TasFoods Limited (TasFoods, ASX:TFL)

TasFoods Company Update

Tasfoods Limited (**ASX:TFL**) ("TFL") advises that it has received 2 indicative non-binding proposals in relation to its Nichols poultry business. TFL is pro-actively working with those interested parties and is accordingly working through a process to sell the Nichols business (consistent with previous announcements made by TFL that it is considering all options including divestment)

TFL confirms that these proposals are non-binding and are not at an advanced stage meaning that no further details can be provided at this stage. TFL will continue to advise further as the negotiations progress and as is appropriate.

Authorised for ASX release by the Board of Directors of TasFoods Ltd (ASX:TFL).
