

## WEBJET APPOINTS NEW CHIEF FINANCIAL OFFICER

Webjet today has announced the appointment of Mr Rod Brandenburg as Chief Financial Officer with effect from 9 July 2007.

Rod has an extensive international and Australian background in financial control and management, is a registered tax agent, has completed (with distinction) the CPA program and holds a Bachelor of Commerce degree (UWA).

Our present Chief Financial Officer, Peter O'Sullivan, will be relocating back to the UK later this year for personal reasons and will be assisting Rod in his transition into his new role with Webjet. Peter will continue to hold the position of Company Secretary until his departure to the UK in late 2007.

We are delighted to have attracted an applicant of Rod's calibre and would also particularly like to acknowledge Peter O'Sullivan's extraordinary contribution to our development.
