Share Cellar is the Group's broad-based Global Employee Share Plan and plan participation is offered annually. Participation is voluntary and employees in select countries are eligible to join the Plan. Share Cellar operates as a matching plan whereby employees contribute funds to the Plan from their after-tax pay and shares are acquired by the Group on their behalf. For employees enrolling in the Plan, the Group will deliver one matched share for every purchased share held at the plan vesting date, subject to continued employment.

Participants are entitled to dividends and to exercise voting rights attached to the shares purchased under the plan, however matched shares do not attract dividends or voting rights until vested (approximately 18 months from the Plan commencement).
