DIRECTOR APPOINTMENT

Euraust is pleased to announce the appointment of Mr John Pritchett as a non-executive director of the company.

Mr Pritchett has recently completed five years as an investment advisor and stockbroker with a major stock broking firm. Prior to this Mr Pritchett was the managing director of several companies involved in information technology and telecommunications industries, including the start-up and successful commercialization of a major telecommunications brand.

Mr Pritchett brings to the board valuable experience and skills to complement the management team.
