This is annexure "A" of 3 pages referred to in Form 605 "Notice of ceasing to be a substantial holder" dated 18 June 2009

Patrick Chew

Name and ACN/ARSN (if applicable)	Nature of association
Armando Rodrigues	The Parties were associates by virtue of Section 12(2) and/or (3) of the Corporations Act 2001, having requisitioned a meeting of shareholders of the Company to consider resolutions to alter the composition of the Company's board of directors. As the resolutions are no longer to be considered at a meeting of shareholders of the Company, the association between the Parties, which amounted to an aggregate relevant interest in 16.33% of the issued voting shares of the Company, has now ceased and the Parties are no longer acting or proposing to act in concert in relation to the Company's affairs or for the purposes of influencing the composition of the Company's board of directors.

 - (a) any relevant agreement or other circumstances because of which the change in relevant interest occurred. If subsection 671B(4) applies, a copy of any document setting out the terms of any relevant agreement, and a statement by the person giving full and accurate details of any contract, scheme or arrangement, must accompany this form, together with a written statement certifying this contract, scheme or arrangement; and
 - (b) any qualification of the power of a person to exercise, control the exercise of, or influence the exercise of, the voting powers or disposal of the securities to which the relevant interest relates (indicating clearly the particular securities to which the qualification applies).See the definition of "relevant agreement" in section 9 of the Corporations Act 2001.
- (5) Details of the consideration must include any and all benefits, money and other, that any person from whom a relevant interest was acquired has, or may, become entitled to receive in relation to that acquisition. Details must be included even if the benefit is conditional on the happening or not of a contingency. Details must be included of any benefit paid on behalf of the substantial holder or its associate in relation to the acquisitions, even if they are not paid directly to the person from whom the relevant interest was acquired.
