Dear MHM Shareholder

Superior Off-Market Takeover Bid for MHM by the Bidder

I am pleased to provide you with this unconditional (other than in respect of a "prescribed occurrences" condition¹) Offer to acquire all of Your MHM Shares for \$0.0435 cash per MHM Share.

The Bidder considers that the Offer is attractive to MHM Shareholders and is superior to the Existing Offer as it is **almost 9% higher and is otherwise on the same terms**. The Offer Price of \$0.0435 per MHM Share, in cash, represents a premium of:²

- 8.75% above the Existing Offer;
- 24.29% to \$0.035, the closing price of MHM Shares on the ASX on 12 July 2016;
- 38.1% to \$0.0315, the 1 month volume weighted average price (**VWAP**) of MHM Shares;
- 35.51% to \$0.0321, the 3 month VWAP of MHM Shares;
- 40.32% to \$0.0310, the 6 month VWAP of MHM Shares; and
- 70.59% to \$0.0255, the 12 month VWAP of MHM Shares.

The Offer is open for acceptance until 7.00pm (AEDT) on 7 April 2017, unless extended or withdrawn in accordance with the Corporations Act. To accept the Offer, please follow the instructions set out in Section 1.2 and on the enclosed Acceptance Form.

I encourage you to strongly consider the Offer. As MHM shareholders are aware, MHM is currently suspended from trading as it has no main undertaking. As shown above, the Offer is very financially attractive; additionally, it is an easy way for shareholders to liquidate their investment which they would otherwise be unable to easily do as a result of this suspension.

Should shareholders not accept the Offer, they are likely to be subject to a dilution of their shareholding should MHM find a main undertaking and prior to acquiring this main undertaking, suffer a decline in the value of MHM due to a reduction in MHM's cash reserves. For further information on the reasons to accept the Offer please see pages 8 and 9 of this Bidder's Statement and Section 4 for risks in not accepting the Offer.

If you require additional assistance, please contact your Broker or financial advisor.

Yours sincerely

Kuek Jin (Cameron) Low
Director

¹ These include MHM splitting or consolidating its shares, MHM or a subsidiary buying-back or reducing its capital, MHM or a subsidiary issuing securities, MHM or a subsidiary disposing of the whole or a substantial part of its business or property, or the occurrence of insolvency events in respect of MHM or a subsidiary. See further the Frequently Asked Questions and Section 10.8 of this Bidder's Statement.

² The premium is based on the last price at which MHM Shares traded on-market on the ASX up to and including 12 July 2016, the last day on which MHM Shares were traded prior to suspension from quotation of MHM Shares.

Summary of the Offer

This summary provides an overview of the Offer and is qualified by the detailed information contained in this Bidder's Statement. You should read this Bidder's Statement in full before deciding whether or not to accept the Offer.

The Bidder

The Bidder is Cadmon Ventures Pty Ltd.

As at the date of this Bidder's Statement, the Bidder does not have any interest in any MHM Shares.

Section 2 of this Bidder's Statement contains further information on the Bidder.

Offer

The Offer consideration is \$0.0435 cash for every MHM Share acquired by the Bidder pursuant to the Offer. The Bidder is offering to acquire all of Your MHM Shares by way of an off-market takeover bid under Chapter 6 of the Corporations Act.

The Offer relates to all MHM Shares on issue on the Relevant Date which the Bidder does not already own.

Conditions to Offer

Apart from an increased Offer Price, the Offer is subject to the same conditions as the Existing Offer, being that there are no "prescribed occurrences" – these include MHM splitting or consolidating its shares, MHM or a subsidiary buying-back or reducing its capital, MHM or a subsidiary issuing securities, MHM or a subsidiary disposing of the whole or a substantial part of its business or property, or the occurrence of insolvency events in respect of MHM or a subsidiary. See further the Frequently Asked Questions and Section 10.8 of this Bidder's Statement.

Offer Period

The Offer closes at 7.00pm (AEDT) on 7 April 2017, unless it is extended or withdrawn by the Bidder in accordance with the Corporations Act.

How to Accept and Payment Date

To accept the Offer you should follow the instructions set out in Section 1.2 and on the Acceptance Form. Your acceptance must be received before the Offer Period ends.

If you accept the Offer and the Offer becomes unconditional, the Bidder will pay you the consideration under the Offer by the later of:

- (a) 1 month after receipt of your valid acceptance; or
- (b) 1 month after the Offer becomes unconditional,

but in any event (assuming the Offer becomes or is determined unconditional), no later than the date 21 days after the end of the Offer Period.

Why you should accept the Bidder's Offer

1. You will receive an attractive cash price for Your MHM Shares

The Offer is \$0.0435 cash per MHM Share (**Offer Price**) and is for all of the MHM Shares.

MHM shares have been suspended from trading by ASX since 14 July 2016. On 23 December 2016, MHM announced that ASX had confirmed MHM shares would remain suspended from trading until MHM re-complies with Chapters 1 and 2 of the ASX listing rules.

The Offer Price represents a 24.29% premium to \$0.035, the last price at which MHM Shares traded on ASX prior to its suspension on 14 July 2016.

The Offer Price is 11.54% above the twelve month high closing price. In the twelve months prior to the suspension of trading of MHM shares by ASX, the highest closing price was \$0.039 per share on 6 May 2016. MHM shares have not traded above the Offer Price since 12 February 2014.

The Bidder considers that the Offer is attractive to MHM's Shareholders, as it represents a premium of:³

- (a) 8.75% to the Existing Offer Price of \$0.04;
- (b) 24.29% to \$0.035, the last closing price of MHM Shares on the ASX prior to its suspension on 14 July 2016;
- (c) 38.1% to \$0.0315, the 1 month VWAP of MHM Shares;
- (d) 35.51% to \$0.0321, the 3 month VWAP of MHM Shares;
- (e) 40.32% to \$0.031, the 6 month VWAP of MHM Shares; and
- (f) 70.59% to \$0.0255, the 12 month VWAP of MHM Shares.

Figure 1: Offer premium

³ The premium is based on the last price at which MHM Shares traded on-market on the ASX up to and including 12 July 2016, the last day on which MHM Shares were traded prior to suspension from quotation of MHM Shares.

2. Cash certainty

The certainty of receiving \$0.0435 cash per MHM Share should be considered against the risks and uncertainties of remaining an MHM Shareholder, including the uncertainty of MHM's ability to re-comply with Chapters 1 and 2 of the ASX Listing Rules and return to normal trading on ASX.

Further, there are risks specific to the process of re-complying with Chapters 1 and 2 of the ASX Listing Rules. These include the fact that:

- (a) MHM shareholders face the prospect of their shareholding being diluted if MHM acquires a new business in its attempts to return to normal trading on ASX; and
- (b) any such new business may not provide the expected returns from that acquisition.

Additionally, should the Offer be rejected, MHM's cash reserves will continue to decrease as a result of its operating costs and the costs involved in looking for alternative investments; this decrease in cash reserves may in turn lead to a reduction in MHM's value.

3. The Offer provides certainty of value for all of Your MHM Shares

The Offer is an offer to acquire all of your MHM Shares for cash.

While MHM Shares remain suspended from trading, there is no readily available market for your shares.

4. Liquidity of MHM Shares

MHM Shares have been suspended from trading by ASX since 14 July 2016. On 23 December 2016, MHM announced that MHM shares would remain suspended from trading until MHM re-complies with Chapters 1 and 2 of the Listing Rules. The Offer allows MHM Shareholders to sell all of their MHM Shares in circumstances where MHM Shares are otherwise illiquid.

While MHM Shares remain suspended from trading, MHM Shareholders have limited or no opportunity to dispose of their MHM Shares.

Further, even if MHM returns to trading on the ASX, in addition to having their shareholdings diluted, MHM shareholders may not be able to liquidate their shares due to a low level of liquidity that existed in MHM shares prior to its suspension; in the 12 month period up to 12 July 2016 (being the date of the last trade), the average daily value of MHM Shares traded on ASX was only \$2,143.

5. No brokerage charges in accepting the Bidder's Offer

In addition to selling Your MHM Shares a premium, you will not incur any brokerage charges on the transfer of Your MHM Shares to the Bidder pursuant to the Offer.

3. INFORMATION ON MHM

3.1 Overview of MHM

As announced on 21 and 23 December 2016, MHM has disposed of its main undertaking, and as a result has been suspended from trading by ASX. ASX has advised that MHM will remain suspended from trading until it re-complies with Chapters 1 and 2 of ASX Listing Rules.

In order to re-comply with Chapters 1 and 2 of ASX Listing Rules, MHM will need to find a new main undertaking, have this approved by MHM shareholders and comply with other ASX requirements; such an acquisition is likely to dilute existing shareholders.

In its quarterly activities report for the period ending 31 December 2016, MHM noted that it will continue to advance a number of potential opportunities it has identified however it is yet to identify a new opportunity which it believes will satisfy the requirements of Chapters 1 and 2 of ASX Listing Rules; as such the timing (and cost) for such an acquisition is uncertain and in the meantime the cash reserves of MHM may continue to be depleted.

Please refer to MHM's announcements on the ASX and the Target's Statement (to be lodged by MHM) for further information.

3.2 MHM Directors

As at the date of this Bidder's Statement, the MHM Directors are:

3.4 ASX announcements and ASIC disclosure

MHM is a disclosing entity for the purposes of section 111AC(1) of the Corporations Act and as such, is subject to regular reporting and disclosure obligations. Broadly, these obligations require MHM to:

- (a) prepare and lodge with ASIC both yearly and half-yearly financial statements accompanied by a directors' statement and report and an audit or review report; and
- (b) immediately notify the ASX of any information concerning MHM of which it is, or becomes, aware and which a reasonable person would expect to have a material effect on the price or value of securities in MHM, subject to certain limited exceptions related mainly to confidential information.

Copies of documents lodged at ASIC in relation to MHM may be obtained from or inspected at an office of ASIC. Copies of documents lodged with the ASX in relation to the Company may be obtained from, or inspected at, an office of the ASX.

4. RISK FACTORS WITH NOT ACCEPTING THE OFFER

Shareholders that do not accept the Offer will be subject to various risks associated with holding Shares in MHM. These risks include those set out below.

4.1 Inability to trade MHM Shares on ASX

As MHM's shares are currently suspended from trading on the ASX, the only way that a MHM Shareholder can trade their shares is by an off-market trade. Such a trade would be by way of private treaty which would involve the shareholder finding a willing purchaser of their MHM shares and negotiating an appropriate price.

4.2 Acquisition of a main undertaking

As mentioned previously in the Bidder's Statement, the ASX has stated that MHM's Shares will not be reinstated to trading until it acquires a main undertaking and recompiles with Chapters 1 and 2 of the Listing Rules; the Bidder is unaware of how long and how much it will cost MHM to satisfy these requirements.

Further, should MHM re-comply with the Chapters 1 and 2 of the Listing Rules, in addition to having their shareholding diluted the new acquisition may not align with the investment goals of MHM Shareholders.

4.3 Exposure to risks of being a MHM Shareholder

MHM Shareholders are currently exposed to various risks in holding MHM Shares. These relate to general market conditions such as inflation, interest rates, exchange rate changes and consumer volatility.

MHM Shareholders will continue to be exposed to these (and other) risks should they not accept the offer and choose to remain MHM Shareholders.

4.4 Potential Reduced Liquidity

As mentioned on page 9, the liquidity of MHM Shares was low before MHM's Shares were suspended from trading; if MHM's Shares are able to be traded on the ASX, the liquidity for these shares may be further reduced should the Bidder have a large holding.

The size of this holding may also deter other potential bidders to launch takeover bids as it could be seen as a "blocking stake".

4.5 Effect on control of MHM

Should the Bidder obtain control of MHM, if you remain a MHM Shareholder you will be subject to any decision made by the Bidder in relation to the affairs of MHM. Such decisions may not align with the investment goals of MHM Shareholders and at this stage trading in MHM's Shares may have a low level of liquidity.

5. THE BIDDER'S INTENTIONS

5.1 Overview

This Section sets out the Bidder's intentions in relation to the following:

- (a) the continuation of the business of MHM;
- (b) any major changes to be made to the business of MHM, including any redeployment of any fixed assets of MHM;
- (c) changes to the MHM Board; and
- (d) the future employment of the present employees of MHM.

These intentions are based on the information concerning MHM, its business and the general business environment which is known to the Bidder at the time of preparation of this Bidder's Statement, which is based on publicly available information. Final decisions will only be reached by the Bidder in light of material information and circumstances at the relevant time. Accordingly, the statements set out in this clause are statements of current intention only and accordingly may vary as new information becomes available or circumstances change.

The Bidder has not had access to the MHM business, its records, management or other internal MHM resources. The limited information about MHM available to the Bidder means that the Bidder does not currently have knowledge of all material information, facts and circumstances that may be necessary to assess the operational, commercial, taxation and financial implications of its current intentions.

Accordingly,

- (a) to the extent possible the Bidder intends to undertake a detailed, strategic review of MHM's activities, assets and liabilities which will guide what the Bidder will do in relation to points 5.1 (a) to 5.1 (d) above; and
- (b) statements set out in this Section are statements of current intention only and may vary as new information becomes available or circumstances change as a result of this strategic review or otherwise. Final decisions will only be reached in light of all material facts and circumstances. The statements in this Section should be read in this context.

Until this review is complete, the Bidder is unlikely to make any decisions on the future direction of MHM, including any main undertaking to be acquired or whether to make a decision on whether to retain or dispose of assets held by MHM.

5.2 Limitations on intentions

The extent to which the Bidder will be able to implement its intentions in relation to MHM will be subject to:

- the outcome of the Offer and the size of the Bidder's shareholding at that time;
- the Corporations Act and the Listing Rules;

- the legal obligations of the directors and officers of MHM, including to act honestly, for proper purposes and in the best interests of MHM Shareholders; and
- the results of any strategic review that is undertaken by the Bidder.

5.3 If the Bidder acquires between 50.1% but less than 90% of MHM Shares

The Bidder's intention is to obtain control of MHM as a result of the Offer.

This Section sets out the current intentions of the Bidder if the Bidder acquires a relevant interest in 50.1% or more, but less than 90%, of MHM Shares.

(a) Continuation of business and review of operations and assets

(i) ASX listing

The Bidder may seek to procure the removal of MHM from the Official List of ASX, which will depend on whether the Bidder secures control of MHM, as well as the spread and volume of MHM Shareholders remaining at the conclusion of the Offer. If the Bidder applies to have MHM removed from the Official List of ASX, the Bidder expects that a final decision as to its removal will ultimately be made by ASX in accordance with published ASX guidance on this point. ASX has stated in published guidance that it is generally acceptable for an entity to be removed from the Official List of ASX if, as a result of a takeover, the entity only has a small number of remaining security holders so its continued listing can no longer be justified.

Whilst ASX does not prescribe a minimum shareholding that the bidder must have, or a maximum number of remaining shareholders, before it will allow a delisting to occur, the ASX's published guidance states that it will likely require shareholder approval for the proposed delisting unless (most relevantly):

- the bidder and its related bodies corporate own or control at least 75% of the entity's ordinary securities; and
- excluding the bidder and its related bodies corporate, the number of holders of ordinary securities having holdings with a value of at least \$500 is fewer than 150.

(ii) Further acquisition or disposal of MHM Shares by the Bidder

The Bidder may, at some later time, acquire further MHM Shares in any manner permitted by the Corporations Act, including by making creeping acquisitions (as permitted under section 611, item 9 of the Corporations Act), or it may divest of some or all of its shareholding. In particular if the Bidder does not obtain a relevant interest in 90% or more of the MHM Shares under the Offer, it may determine that its holding of MHM Shares is not a long term investment and accordingly may seek to explore options in relation to its holding including a divestment of some or all of its MHM Shares. Any decisions in relation to these matters will have regard to all relevant considerations at that time.

(iii) **Compulsory acquisition at a later time**

If the Bidder becomes entitled at some later time to exercise any compulsory acquisition rights under the Corporations Act, it may exercise those rights.

(b) **Board composition**

Subject to the Corporations Act and the Listing Rules, the Bidder will look to replace the existing MHM board with its own nominees.

(c) **Employees**

The Bidder is not aware of any persons currently employed by MHM. However, if this is incorrect it will consider its position in relation to these following the results of the strategic review.

5.4 If the Bidder acquires 90% or more of MHM Shares

This Section sets out the current intentions of the Bidder if the Bidder acquires a relevant interest in 90% or more of MHM Shares.

(a) **Continuation of business and review of operations and assets**

The Bidder intends to implement those intentions set out in Section 5.3 to the fullest extent possible.

(b) **Compulsory acquisition**

If it becomes entitled to do so under the Corporations Act, the Bidder intends to give notices to compulsorily acquire any outstanding MHM Shares in accordance with section 661B of the Corporations Act.

If it is required to do so under sections 662A and 663A of the Corporations Act, the Bidder intends to give notices to Shareholders offering to acquire their MHM Shares, in accordance with sections 662B and 663C of the Corporations Act.

(c) **ASX listing**

The Bidder may also seek to procure the removal of MHM from the Official List of ASX as described in Section 5.3(a)(i) above.

5.5 If the Bidder acquires less than 50.1% of MHM Shares

This Section sets out the current intentions of the Bidder if the Bidder acquires a relevant interest in less than 50.1% of MHM Shares.

If the Bidder acquires less than 50.1% of all MHM Shares by way of this Offer, it intends to seek representation on the MHM Board commensurate to its shareholding with a view to gaining a more detailed understanding of the corporate structure, strategies, governance, assets, businesses, personnel and operations of MHM.

The Bidder intends to reassess its position with respect to MHM in light of the outcome of the Offer and the Bidder's position at that time, which may include seeking the implementation of certain of its intentions as outlined in Section 5.3 of this Bidder's Statement, including acquiring further MHM Shares in any manner permitted by the Corporations Act, including by making creeping acquisitions (as permitted under section 611, item 9 of the Corporations Act), or divesting some or all of its shareholding. Any such implementation of the Bidder's intentions would be subject to the Corporations Act and may rely on the cooperation of other MHM Shareholders or MHM Directors who have not been appointed by the Bidder (which is uncertain).

5.6 Other intentions

Other than as set out in this Section, it is the present intention of the Bidder to undertake a strategic review of MHM and subject to the results of this review, to continue to divest any assets that it feels to be surplus to what it sees as the future direction of the Company.

6. INFORMATION ON MHM SECURITIES

6.1 Capital structure of MHM

The Bidder understands that the total number of securities in MHM as at the date of this Bidder's Statement is as follows:

- (a) 136,228,616 ordinary MHM Shares; and
- (b) Options:
 - (i) 100,000 with an exercise price of \$0.45 and expiring on 13 November 2017; and
 - (ii) 500,000 with an exercise price of \$1.00 and expiring on 18 July 2017.

6.2 Details of relevant interests in MHM securities and voting power

As at the date of this Bidder's Statement, the Bidder has no relevant interest or voting power in MHM.

6.3 Consideration provided for MHM securities during previous four months

Neither the Bidder nor its Associates have acquired any MHM Shares or MHM Options during the period of four months ending on the day immediately before the date of this Bidder's Statement.

Neither the Bidder nor its Associates have disposed of any MHM Shares or MHM Options during the period of four months ending on the day immediately before the date of this Bidder's Statement.

6.4 Inducing benefits given during the previous four months

Other than as set out in Section 6.3 above, neither the Bidder nor any of its Associates has, during the period of four months ending on the day immediately before the date of the Offer, given, offered or agreed to give, a benefit to another person where the benefit was likely to induce the other person, or an Associate, to:

- (a) accept the Offer; or

(b) dispose of MHM Shares,

which benefit was not offered to all MHM Shareholders under the Offer.

7. FUNDING

7.1 Maximum Cash Consideration

The consideration for the acquisition of the MHM Shares to which the Offer relates will be satisfied by the payment by the Bidder of cash (in Australian dollars). The maximum cash amount which may be required by the Bidder to settle acceptances under the Offer is \$5,925,945 (**Maximum Cash Consideration**). The Maximum Cash Consideration is calculated on the basis of acceptances in respect of 136,228,616 MHM Shares.

7.2 The Bidder's internal funding arrangements

The Bidder has received an unconditional underwriting confirmation from a Hong Kong based funds manager which guarantees payment of the Maximum Cash Consideration (**Agreement**).

Under the terms of this Agreement, the funder agrees to unconditionally underwrite the Maximum Cash Consideration on a confidential basis. The underwriting has no conditions and no underwriting fee is payable for the underwriting.

The funder does not hold any shares in MHM.

For the purposes of this Bidder's Statement the Bidder has obtained from Jeffrey Thomas & Partners (**JTP**) a certificate confirming that JTP is satisfied that the underwriter has sufficient financial capacity and liquid funds and is able to satisfy its commitments under the Agreement so that the Bidder is able to pay the Maximum Cash Consideration (if required to do so).

7.3 Payment of cash consideration

Having regard to the matters set out above, the Bidder is of the opinion that it has a reasonable basis for forming, and it holds, the view that it will be able to pay the Maximum Cash Consideration required for the acquisition of MHM Shares pursuant to the Offer.

The Offer is not subject to any financing conditions.

8. AUSTRALIAN TAX CONSIDERATIONS

8.1 Introduction

The following is a general description of the principal Australian tax consequences for the registered holders of MHM Shares upon the disposal of their shareholding to the Bidder pursuant to this Offer.

The following description is intended as a general guide to the Australian tax considerations and is based upon the law in effect at the date of this Bidder's Statement. It is not intended to be an authoritative or complete statement of the law applicable to the particular circumstances of every registered holder of MHM Shares, and is not intended to be advice and should not be relied on as such. In particular, the registered holders of MHM Shares should be aware that the levels and bases of taxation can change and that where reference is made to tax concessions, this is to tax concessions as currently applying. It is recommended that registered holders seek independent professional advice in relation to their own particular circumstances and should not rely upon the comments contained in this general description.

Any persons who may be subject to tax in any jurisdiction outside Australia should obtain independent professional advice on their particular circumstances.

The Australian tax implications outlined below are relevant to registered holders who hold their MHM Shares as capital assets for the purposes of investment and who do not hold their MHM Shares as trading stock, as part of a profit-making undertaking or scheme, under an arrangement which qualifies as an employee share or rights plan for Australian tax purposes, or otherwise on revenue account. This Section in particular does not address the tax considerations applicable to persons holding options, or registered holders that may be subject to special rules, such as banks, insurance companies, tax exempt organisations, trusts, superannuation funds, dealers in securities or registered holders who change their tax residence while holding MHM Shares. It also does not consider the Australian tax considerations for registered shareholders who are non-residents for Australian tax purposes or who hold their MHM Shares as an asset of a permanent establishment in Australia.

8.2 Capital gains tax (CGT) implications CGT event

For CGT purposes, a 'CGT event' will occur when you dispose of Your MHM Shares to the Bidder. Generally, your disposal should be taken to occur on the date that the Offer contract to dispose of Your MHM Shares is formed. However, if you do not accept the Offer and Your MHM Shares are compulsorily acquired, your disposal should take place on the date that the Bidder becomes the owner of Your MHM Shares.

Determining your capital gain or loss

Broadly, any capital gain or loss from the CGT event will be determined by comparing the total consideration that you receive for Your MHM Shares with the CGT cost base (in the case of a capital gain) or reduced cost base (in the case of a capital loss) of Your MHM Shares.

The cost base or reduced cost base of Your MHM Shares should broadly equal the money you paid or were required to pay to acquire Your MHM Shares plus any non-deductible incidental costs incurred in acquiring and disposing of the MHM Shares (for example, brokerage) less any capital returns received during the duration of holding Your MHM Shares.

You will make a capital gain from the disposal of Your MHM Shares to the Bidder to the extent that the consideration that you received for Your MHM Shares exceeds the cost base of Your MHM Shares.

Conversely, you will make a capital loss to the extent that the reduced cost base of Your MHM Shares exceeds the consideration that you received for Your MHM Shares.

The tax treatment of your capital gain or capital loss arising from the disposal of Your MHM Shares depends on whether or not you are an Australian resident for taxation purposes and whether you hold Your MHM Shares as an individual, trustee of a trust, complying superannuation fund or company.

(a) Australian residents

You may be entitled to the CGT discount if:

- (i) you are an Australian resident individual, trust or complying superannuation fund;

- (ii) you have held Your MHM Shares for at least 12 months (excluding the days of acquisition and disposal); and
- (iii) you make a capital gain from the disposal of Your MHM Shares.

The CGT discount may result in your capital gain being reduced by the 'discount percentage', being:

- (i) 50%, if you are an individual or a trust; or
- (ii) 33⅓%, if you are a complying superannuation fund.

No CGT discount is available for companies.

If you make a capital gain from the disposal of Your MHM Shares, that capital gain will be combined with any other capital gains that you have made for the income year. Any available capital losses will then be applied against the total of the capital gains (before applying any CGT discount) that you have made in the current income year. Any remaining discount capital gains are then reduced by your discount percentage. Any resulting net capital gain will be included in your assessable income for the income year.

If you make a capital loss from the disposal of Your MHM Shares, that capital loss may only be offset against your assessable capital gains (before taking into account the CGT discount, if applicable) for the current income year. Any excess capital losses will be carried forward and may be applied against your future assessable capital gains (before taking into account the CGT discount, if applicable) if any relevant loss carry forward requirements are met.

(b) **Non-Australian residents**

The disposal of Your MHM Shares may be subject to Australian CGT if:

- (i) you and your Associates held 10% or more of the shares in MHM:
 - (A) at the time of disposal; or
 - (B) throughout a 12 month period that began no earlier than 24 months before the date of disposal; and
- (ii) the market value of MHM's assets that are 'taxable Australian real property' (generally, real property in Australia, or mining, quarrying or prospecting rights, where the minerals, petroleum or quarry materials are in Australia) is greater than the market value of MHM's assets that are not taxable Australian real property.

If you are a non-Australian tax resident, it is recommended that you obtain your own independent professional advice as to the Australian tax consequences arising from the disposal of Your MHM Shares.

8.3 Australian stamp duty and the goods and services tax (GST)

No Australian stamp duty or GST is payable by you on the sale of Your MHM Shares to the Bidder pursuant to the Offer.

You may be charged GST on incidental costs (for example, advisory fees) incurred in acquiring and disposing of Your MHM Shares. You may be entitled to input tax credits or reduced input tax credits for such costs, but should seek independent professional advice in relation to your own particular circumstances.

- (d) Where the Acceptance Form or any subsequent request from the Bidder requires additional documents to be given with your acceptance (such as a certified copy of any of a power of attorney, grant of probate or letters of administration, or any other document requested by the Bidder to give better effect to your acceptance):
