Dear Anjuil

REQUEST FOR TRADING HALT

Pursuant to ASX Listing Rule 17.1, Astro Resources NL (the **Company,** ASX**:ARO**) requests an immediate trading halt of its securities.

The reason for the trading halt is the pending release of an announcement regarding the results of a Scoping Study conducted on its 100% owned Governor Broome Mineral Sands project located in Western Australia.

The Company expects that the necessary approvals as outlined should be received by no later than Tuesday 17 April 2018.

The Company is not aware of any reason why the trading halt should not be granted nor of any other information necessary to inform the market regarding the trading halt.

Yours sincerely

Vince Fayad
Company Secretary and Director
