3. Resolution 1 – Ratification of Prior Placement

3.1 General

On 16 December 2016, the Company completed an issue of 19,247,619 Shares at an issue price of A\$0.42 each to raise A\$8,084,000 before costs (**Prior Placement**).

The 19,247,619 Shares were issued pursuant to the Company's capacity under Listing Rule 7.1. Listing Rule 7.1 provides that the Company is entitled to issue Equity Securities up to 15% of its issued share capital through placements during any 12-month period, without needing prior shareholder approval (**15% Placement Capacity**).

Listing Rule 7.4 provides that if the Company in general meeting ratifies the previous issue of Equity Securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those Equity Securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The effect of passing Resolution 1 will be to allow the Company to retain the flexibility to issue equity securities in the future up to the 15% Placement Capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

Resolution 1 seeks ratification of the issue of 19,247,619 Shares under the Placement.

Resolution 1 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 1.

3.2 Specific information required by Listing Rule 7.5

In accordance with Listing Rule 7.5, information is provided in relation to the Prior Placement as follows:

- (a) On 16 December 2016, the Company issued 19,247,619 Shares to institutional investors who are not related parties or associates of related parties of the Company.
- (b) The Shares were issued for A\$0.42 per Share.
- (c) The Shares issued were all fully paid ordinary shares in the capital of the Company and were issued on the same terms and conditions as the Company's existing Shares.
- (d) The Company will apply the funds raised pursuant to the Placement towards the costs and expenses associated with completing an updated Bankable Feasibility Study for a potential two coal seam operation at the Poplar Grove Mine and to provide funding for the Company to commence development of the Poplar Grove Mine and for the Company's general working capital purposes.

- (e) A voting exclusion statement is included in the Notice for Resolution 1.

3.3 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

4. Resolution 2 – Renewal of New Performance Rights Plan

4.1 General

Resolution 2 seeks Shareholder approval, pursuant to Listing Rule 7.2, Exception 9, to renew the Company's Performance Rights Plan, as required every 3 years under the Listing Rules.

To enable Performance Rights issued under the Performance Rights Plan to be exempted from contributing towards the rolling annual limit of 15% of issued Shares prescribed by Listing Rule 7.1, the approval of employee incentive schemes, such as the Performance Rights Plan, must be "refreshed" every three years

The Company last obtained approval under Listing Rule 7.2, Exception 9, when it adopted the Performance Rights Plan on 19 November 2013. Approval under Listing Rule 7.2, Exception 9 lasts for a period of three years and, consequently, that approval expired on 19 November 2016.

Accordingly, the Company is seeking to "renew" the approval of the Performance Rights Plan and the Company's ability to issue Performance Rights under the Performance Rights Plan as an exception to Listing Rule 7.1, for a period of a further 3 years from the date on which Resolution 2 is passed.

The Performance Rights Plan has operated since 19 November 2013. It is intended to assist the Company to attract and retain key staff, whether employees or contractors. The Board believes that grants made to Eligible Participants under the Performance Rights Plan will provide a powerful tool to underpin the Company's employment and engagement strategy, and that the Performance Rights Plan will:

- (a) enable the Company to incentivise and retain existing key management personnel and other Eligible Participants needed to achieve the Company's business objectives;
- (b) enable the Company to recruit, incentivise and retain additional key management personnel and other Eligible Participants needed to achieve the Company's business objectives;
- (c) link the reward of key staff with the achievement of strategic goals and the long term performance of the Company;
- (d) align the financial interest of participants of the Performance Rights Plan with those of Shareholders; and
- (e) provide incentives to participants of the Performance Rights Plan to focus on superior performance that creates Shareholder value.

The material terms of the Performance Rights Plan are the same as the Company's previously approved Performance Rights Plan other than the Board's decision to amend the Performance Rights Plan to exclude non-executive Directors from being eligible to participate in the plan.

The Chairman intends to exercise all available proxies in favour of Resolution 2.

4.2 Listing Rule 7.1 and Listing Rule 7.2, Exception 9

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12-month period any equity securities, or other securities with rights to conversion to equity (such as Performance Rights), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2, Exception 9 operates as one of the exceptions to Listing Rule 7.1. The effect of Shareholder approval under Listing Rule 7.2, Exception 9 is that any issues of securities under the Performance Rights Plan are treated as having been made with the approval of Shareholders for the purposes of Listing Rule 7.1. Approval under Listing Rule 7.2, Exception 9 lasts for a period of three years.

4.3 Specific Information Required by Listing Rule 7.2

In accordance with the requirements of Listing Rule 7.2 Exception 9(b), the following information is provided:

- (a) a summary of the material terms of the Performance Rights Plan is in Schedule 2;
- (b) since the Performance Rights Plan was adopted by Shareholders on 19 November 2013, a total of 10,813,333 Performance Rights have been issued to Directors, key employees and key contractors of the Company under the Performance Rights Plan, of which 2,315,666 Performance Rights have converted into 2,315,666 Shares upon satisfying the relevant performance conditions, and 8,497,667 Performance Rights have been cancelled. At the date of this Notice, the Company had no Performance Rights on issue; and
- (c) a voting exclusion statement has been included in the Notice for the purposes of Resolution 2.

4.4 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2.

5. Resolution 3 – Approval to Issue Performance Rights to a Director – Mr Todd Hannigan

5.1 General

Resolution 3 seeks Shareholder approval, pursuant to Listing Rule 10.14, for the grant of up to 2,500,000 Performance Rights to Mr Todd Hannigan (and/or his nominees), under the Performance Rights Plan, as part of the long-term incentive component of his remuneration as Managing Director and Chief Executive Officer of the Company.

Mr Hannigan was appointed Managing Director and Chief Executive Officer of the Company on 7 November 2016 and the proposed grant of Performance Rights to Mr Hannigan was announced on the same day.

Mr Hannigan was the Chief Executive Officer of Aston Resources Limited from 2010 to 2011. During this time, Aston Resources Limited significantly progressed the Maules Creek project, including upgrades to the project's resources and reserves, completion of all technical and design work for a definitive feasibility study, negotiation of two major project stake sales and joint venture agreements, securing port and rail access and progression of planning approvals to final stages. Mr Hannigan has worked internationally in the mining and resources sector for over 18 years with Aston Resources Limited, Xstrata Coal, Hanson PLC, BHP Billiton Limited and M.I.M. Holdings Limited. Mr Hannigan was appointed a Director of the Company on 21 May 2014.

In the Company's present circumstances, the Board considers that the grant of these Performance Rights to Mr Hannigan is a cost effective and efficient reward for the Company to make to appropriately incentivise the continued performance of Mr Hannigan and is consistent with the strategic goals and targets of the Company.

The Company has set performance criteria for these Performance Rights to ensure that they only vest upon achievement of fundamental milestones that will drive the long-term value of the Company's securities. The performance criteria are the satisfaction of the Construction Milestone, First Coal Production Milestone and Nameplate Production Milestone (described below).

The Performance Rights to be granted to Mr Hannigan will be granted pursuant to and in accordance with the Performance Rights Plan, subject to Shareholder approval being obtained in respect of Resolution 2. The Performance Rights will be granted to Mr Hannigan (and/or his nominees) with the following Performance Conditions and expiry dates:

Tranche	Performance Condition	Expiry Date	Allocation to Mr Todd Hannigan
1.	Construction Milestone means completion of 25% of the Poplar Grove Mine construction phase (as per the project development schedule and budget approved by the Board in accordance with the final bankable feasibility study).	31 December 2018	750,000
2.	First Coal Production Milestone means achievement of underground coal production from the Poplar Grove Mine.	31 December 2019	850,000
3.	Nameplate Production Milestone means achievement of quarterly nameplate coal production (as per the final bankable feasibility study) from the Poplar Grove Mine.	31 December 2020	900,000
Total			2,500,000

The Performance Rights will automatically vest and be deemed to immediately become vested Performance Rights upon a Change in Control Event.

If the Performance Condition of a Performance Right is satisfied prior to the relevant expiry date, the Performance Right will vest and result in the issue of one Share in the Company for each Performance Right. If the Performance Condition of a Performance Right is not achieved by the expiry date, then the Performance Right will lapse.

The Performance Rights will lapse if Mr Hannigan ceases to be an Eligible Participant of the Company or its subsidiaries (except in the case of total and permanent disability, death and such other cases as the Board may determine).

Resolution 3 is an ordinary resolution. Resolution 3 is conditional on the approval of Resolution 2. If Resolution 2 is not passed, no Performance Rights will be granted to Mr Hannigan under Resolution 3.

The Chairman intends to exercise all available proxies in favour of Resolution 3.

5.2 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of ordinary shareholders:

- (a) a director;
- (b) an associate of a director; or
- (c) a person whose relationship with the entity or a person referred to in (a) or (b) above is, in ASX's opinion, such that approval should be obtained.

Resolution 3 seeks Shareholder approval, pursuant to Listing Rule 10.14, for the proposed grant of the Performance Rights to Mr Hannigan (and/or his nominee), because Mr Hannigan is a Director.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 is not required. Accordingly, the grant of Performance Rights to Mr Hannigan, pursuant to Resolution 3, will not reduce the Company's 15% capacity for the purposes of Listing Rule 7.1.

5.3 Specific information required by Listing Rule 10.15

Listing Rule 10.15 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval for the grant of the Performance Rights to Mr Hannigan (and/or his nominee):

- (a) the Performance Rights will be granted to Mr Hannigan, Managing Director and Chief Executive Officer of the Company (and/or his nominee);
- (b) the maximum number of Performance Rights to be granted to Mr Hannigan pursuant to Resolution 3 is 2,500,000. The actual number of Performance Rights that vest is dependent on the achievement of the Performance Conditions as described above;
- (c) the Performance Rights will be granted as incentive Performance Rights and will be granted for nil cash consideration. The exercise price of the Performance Rights will also be nil consideration;
- (d) the only persons referred to in Listing Rule 10.14 who have received securities under the Performance Rights Plan since it was approved on 19 November 2013, is Mr David Gay (Director) who received 4,250,000 Performance Rights (for nil acquisition price), of which 900,000 have converted into 900,000 Shares upon satisfying the relevant performance conditions, and 3,350,000 Performance Rights have been cancelled;
- (e) under the rules of the Performance Rights Plan, Eligible Employees (including Executive Directors) and Eligible Contractors, as determined by the Board, are entitled to participate in the Performance Rights Plan;
- (f) a voting exclusion statement is included in the Notice;
- (g) there is no loan associated with the grant of the Performance Rights; and
- (h) the Company will grant the Performance Rights no later than 12 months (or such longer period of time as ASX may in its discretion allow) after the date of the Meeting.

5.4 Directors' Recommendation

The Directors (excluding Mr Todd Hannigan) unanimously recommend that Shareholders vote in favour of Resolution 3.

6. Resolution 4 – Approval to Issue Incentive Options to a Director – Mr Todd Hannigan

6.1 General

Resolution 4 seeks Shareholder approval, pursuant to Listing Rule 10.11, for the grant of up to 500,000 Incentive Options to Mr Hannigan (and/or his nominee), as part of the long-term incentive component of his remuneration as Managing Director and Chief Executive Officer of the Company.

Mr Hannigan was appointed Managing Director and Chief Executive Officer of the Company on 7 November 2016 and the proposed grant of Incentive Rights to Mr Hannigan was announced on the same day.

Mr Hannigan was the Chief Executive Officer of Aston Resources Limited from 2010 to 2011. During this time, the company significantly progressed the Maules Creek project, including upgrades to the project's resources and reserves, completion of all technical and design work for a definitive feasibility study, negotiation of two major project stake sales and joint venture agreements, securing port and rail access and progression of planning approvals to final stages. Mr Hannigan has worked internationally in the mining and resources sector for over 18 years with Aston Resources Limited, Xstrata Coal, Hanson PLC, BHP Billiton Limited and M.I.M. Holdings Limited. Mr Hannigan was appointed a Director of the Company on 21 May 2014.

In the Company's present circumstances, the Board considers that the grant of these Incentive Options to Mr Hannigan is a cost effective and efficient reward for the Company to make to appropriately incentivise the continued performance of Mr Hannigan and is consistent with the strategic goals and targets of the Company.

There are no specific performance criteria on the Incentive Options as, given the speculative nature of the Company's activities and the small management team responsible for its running, it is considered the performance of Mr Hannigan and the performance and value of the Company are closely related. As such, the Incentive Options granted will generally only be of benefit if Mr Hannigan performs to the level whereby the value of the Company increases sufficiently to warrant exercising the Incentive Options.

The Incentive Options will be granted to Mr Hannigan (and/or his nominee) on the terms and conditions in Schedule 3.

Resolution 4 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 4.

6.2 Listing Rule 10.11

In accordance with Listing Rule 10.11, the Company must not issue securities to a related party of the Company unless it obtains Shareholder approval.

The effect of passing Resolution 4 will be to allow the Company to issue 500,000 Incentive Options to Mr Todd Hannigan (and/or his nominee) without using up the Company's 15% placement capacity under Listing Rule 7.1.

6.3 Specific information required by Listing Rule 10.13

Listing Rule 10.13 requires that the following information be provided to Shareholders:

- (a) the Incentive Options will be issued to Mr Todd Hannigan (and/or his nominee);
- (b) the maximum number of Incentive Options that will be issued to Mr Hannigan pursuant to Resolution 4 is 500,000 Incentive Options;
- (c) the Incentive Options will be issued no later than 1 month (or such longer period of time as ASX may in its discretion allow) after the date of the Meeting;
- (d) each Incentive Option will be granted for nil consideration;
- (e) each Incentive Option has an exercise price of A\$0.45 and is exercisable on or before 31 December 2018, and are otherwise subject to the terms and conditions in Schedule 3;

- (f) a voting exclusion statement is included in the Notice; and
- (g) as the Incentive Options are being issued for nil consideration, no funds are being raised from the issue.

6.4 Directors' Recommendation

The Directors (excluding Mr Todd Hannigan) unanimously recommend that Shareholders vote in favour of Resolution 4.

7. Resolution 5 – Approval to Issue Performance Rights to a Director – Mr Thomas Todd

7.1 General

Resolution 5 seeks Shareholder approval, pursuant to Listing Rule 10.14, for the grant of up to 1,250,000 Performance Rights to Mr Thomas Todd (and/or his nominee), under the Performance Rights Plan, as part of the long-term incentive component of his remuneration as Executive Director of the Company.

Mr Todd was appointed Executive Director of the Company on 7 November 2016.

Mr Todd was the Chief Financial Officer of Aston Resources Limited from 2009 to November 2011. Prior to Aston Resources Limited, Mr Todd was Chief Financial Officer of Custom Mining Limited, where his experience included project acquisition and funding of project development for the Middlemount project prior to the sale of the company to Macarthur Coal Limited. A graduate of Imperial College, Mr Todd holds a Bachelor of Physics with first class Honours. He is a chartered accountant (Institute of Chartered Accountants in England and Wales) and a graduate of the Australian Institute of Company Directors.

In the Company's present circumstances, the Board considers that the grant of these Performance Rights to Mr Todd is a cost effective and efficient reward for the Company to make to appropriately incentivise the continued performance of Mr Todd and is consistent with the strategic goals and targets of the Company.

The Company has set performance criteria for these Performance Rights to ensure that they only vest upon achievement of fundamental milestones that will drive the long-term value of the Company's securities. The performance criteria are the satisfaction of the Construction Milestone, First Coal Production Milestone and Nameplate Production Milestone (described below).

The Performance Rights to be granted to Mr Todd will be granted pursuant to and in accordance with the Performance Rights Plan, subject to Shareholder approval being obtained in respect of Resolution 2. The Performance Rights will be granted to Mr Todd (and/or his nominee) with the following Performance Conditions and expiry dates:

Tranche	Performance Condition	Expiry Date	Allocation to Mr Thomas Todd
1.	Construction Milestone means completion of 25% of the Poplar Grove Mine construction phase (as per the project development schedule and budget approved by the Board in accordance with the final bankable feasibility study).	31 December 2018	375,000
2.	First Coal Production Milestone means achievement of underground coal production from the Poplar Grove Mine.	31 December 2019	425,000
3.	Nameplate Production Milestone means achievement of quarterly nameplate coal production (as per the final bankable feasibility study) from the Poplar Grove Mine.	31 December 2020	450,000
Total			1,250,000

The Performance Rights will automatically vest and be deemed to immediately become vested Performance Rights upon a Change in Control Event.

If the Performance Condition of a Performance Right is satisfied prior to the relevant expiry date, the Performance Right will vest and result in the issue of one Share in the Company for each Performance Right. If the Performance Condition of a Performance Right is not achieved by the expiry date, then the Performance Right will lapse.

The Performance Rights will lapse if Mr Todd ceases to be an Eligible Participant of the Company or its subsidiaries (except in the case of total and permanent disability, death and such other cases as the Board may determine).

Resolution 5 is an ordinary resolution. Resolution 5 is conditional on the approval of Resolution 2. If Resolution 2 is not passed, no Performance Rights will be granted to Mr Todd under Resolution 5.

The Chairman intends to exercise all available proxies in favour of Resolution 5.

7.2 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of ordinary shareholders:

- (a) a director;
- (b) an associate of a director; or
- (c) a person whose relationship with the entity or a person referred to in 5.2(a) or 5.2(b) above is, in ASX's opinion, such that approval should be obtained.

Resolution 5 seeks Shareholder approval, pursuant to Listing Rule 10.14, for the proposed grant of the Performance Rights to Mr Todd (and/or his nominee), because Mr Todd is a Director.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 is not required. Accordingly, the grant of Performance Rights to Mr Todd, pursuant to Resolution 5, will not reduce the Company's 15% capacity for the purposes of Listing Rule 7.1.

7.3 Specific information required by Listing Rule 10.15

Listing Rule 10.15 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval for the grant of the Performance Rights to Mr Todd (and/or his nominee):

- (a) the Performance Rights will be granted to Mr Todd, Executive Director of the Company (and/or his nominee);
- (b) the maximum number of Performance Rights to be granted to Mr Todd pursuant to Resolution 5 is 1,250,000. The actual number of Performance Rights that vest is dependent on the achievement of the Performance Conditions as described above;
- (c) the Performance Rights will be granted as incentive Performance Rights and will be granted for nil cash consideration. The exercise price of the Performance Rights will also be nil consideration;
- (d) the only persons referred to in Listing Rule 10.14 who have received securities under the Performance Rights Plan since it was approved on 19 November 2013, is Mr David Gay (Director) who received 4,250,000 Performance Rights (for nil acquisition price), of which 900,000 have converted into 900,000 Shares upon satisfying the relevant performance conditions, and 3,350,000 Performance Rights have been cancelled;
- (e) under the rules of the Performance Rights Plan, Eligible Employees (including Executive Directors) and Eligible Contractors, as determined by the Board, are entitled to participate in the Performance Rights Plan;
- (f) a voting exclusion statement is included in the Notice;
- (g) there is no loan associated with the grant of the Performance Rights; and
- (h) the Company will grant the Performance Rights no later than 12 months (or such longer period of time as ASX may in its discretion allow) after the date of the Meeting.

7.4 Directors' Recommendation

The Directors (excluding Mr Thomas Todd) unanimously recommend that Shareholders vote in favour of Resolution 5.

8. Resolution 6 – Approval to Issue Incentive Options to a Director – Mr Thomas Todd

8.1 General

Resolution 6 seeks Shareholder approval, pursuant to Listing Rule 10.11, for the grant of up to 500,000 Incentive Options to Mr Todd (and/or his nominee), as part of the long-term incentive component of his remuneration as Executive Director of the Company.

Mr Todd was appointed Executive Director of the Company on 7 November 2016.

Mr Todd was the Chief Financial Officer of Aston Resources from 2009 to November 2011. Prior to Aston Resources, Mr Todd was Chief Financial Officer of Custom Mining, where his experience included project acquisition and funding of project development for the Middlemount project prior to the sale of the company to Macarthur Coal. A graduate of Imperial College, Mr Todd holds a Bachelor of Physics with first class Honours. He is a chartered accountant (Institute of Chartered Accountants in England and Wales) and a graduate of the Australian Institute of Company Directors.

In the Company's present circumstances, the Board considers that the grant of these Incentive Options to Mr Todd is a cost effective and efficient reward for the Company to make to appropriately incentivise the continued performance of Mr Todd and is consistent with the strategic goals and targets of the Company.

There are no specific performance criteria on the Incentive Options as, given the speculative nature of the Company's activities and the small management team responsible for its running, it is considered the performance of Mr Todd and the performance and value of the Company are closely related. As such, the Incentive Options granted will generally only be of benefit if Mr Todd performs to the level whereby the value of the Company increases sufficiently to warrant exercising the Incentive Options.

The Incentive Options will be granted to Mr Todd (and/or his nominee) on the terms and conditions in Schedule 3.

Resolution 6 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 6.

8.2 Listing Rules

In accordance with Listing Rule 10.11, the Company must not issue securities to a related party of the Company unless it obtains Shareholder approval.

The effect of passing Resolution 6 will be to allow the Company to issue 500,000 Incentive Options to Mr Thomas Todd (and/or his nominee) without using up the Company's 15% placement capacity under Listing Rule 7.1.

8.3 Specific information required by Listing Rule 10.13

Listing Rule 10.13 requires that the following information be provided to Shareholders:

9. Resolution 7 – Approval to Issue Performance Rights to a Director – Mr David Gay

9.1 General

Resolution 7 seeks Shareholder approval, pursuant to Listing Rule 10.14, for the grant of up to 3,000,000 Performance Rights to Mr David Gay (and/or his nominee), under the Performance Rights Plan, as part of the long-term incentive component of his remuneration as Executive Director of the Company.

Mr Gay is Executive Director and President of the Company, having previously served as the Company's Chief Executive Officer from 7 January 2014 to 7 November 2016.

Mr Gay is a Professional Mining Engineer with an MBA and has over 35 years of experience in developing coal projects in the USA. Mr Gay's experience covers the entire coal development chain including leasing, permitting, exploration, construction, commissioning, production, mergers & acquisitions and financing activities (including project finance, high yield bonds, bank debt, structured finance and equity). Prior to joining the Group, he was Vice President, Mergers and Acquisitions and Business Development at Alpha Natural Resources, one of the USA's largest coal producers. During his time, Alpha completed over US\$10 billion worth of mergers and acquisitions and transitioned into one of the largest coal companies in the US and the third largest coking coal exporter globally. Prior to that, Mr Gay led several large regional coal companies and was Business Unit President at Pittston Coal Group (20 years' experience) which at the time was the largest coking coal exporter worldwide.

In the Company's present circumstances, the Board considers that the grant of these Performance Rights to Mr Gay is a cost effective and efficient reward for the Company to make to appropriately incentivise the continued performance of Mr Gay and is consistent with the strategic goals and targets of the Company.

The Company has set performance criteria for these Performance Rights to ensure that they only vest upon achievement of fundamental milestones that will drive the long-term value of the Company's securities. The performance criteria are the satisfaction of the Construction Milestone, First Coal Production Milestone and Nameplate Production Milestone (described below).

The Performance Rights to be granted to Mr Gay will be granted pursuant to and in accordance with the Performance Rights Plan, subject to Shareholder approval being obtained in respect of Resolution 2. The Performance Rights will be granted to Mr Gay (and/or his nominee) with the following Performance Conditions and expiry dates:

Tranche	Performance Condition	Expiry Date	Allocation to Mr David Gay
1.	Construction Milestone means completion of 25% of the Poplar Grove Mine construction phase (as per the project development schedule and budget approved by the Board in accordance with the final bankable feasibility study).	31 December 2018	900,000

3.	Nameplate Production Milestone means achievement of quarterly nameplate coal production (as per the final bankable feasibility study) from the Poplar Grove Mine.	31 December 2020	1,100,000
Total			3,000,000

The Performance Rights will automatically vest and be deemed to immediately become vested Performance Rights upon a Change in Control Event.

If the Performance Condition of a Performance Right is satisfied prior to the relevant expiry date, the Performance Right will vest and result in the issue of one Share in the Company for each Performance Right. If the Performance Condition of a Performance Right is not achieved by the expiry date, then the Performance Right will lapse.

The Performance Rights will lapse if Mr Gay ceases to be an Eligible Participant of the Company or its subsidiaries (except in the case of total and permanent disability, death and such other cases as the Board may determine).

Resolution 7 is an ordinary resolution. Resolution 7 is conditional on the approval of Resolution 2. If Resolution 2 is not passed, no Performance Rights will be granted to Mr Gay under Resolution 7.

The Chairman intends to exercise all available proxies in favour of Resolution 7.

9.2 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of ordinary shareholders:

- (a) a director;
- (b) an associate of a director; or
- (c) a person whose relationship with the entity or a person referred to in (a) or (b) above is, in ASX's opinion, such that approval should be obtained.

Resolution 7 seeks Shareholder approval, pursuant to Listing Rules 10.14, for the proposed grant of the Performance Rights to Mr Gay (and/or his nominee), because Mr Gay is a Director.

A voting exclusion statement in respect of Resolution 7 is in the Notice.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 is not required. Accordingly, the grant of Performance Rights to Mr Gay, pursuant to Resolution 7, will not reduce the Company's 15% capacity for the purposes of Listing Rule 7.1.

- (d) the only persons referred to in Listing Rule 10.14 who have received securities under the Performance Rights Plan since it was approved on 19 November 2013, is Mr David Gay (Director) who received 4,250,000 Performance Rights (for nil acquisition price), of which 900,000 have converted into 900,000 Shares upon satisfying the relevant performance conditions, and 3,350,000 Performance Rights have been cancelled;

Information about the Performance Rights Plan is outlined below. A copy of the Performance Right Plan can be obtained by contacting the Company.

Outline of the Performance Rights Plan

This section gives a brief outline of how the Board intends to implement initial participation under the rules of the proposed Performance Rights Plan.

Participation

Carefully designed, performance linked, equity plans are widely considered to be very effective in providing long term incentives to staff. As well, they are used to attract and retain staff by providing them with the opportunity to participate in the creation of a valuable personal asset – a financial stake in the Company.

As part of the Company's strategy, the Board wishes to be in a position to grant Performance Rights under the Performance Rights Plan to employees (including Executive Directors) and eligible contractors. A Performance Right is a right to be issued a Share upon satisfaction of certain performance conditions that are attached to the Performance Right, as determined by the Board. In accordance with the requirements of the Listing Rules, prior Shareholder approval will be required before any Director or related party of the Company can participate in the Performance Rights Plan.

Overview of the Plan rules and terms and conditions

The Board is cognizant of general Shareholder concern that long-term equity based rewards for staff should be linked to the achievement by the Company of a performance condition. Performance Rights granted under the Performance Rights Plan to eligible participants will be subject to performance conditions as determined by the Board from time to time. These performance conditions must be satisfied in order for the Performance Rights to vest. Upon Performance Rights vesting, Shares are automatically issued.

The Board considers the Performance Rights Plan a crucial mechanism to encourage and retain high level executive, employee and contractor performance. The Board intends to implement the Performance Rights Plan, and set the performance conditions, in a manner designed to incentivise and reward high level executive, employee and contractor performance.

The main features of the Performance Rights Plan (and the terms and conditions to be attached to the Performance Rights Plan) are summarised as follows:

Eligible Participants: The eligible participants under the Performance Rights Plan are:

- (a) full time employees and permanent part-time employees (including Executive Directors) of the Company and its subsidiaries (**Eligible Employees**); and
- (b) contractors engaged by the Company and its subsidiaries who are determined by the Board to be eligible participants for the purposes of the Contractor Plan (**Eligible Contractors**).

In accordance with the Listing Rules, prior Shareholder approval will be required before any Director or related party of the Company can participate in the Performance Rights Plan and be granted Performance Rights.

Compliance with ASIC Class Order: An offer of Performance Rights may only be made under the Performance Rights Plan if the number of Shares that may be acquired on exercise of those Performance Rights, when aggregated with:

- (a) the number of Shares which would be issued if each outstanding offer, right or option to acquire unissued Shares, being an offer made or right or option acquired pursuant to the Performance Rights Plan or any other incentive schemes, were to be accepted or exercised (as the case may be); and
- (b) the number of Shares issued during the previous 5 years pursuant to the Performance Rights Plan or any other incentive schemes;

but disregarding an offer made, or Performance Right acquired or Share issued by way of or as a result of:

- (c) an offer to a person situated at the time of receipt of the offer outside Australia;

- (d) an offer that did not need disclosure to investors because of section 708 of the Corporations Act. Section 708 exempts the requirement of a disclosure document for the issue of securities in certain circumstances to investors who are deemed to have sufficient investment knowledge to make informed decisions, including professional investors, sophisticated investors and senior managers of the Company; or
- (e) an offer made under a disclosure document,

does not exceed 5% (or such other maximum permitted under any ASIC Class Order providing relief from the disclosure regime of the Corporations Act) of the total number of issued Shares as at the time of the offer.

Individual Limits: The Performance Right Plan does not set out a maximum number of Shares that may be made issuable to any one person or company.

Consideration Payable: Performance Rights will be issued for no consideration and no amount will be payable upon exercise thereof.

Offer and Performance Conditions: The Performance Rights issued under the Performance Rights Plan to eligible participants will be subject to performance conditions, determined by the Board from time to time and expressed in a written offer letter (**Offer**) made by the Company to the eligible participant which is subject to acceptance by the eligible participant within a specified period. The performance conditions may include one or more of (i) service to the Company of a minimum period of time (ii) achievement of specific performance conditions by the participant and/or by the Company (iii) a vesting period following satisfaction of performance conditions before the Performance Rights vest, or (iv) such other performance conditions as the Board may determine and set out in the Offer. The Board in its absolute discretion determines whether performance conditions have been met.

Milestone Date, Expiry Date & Lapse: Performance Rights will have an expiry date as the Board may determine in its absolute discretion and specify in the Offer. The Board is not permitted to extend an expiry date without Shareholder approval.

The performance conditions of Performance Rights will have a milestone date as determined by the Board in its absolute discretion and will be specified in the Offer. The Board shall have discretion to extend a milestone date where the Board (in its sole discretion) considers that unforeseen circumstances or events have caused a delay in achieving the performance condition by the milestone date. The Board shall not be permitted to extend the milestone date beyond the expiry date of the Performance Rights.

If a performance condition of a Performance Right is not achieved by the earlier of the milestone date or the expiry date then the Performance Rights will lapse. A Performance Right will also lapse if the Board determines the participant ceases to be an Eligible Employee or an Eligible Contractor for any reason (other than as a result of retirement, disability, bona fide redundancy or death).

Retirement, Disability, Redundancy, Death or Removal as an Executive Director: Under the Performance Rights Plan, upon the retirement, total and permanent disability, bona fide redundancy, death of a participant or, in the case of Executive Directors who are participants, removal from office as an Executive Director, then in respect of those Performance Rights which have not satisfied the performance condition but have not lapsed, then the participant shall be permitted to continue to hold those Performance Rights as if the participant was still an Eligible Employee.

Forfeiture: If a participant acts fraudulently or dishonestly or is in breach of his or her obligations to the Company, the Board will have the discretion to deem any Performance Rights to have lapsed and deem any Performance Rights that have become Shares to be forfeited. In the event the underlying Shares have been sold by the participant, the participant will be required to pay all or part of the net proceeds of that sale to the Company.

Assignment: Without prior approval of the Board, Performance Rights may not be transferred, assigned or novated, except, upon death, a participant's legal personal representative may elect to be registered as the new holder of such Performance Rights and exercise any rights in respect of them.

Change of Control: All Performance Rights automatically vest if a Change in Control Event occurs in respect of the Shares and/or assets of the Company. A **"Change in Control Event"** means:

- (i) an **"Asset Sale"** which means the announcement by the Company that a sale or transfer (in one transaction or a series of related transactions) of the whole or substantially the whole of the undertaking and business of the Company has been completed; or
- (j) a **"Share Sale"** which means:

- (i) the occurrence of the offeror under a takeover offer in respect of all Shares announcing that it has achieved acceptances in respect of 50.1% or more of the Shares and that takeover bid has become unconditional (except any condition in relation to the cancellation or exercise of the Incentive Options); or
- (ii) the announcement by the Company that shareholders of the Company have, at a Court convened meeting of shareholders, voted in favour, by the necessary majority, of a proposed scheme of arrangement under which all Shares are to be either cancelled or transferred to a third party, and the Court, by order, approves the proposed scheme of arrangement.

Alteration in Share Capital: Appropriate adjustments will be made to the number of Performance Rights in accordance with the Listing Rules in the event of a reconstruction of the share capital of the Company, such as a share consolidation, share split or other reduction of capital.

Pro Rata Issue of Securities: If, during the term of any Performance Rights, the Company makes a pro rata issue of securities to the Company's shareholders by way of a rights issue, the holder thereof shall be entitled to participate in the rights issue on the same terms as the Company's shareholders as if the holder held that number of Shares equal to the number of Shares issuable to the holder if all of the holder's Performance Rights were exercised prior to the record date for determining entitlement under the pro rata issue.

A holder will not be entitled to any adjustment to the number of Shares he or she is entitled to under any Performance Rights or adjustment to any performance condition which is based, in whole or in part, upon the Company's Share price, as a result of the Company undertaking a rights issue.

Bonus Issue: If, during the term of any Performance Rights, the Company completes a bonus issue, the number of Shares each Performance Rights holder is then entitled, shall be increased by that number of securities which the holder would have been issued if the Performance Rights then held by the holder were exercised immediately prior to the record date for the bonus issue.

Participation in other Opportunities: There are no participation rights or entitlements inherent in the Performance Rights though the Company will use its reasonable endeavours to ensure that each holder is given an opportunity to participate on the same basis as if his or her Performance Rights had been exercised.

Termination, Suspension or Amendment: The Board may terminate, suspend or amend the Plan at any time subject to any resolution of the Company required by the Listing Rules.
