As outlined at Webjet's half year briefing to the market, Webjet is pleased to announce today a material extension of its Australian business with the launch of Webjet Exclusives; providing members with exclusive travel deals that are not available elsewhere.

Webjet Exclusives offers directly-contracted travel products including hotels, resorts, land & air packages, tours & cruises. The Webjet Exclusives site offers these deals across key domestic and international holiday destinations, appealing to a wide range of consumers. The exclusive deals often provide valuable inclusions at no extra cost.

One of the key differentiators from other deal sites is that all offers featured on Webjet Exclusives are exclusively created, negotiated with suppliers and are not available on other websites.

Each Webjet Exclusives purchase comes with a powerful and unique 21 Day 'No Questions Asked Money-Back Guarantee' - customers can request a refund for any reason within 21 days of their purchase

Webjet's new business venture is led by seasoned travel executive Paul Ryan, who brings with him a wealth of experience from previous managerial roles across the travel industry.
