.4 provides that where an issue of securities made without Shareholder approval under Listing Rule 7.1 is subsequently approved by Shareholders (and the issue did not breach Listing Rule 7.1), the issue of securities will be treated as having been made with approval for the purpose of Listing Rule 7.1.

By ratifying the issue of equity securities, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity under Listing Rule 7.1 without the requirement to obtain prior Shareholder approval. If the issue of equity securities is not ratified, the Company will not have this flexibility until 12 months from the date of issue has passed, being 19 August 2026.

4.4 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the ratification:

(a) Name of recipient

The recipient of the Shares was Powerhouse Advisory Australia Pty Ltd (**PVL Advisory**).

(b) Number and class of securities issued

The Company issued 100,000,000 fully paid ordinary shares (**Shares**).

(c) Date of issue

The 100,000,000 Shares were issued on 19 August 2025.

(d) Price or consideration of issue

The Shares were issued for nil consideration in lieu of a \$300,000 fee payable in cash.

(e) Purpose of issue

The 100,000,000 Shares issued was for the engagement of PVL Advisory to act as Corporate Advisor and provide strategic, mergers and acquisitions advice, corporate access services, assisting with strategic growth and advancing potential new venture assets in the Philippines.

(f) Summary of material terms of the agreement

The Shares were issued pursuant to a mandate (**Mandate**) between the Company and PVL Advisory dated 15 August 2025. The material terms of the Mandate were as follows:

- (i) The Company agreed to engage PVL Advisory to act as Corporate Advisor and provide strategic, mergers and acquisitions advice, corporate access services, assisting with strategic growth and advancing potential new venture assets in the Philippines.
- (ii) The term of the Mandate is for a 24-month period with either party giving 60 days' notice in the event of a termination. In the event of a breach of contract, either party may immediately terminate the contract by written notice to the other party.

The Mandate otherwise contained representations and warranties on terms considered customary and not unusual for agreements of that nature.

(g) Voting Exclusion

A voting exclusion statement is included in the Notice.

4.5 Directors' Recommendation – Resolution 3

Resolution 3 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 3.

The Board unanimously recommend that Shareholders vote in favour of Resolution 3 as this will restore the Company's discretionary power to issue further shares up to 15% of the issued capital of the Company under Listing Rule 7.1.

5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT FACILITY

5.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**).

If Resolution 4 is approved, the Resolution will enable the Company to issue additional Equity Securities (calculated below) over a 12-month period without having to obtain Shareholder approval. If the Resolution is not approved, the Company's ability to issue Equity Securities without Shareholder approval will remain limited to the amount permitted under Listing Rule 7.1

Resolution 4 is a special resolution. It must be passed by at least 75% of the votes cast by Shareholders present and entitled to vote on the Resolution.

The Directors of the Company believe that Resolution 4 is in the best interests of the Company because if exploration success is achieved at its Western Australian projects, or if additional capital is needed for new acquisitions at new ventures (including in Asia, Australia or elsewhere) and/or for other Company related matters (including general working capital purposes), in particular over the next 12 months, this resolution provides the ability for the Company to raise additional funds quickly.

5.2 Applicable Listing Rules

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting, to allow it to issue Equity Securities totalling up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (i.e. the 10% Placement Facility). This capacity is in addition to the 15% annual issuance capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity, having a market capitalisation of \$6.6 million on 8 October 2025 (calculated as 2,201,234,027 Shares on issue at \$0.003 per Share).

5.3 Overview of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. Accordingly, at least 75% of votes cast by Shareholders present (in person, or by proxy or representative) and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

(b) Equity securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue 3 classes of Equity Securities, being Quoted fully paid ordinary Shares, Unlisted Options and Unlisted Performance Rights.

(c) Formula for calculating 10% Placement

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where

A = The number of fully paid ordinary shares on issue at the commencement of the 12 months immediately preceding the date of issue or agreement to issue:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception to Listing Rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue the convertible securities was approved or taken under these rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
- less the number of fully paid ordinary securities cancelled in the last 12 months.

D = 10%

E = the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the last 12 months immediately preceding the date of issue of the securities where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

(d) Listing Rules 7.1 and 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. At the date of this Notice, the Company has on issue 2,201,234,027 Shares, meaning the Company has the capacity to issue:

- (i) 330,185,104 Equity Securities under Listing Rule 7.1; and
- (ii) if approval under this Resolution 4 is obtained, 220,123,402 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 5.3(c) above).

5.4 Listing Rule 7.1A Information Requirements

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of the approval by shareholders of ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

(b) Minimum Issue Price

The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Purpose for which the 10% Placement Facility may be implemented

The Company may seek to issue the Equity Securities for cash consideration in which case the Company intends to use the funds raised towards an acquisition of new resource assets or investments (including expenses associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or for general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon issue of any Equity Securities under Listing Rule 7.1A.

(d) Risk of economic and voting dilution

If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Unlisted Options or Performance Rights, only if the Unlisted Options are exercised or the Performance Rights are converted). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2	Dilution			
		\$0.0015 50% decrease in Issue Price	\$0.003 Issue Price	\$0.0045 50% increase in Issue Price
Current Variable A 2,201,234,027 Shares	10% Voting Dilution	220,123,402 Shares	220,123,402 Shares	220,123,402 Shares
	Funds raised	\$330,185	\$660,370	\$990,555
50% increase in current Variable A 3,301,851,040 Shares	10% Voting Dilution	330,185,104 Shares	330,185,104 Shares	330,185,104 Shares
	Funds raised	\$495,277	\$990,555	\$1,485,832
100% increase in current Variable A 4,402,468,054 Shares	10% Voting Dilution	440,246,805 Shares	440,246,805 Shares	440,246,805 Shares
	Funds raised	\$660,370	\$1,320,740	\$1,981,110

The table has been prepared on the following assumptions:

- (i) There are currently 2,201,234,027 shares on issue as at the date of this Notice.
- (ii) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (iii) No options or performance rights are exercised into Shares before the date of the issue of the Equity Securities.
- (iv) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (v) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (vi) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vii) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes options, it is assumed that those options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (viii) The issue price is \$0.003, being the closing price of the Shares on ASX on 8 October 2025.

(e) Allocation policy when the 10% Placement Facility may be implemented

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue;

- (ii) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the financial situation and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice. However, the recipients of Equity Securities could consist of current Shareholders and/or new Shareholders (or both), none of whom will be related parties or associates of a related party of the Company.

(f) Prior Approvals under Listing Rule 7.1A

The Company has previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its Annual General Meeting held on 14 November 2024. However, the Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A2 in the 12 months preceding the date of the Annual General Meeting.

(g) Voting Exclusion

A voting exclusion statement is not included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities utilising this 10% Placement Facility. No existing Shareholder's votes will therefore be excluded under the voting.

5.5 Directors' Recommendation – Resolution 4

Resolution 4 is a special resolution, which requires a minimum of 75% of the votes cast.

The Board unanimously recommend that Shareholders vote in favour of Resolution 4 as this will enable the Company to conserve its cash and provide the Board the ability to issue Equity Securities in the event of a capital raise in excess of the Company's 15% placement capacity. The Chairperson intends to exercise all available proxies in favour of Resolution 4.
