This ASX announcement was authorised for release by the Board of Tungsten Mining NL.

About Tungsten Mining

Australian tungsten developer, Tungsten Mining NL is an Australian based resources company listed on the Australian Securities Exchange.

Tungsten (chemical symbol W), occurs naturally on Earth, not in its pure form but as a constituent of other minerals, only two of which support commercial extraction and processing - wolframite ((Fe, Mn) WO₄) and scheelite (CaWO₄).

Tungsten has the highest melting point of all elements except carbon – around 3400°C giving it excellent high temperature mechanical properties and the lowest expansion coefficient of all metals. Tungsten is a metal of considerable strategic importance, essential to modern industrial development (across aerospace and defence, electronics, automotive, extractive and construction sectors) with uses in cemented carbides, high-speed steels and super alloys, tungsten mill products and chemicals.

Through exploration and acquisition, the Company has established a globally significant tungsten resource inventory in its portfolio of advanced mineral projects across Australia. This provides the platform for the Company to become a major player within the global primary tungsten market through the development of low-cost tungsten concentrate production.

EXPLANATORY STATEMENT

FINANCIAL STATEMENTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the Declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.tungstenmining.com.

1. RESOLUTION 1 – REMUNERATION REPORT (NON-BINDING RESOLUTION)

1.1 General

The Corporations Act requires a resolution that the remuneration report be adopted be put to the shareholders at a listed company's annual general meeting. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2022.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

The Remuneration Report has been approved by Shareholders at every AGM of the Company including at the most recent AGM in 2021 when votes cast against the Remuneration Report considered were less than 25%.

1.2 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

- (a) **If you appoint a member of the Key Management Personnel as your proxy** (other than the Chair) or a Closely Related Party of such a member, **you must** direct your proxy how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- (b) **If you appoint the Chair as your proxy** (where he or she is also a member of the Key Management Personnel or a Closely Related Party of such a member), you **do not** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, you are acknowledging the Chair may exercise his or her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.
- (c) **If you appoint any other person as your proxy**, you **do not** need to direct your proxy how to vote on this Resolution, and you **do not** need to mark any further acknowledgement on the Proxy Form.

2. RESOLUTION 2 – RE-ELECTION OF TECK WONG

Listing Rule 14.4 provides that, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

A retiring director is eligible for re-election. The directors to retire at any annual general meeting must be those who have been longest in office since their last election but, as between persons who became directors on the same day, those to retire must (unless they otherwise agree among themselves) be determined by lot.

Teck Wong was last re-elected as a director at the Company's 2019 annual general meeting. Accordingly, Mr Wong retires and seeks re-election in accordance with Listing Rule 14.4 and clause 7.3 of the Constitution. Details regarding, Teck Wong are set out in the 2022 Annual Report.

The Directors, other than Teck Wong, recommend that Shareholders vote in favour of Resolution 2.

3. RESOLUTION 3 – RE-ELECTION OF CHEW WAI CHUEN

Listing Rule 14.4 provides that, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

A retiring director is eligible for re-election. The directors to retire at any annual general meeting must be those who have been longest in office since their last election but, as between persons who became directors on the same day, those to retire must (unless they otherwise agree among themselves) be determined by lot.

Chew Wai Chuen was last re-elected as a director at the Company's 2019 annual general meeting. Accordingly, Mr Wai Chuen retires and seeks re-election in accordance with Listing Rule 14.4 and clause 7.3 of the Constitution. Details regarding, Chew Wai Chuen are set out in the 2022 Annual Report.

The Directors, other than Chew Wai Chuen, recommend that Shareholders vote in favour of Resolution 3.

4. RESOLUTION 4 – APPROVAL FOR ADDITIONAL PLACEMENT CAPACITY

4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval to allow it to issue Equity Securities up to 10% of its issued capital over a period up to 12 months after the entity's annual general meeting (**10% Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes as it is not included in the S&P/ASX 300 Index and has a market capitalisation as at 13 October 2022 of \$68,418,042.

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Shareholders approve Resolution 4, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

The effect of Resolution 4 will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 4 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

4.2 ASX Listing Rule 7.1A

Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

The Equity Securities must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of quoted Equity Securities on issue, being the Shares (ASX Code: TGN).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

A = the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16, or 17;
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;

- plus the number of fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the relevant period;
- less the number of fully paid ordinary securities cancelled in the relevant period;

D = 10%;

E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

4.3 Technical information required by ASX Listing Rule 7.1A

In accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

(a) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph 0(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of the Annual General Meeting;
- (ii) the time and date of the next Annual General Meeting; and
- (iii) the date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the

current market price of Shares and the current number of Equity Securities on issue as at 13 October 2022.

The table also shows the voting dilution impact where the number of Shares on issue changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (variable "A" in Listing Rule 7.1A.2)	Dilution			
	Dilution based on number of Shares issued (being 10% of the number of Shares at the time of issue)	Funds raised based on issue price of \$0.0435 (50% decrease in current issue price)	Funds raised based on issue price of \$0.087 (Current issue price)	Funds raised based on issue price of \$0.174 (100% increase in current issue price)
786,414,272 (Current)	78,641,427	\$3,420,902	\$6,841,804	\$13,683,608
1,179,621,408 (50% increase) *	117,962,141	\$5,131,353	\$10,262,706	\$20,525,412
1,572,828,544 (100% increase) *	157,282,854	\$6,841,804	\$13,683,608	\$27,367,217

*The number of Shares on issue could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with or without Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. The current shares on issue are the Shares on issue as at 13 October 2022.
2. The issue price set out above is the closing price of the Shares on the ASX on 13 October 2022.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
5. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity to raise funds:

- (i) to progress the Company's Mt Mulgine Project and/or its other projects; and
- (ii) for general working capital.

(e) **Allocation under the 10% Placement Capacity**

The allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the Company's circumstances, including, but not limited to, its financial position and solvency;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous Approval under ASX Listing Rule 7.1A**

The Company obtained approval under ASX Listing Rule 7.1A at its previous annual general meeting on 26 November 2021.

Since the previous annual general meeting on 26 November 2021 no securities have been issued pursuant to Listing Rule 7.1A.

5. RESOLUTION 5 – AMENDMENT TO THE CONSTITUTION

Under Section 136(2) of the Corporations Act, a company can modify or repeal its constitution or a provision of its constitution by special resolution of shareholders. A special resolution requires the approval of 75% of the votes cast by the shareholders present or eligible to vote (in person, by proxy or corporate representative) in order to be passed.

Section 249R of the Corporations Act allows a company to hold a general meeting at two or more venues using any technology that gives shareholders as a whole a reasonable opportunity to participate in the meeting. In addition, it allows a company to hold a general meeting using virtual meeting technology only, if this is required or permitted by the company's constitution expressly.

During the COVID-19 pandemic various measures (e.g. Corporations (Coronavirus Economic Response) Determination (No. 1) 2020 and ASIC's no-action position as set out in its 21- 061MR of 29 March 2021) to hold a general meeting virtually using technologies were implemented. As a consequence of the Corporations Amendment (Meetings and Documents) Act 2022, Australia's Corporations Act 2001 (Cth) was amended as from 1 April 2022 to allow companies to hold general meetings at one or more physical venues and using virtual meeting technology (hybrid meetings) and, if required or permitted by the company's constitution, using virtual meeting technology only.

The proposed amendments to the Company's Constitution will enable the Company to hold meetings using technology, either physical, hybrid or virtual, consistent with section 249R of the Corporations Act. In addition, the amendments to the Company's Constitution will enable the Company to give documents by means of electronic communication.

The Company's current Constitution contemplates that any general meeting may be held "in two or more places" and states that if a general meeting is held in two or more places, it may be done so by any technology that gives the Members a reasonable opportunity to participate [Rule 6.7].

Further, the current Constitution specifies that "Annual general meetings must be held in accordance with the Corporations Act" [Rule 6.3]. Accordingly, as the Corporations Act changes, so does the interpretation of this clause.

Some of the procedural details regarding hybrid or virtual meetings, however, are not fully specified.

Section 253RA of the Corporations Act allows a company to give documents specified in section 253R to shareholders by means of electronic communication.

The Company's current Constitution provides how the Company may give notice to a member [Rule 14.1] but does not specifically refer to electronic communication (with the exception of email).

The proposed amendments to the Company's Constitution will:

- (a) clarify the Company's ability to hold a general meeting at two or more places using technology, or wholly using technology, which give the shareholders as a whole a reasonable opportunity to participate in general meetings;
- (b) require that if a general meeting is to be held at two or more places or wholly using technology, requiring that the relevant notice of meeting includes details of the technology that will be used to facilitate the holding of the general meeting;
- (c) deem shareholders and where relevant, their proxies, attorneys and representatives, to be present at a general meeting which is held at two or more places or entirely virtually, where such shareholder or their proxy, attorney or representative participates in the general meeting using technology provided for in the relevant notice of meeting;
- (d) clarify how to deal with technical difficulties which may impact on the ability of shareholders as a whole to have a reasonable opportunity to participate in the general meeting;
- (e) confirm that the Company may give notice of general meetings by any means permissible under the Corporations Act, which includes electronic communications.

The proposed amendments are set out in Schedule 2 to this Notice of Meeting. A full version of the Company's Constitution, showing the amendments as a mark-up, can be seen on the Company's website at: <https://www.tungstenmining.com/en/about-us/corporate-governance/>.

Directors Recommendation

The Board recommend that Shareholders vote in favour of Resolution 5.
