--

Webjet today announced that it has entered into an internet distribution deal covering S8 Limited's properties throughout Australia.

Commenting, Webjet's Managing Director, David Clarke, said:

We are delighted that our ongoing relationship with S8 is now taking a substantial form and with our major domestic market footprint on the internet, we are delighted to be able to extend our product offering to include the exceptional range of S8 properties. The target release date will be around September/October on completion of technical linking arrangements.

Commenting further, David Clarke said:

This is part of Webjet's evolving strategy for a deeper involvement in hotel distribution in Australia, capitalising on the arrangements already entered into with Travelport and other suppliers.
