- (a) Subject to these Rules, each Option entitles the Participant, on exercise of the Option, to subscribe for and be issued one Share at the Exercise Price.
- (b) Shares issued on the exercise of Options will rank equally with existing fully paid ordinary shares in the capital of the Company in all respects from the date of issue.

4.2 No shareholder rights

An Option does not confer on the Participant any right or entitlement to:

- (a) attend or vote at meetings of members of the Company;
- (b) any dividends declared by the Company, whether fixed or at the discretion of the directors of the Company;
- (c) a return of capital, whether in winding up, upon a reduction of capital or otherwise; nor
- (d) participate in the surplus profits or assets of the Company upon winding up of the Company,

unless and until the Option is exercised in accordance with these Rules and a Share is allocated to the Participant as a result of the exercise of the Option.

4.3 Exercise of Options

- (a) Subject to the satisfaction of any Relevant Requirements and these Rules, an Option which has not lapsed is exercisable during the Exercise Period by the Participant lodging with the Company secretary, or such other person nominated by the Board for that purpose, an Exercise Notice for a specified number of Options accompanied by the:
 - (i) Exercise Price for the number of Options specified in the Exercise Notice; and
 - (ii) Certificate for those Options.
- (b) Options must be exercised in multiples of 100, unless the Participant exercises all Options able to be exercised at that time.
- (c) The Exercise Notice only becomes effective when the Company has received the full amount of the Exercise Price for the number of Options specified in the Exercise Notice in clear funds.
- (d) An Option may only be exercised during the Exercise Period at any of the following times:
 - (i) in a period specified in the Company's corporate governance policies from time to time or as otherwise approved under such policies; or
 - (ii) at or within such additional or replacement dates or periods as may be determined by the Board and notified to a Participant.
- (e) If, at any time during the Exercise Period, a Relevant Person ceases to be an Employee as a result of Special Circumstances, the Participant may exercise all of their Options in accordance with Rule 4.3(a) within 60 days from the date of cessation (or such long period determined by the Board).
- (f) If, at any time prior to the Last Exercise Date, the Board gives written notice to the Participants that an Event has occurred, Participants may exercise all of their Options in accordance with Rule 4.3(a) within 30 days from the date of such written notice (or such long period determined by the Board).

4.4 Cashless exercise of Options

- (a) At the time that a Participant provides an Exercise Notice pursuant to Rule 4.3(a), a Participant may request in the Exercise Notice that, rather than making a cash payment of the Exercise Price for the number of Options specified in the Exercise Notice (as contemplated under Rule 4.3(a)(i)) (**Aggregate Exercise Price**), it wishes to pay for the Aggregate Exercise Price under Rule 4.4(b).

- (b) Upon a Participant's request under Rule 4.4(a), the Board will determine whether the Participant can pay for the Aggregate Exercise Price by the Company allocating to the Participant a number of Shares that are equal in value to the difference between:
 - (i) the Aggregate Exercise Price; and
 - (ii) the market value (as determined in accordance with Rule 4.4(c)) of the Shares which would otherwise have been allocated to the Participant as at the time of exercise,
 rounded down to the nearest whole Share.
- (c) For the purposes of Rule 4.4(b), the market value of a Share will be, at any given date, the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding that given date, unless otherwise specified in an Invitation.

4.5 Issue of Shares

Within 10 Business Days of the exercise of Options under these Rules, the Company must:

- (a) issue the number of Shares specified in the Exercise Notice;
- (b) deliver a holding statement for the Shares issued;
- (c) cancel the Certificate for the Options being exercised; and
- (d) if a Participant exercises less than all Options represented by a Certificate, issue a new Certificate for the balance.

4.6 Lapse of Options

- (a) An Option will lapse and become unable to be exercised on the earliest of the date that:
 - (i) is the Last Exercise Date;
 - (ii) if Rule 4.3(e) applies, is 60 days from the date of cessation (or such longer period determined by the Board);
 - (iii) if Rule 4.3(f) applies, is 30 days from the date of the written notice (or such longer period determined by the Board);
 - (iv) a Relevant Person ceases to be an Employee at any time before the First Exercise Date, unless Rule 4.3(e) applies;
 - (v) the Board determines that the Relevant Person has, in the Board's opinion:

- (A) committed any act of fraud, theft or gross misconduct in relation to the affairs of an Employing Company (whether or not charged with an offence); or
- (B) brought an Employing Company into disrepute;
- (vi) the Board determines that any Relevant Requirement in respect of the Option cannot be satisfied; and
- (vii) the Board determines that a breach or occurrence of any condition or event contained in the Invitation requires the lapse of the Option.
- (b) Notwithstanding any other Rule, if the Board makes a determination under Rule 4.6(a)(v) and the Participant has exercised an Option but the Company has not issued the Share at that time, the Participant will cease to have any right to be issued the Share.
- (c) If an Option Fee was paid on the grant of an Option to a Participant and the Option lapses, the Board may determine that the Company will refund all or part of the Option Fee to the Participant.

4.7 **Aggregation**

- (a) If Options are exercised simultaneously, the Participant may aggregate the number of Shares or fractions of Shares to which the Participant is entitled to subscribe for under those Options and the total Exercise Price.

4.10 **Reconstruction**

In the event of any reorganisation (including consolidation, sub-division, reduction, capital return, buy back or cancellation) of the issued share capital of the Company, the rights attaching to Options must be changed to comply with the Listing Rules applying to that reorganisation at the time of the reorganisation.

4.11 **New Issue of Shares**

- (a) Participants will not be entitled to participate in any new issue of Shares as a result of holding Options unless they have become entitled to exercise their Options under the Plan and do so prior to the record date for the determination of entitlements to the new issue and participate as a result of being a holder of Shares.
- (b) The Company must give no less than 10 Business Days notice of any new issue of Shares to a Participant before the record date for determining entitlements to the issue in accordance with the Listing Rules, so as to permit the Participant to exercise any Option which, on its terms, may be exercised before the record date.

4.12 **Bonus Issue**

If the Company makes a bonus issue to the holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment), the number of Shares over which an Option is exercisable will be increased by the number of Shares which the Participant would have received if the Option had been exercised prior to the record date for the bonus issue.

4.13 **Rights Issue**

If the Company makes a pro-rata issue to the holders of Shares (other than a bonus issue), the Exercise Price of an Option will be reduced in accordance with the formula contained in the Listing Rules.

4.14 **Adjustments**

- (a) The Board will be entitled to have any calculations or adjustments which are required to be made for the purposes of Options to be made by the auditors of the Company for the time being and such calculations, in the absence of manifest error, will be final and conclusive and binding on the Participant.
- (b) The Company must notify each Participant and the ASX (if applicable) of any adjustments made to the Exercise Price, the number of Options or the number of Shares underlying each Option in accordance with the Listing Rules.

4.15 **Right to reports and notices**

Participants will be sent all notices, reports and accounts sent to members of the Company.

5. **Plan Limits**
