Notification of Net Tangible Assets

We hereby provide notification of Whitefield's net tangible asset backing per ordinary share as at the close of the last month.

Net Tangible Asset Backing per Ordinary Share	
Month End:	30 th April 2003
Gross Tangible Asset Backing (prior to deferred capital gains tax)	\$3.10
Less Deferred Capital Gains Tax	(\$0.11)
Net Tangible Asset Backing	\$2.99

Net tangible asset backing includes investments at current market value less associated selling costs and capital gains tax (at 30%) which would be payable on realisation of the investments. The Net tangible asset backing does not include an adjustment for the year end dividend.
