

S8 LIMITED ASX & MEDIA RELEASE

8 June 2006

S8 - WEBJET

Queensland-based travel company S8 Limited has today exercised its 56 million options in Webjet at a 15% discount to the 10 day volume weighted average price and sold the shares by way of an institution placement.

S8's managing director, Chris Scott said 'he has an excellent business relationship with Webjet, through its managing director David Clarke, which will continue.'

S8 has continuing contractual relationships with Webjet which includes a specific operating license to part of the Webjet technology relating to the internet booking engine called the Travel Service Aggregator (TSA).
