

ASX: VMM MARKET ANNOUNCEMENT

Investor Webinar on Colossus Pre-Feasibility Study Results

ASX Release: 8 July 2025

Viridis Mining and Minerals Limited (ASX: VMM) ('Viridis' or 'Company') is pleased to invite shareholders, investors, and media to a webinar where the Company will present the **Pre-Feasibility Study results** for the Colossus Rare Earth Element Project. This announcement follows the completion of the Pre-Feasibility Study ('PFS'), and the announcement of the PFS results prior to the commencement of trading on Wednesday, 9 July 2025, which, building on the Colossus Scoping Study (ASX announcement on 25 February 2025), confirms Colossus as a globally significant rare earth project with industry-leading economics and an exceptional rare earth oxide ('REO') basket composition.

Date: Wednesday, 9 July 2025

Time: 11.00am (AWST) / 1.00pm (AEDT)

Webinar Link: https://us02web.zoom.us/webinar/register/WN_NGCqkQHGT46D8CY7Bn59-A

Chief Executive Officer Rafael Moreno will host the session, providing an in-depth overview of the Pre-Feasibility Study findings, including key highlights of the Colossus Project's development potential as a world-leading source of critical rare earth elements. The presentation will be followed by an interactive Q&A session, allowing participants to address their questions directly to the management team.
