Ventia awarded contract extensions with Yarra Valley Water

Ventia has been awarded contract extensions by Yarra Valley Water to continue delivery of preventative and emergency maintenance across its water network.

The contract extensions include a two-year extension to the north and south civil maintenance contracts and a one-year extension to the mechanical and electrical maintenance contract. The extensions were provided for in the original contract subject to performance.

The base value of the extensions is in excess of \$100 million across the two years.

Ventia first commenced work for Yarra Valley Water in 2015. In 2021, Ventia received a three-year extension. The newly extended contracts awarded today will run from 2024.

Yarra Valley Water is the largest of Melbourne's three retail water businesses and provides water supply and sanitation services to over 2 million people who live and work in the northern and eastern suburbs of Melbourne.

Yarra Valley Managing Director Pat McCafferty said he was pleased to see the contract extensions with Ventia.

"We are thrilled to extend our partnership with Ventia to deliver essential preventative and emergency maintenance across our network," said Mr McCafferty. "They've proven themselves to be a strong partner with high standards of service delivery, customer service and products."

Ventia Group Executive Infrastructure Services Tim Harwood said that our team has been recognised for delivering a strong performance and working as a true strategic partner.

"Over the course of the relationship, our team has focused on delivering excellence every single day, including helping to solve challenges and drive efficiencies that benefit both parties," Mr Harwood said.

"I'm excited to continue to work closely with Yarra Valley Water, as we focus on achieving the best results for the community and driving our sustainability agenda."
