

TELSTRA

pieNETWORKS and Telstra Corporation Limited ("Telstra") have executed a formal contract for the deployment of a network of 50 pieNETWORKS' Hotspot Webphones in a 4 month assessment for the Australian market which will be completed later this year.

The Webphones will be deployed in a number of high profile indoor sites across Australia.

Subject to the success of the market assessment, pieNETWORKS and Telstra will negotiate the commercial terms for a large scale deployment of pieNETWORKS' Hotspot Webphones.
