

WHITEFIELD

Share Issue Price for Dividend Reinvestment Plan (DRP)

Whitefield advises that the share issue price for shares under its Dividend Reinvestment Plan which operates in conjunction with the half year dividend will be \$4.09.

Share Issue Price for Share Purchase Plan (SPP)

Whitefield also advises that the issue price for shares under its Share Purchase Plan which is being offered to ordinary shareholders on the register of the company as at 8 November 2006 will be \$4.09.

Details of the operation of the SPP will be provided in Entitlement and Acceptance Forms and a statement of SPP Terms and Conditions which will be issued to shareholders along with the interim dividend to be paid on 13th November 2006.

The closing date for SPP acceptances will be 5.00pm on 4th December 2006.
