

INVESTOR WEBINAR INVITATION

TechGen Metals Limited (“TechGen” or the “Company”) is pleased to invite shareholders and interested parties to attend an upcoming investor webinar to be presented by **Managing Director, Mr Ashley Hood**.

Date: Thursday, 28 August 2025

Time: 10.30am (AWST)

During the session, Mr Hood will provide an update on TechGen’s exploration portfolio, including recent developments across the Company’s key projects:

- **Blue Devil (Kimberley, WA)** – Large-scale copper-gold-silver opportunity, with EM conductors and high-grade surface mineralisation.
- **Mt Boggola (Ashburton, WA)** – Copper-gold-antimony targets with recent IP anomalies and strong rock chip results.
- **El Donna (Goldfields, WA)** – Gold project positioned between two operating mines with promising drill intercepts.
- **Blue Bore (NT)** – Unique sediment-hosted copper opportunity in an underexplored region.

The webinar will also cover TechGen’s near-term activity timeline and upcoming catalysts.

To watch the webinar, shareholders must register via this
