Ostow Limited – Directors’ Report

Directors’ Report

The Directors present their report, together with the financial statements, on the consolidated entity (**Group**) consisting of Ostow Limited (**Company**) and the entities it controlled at the end of, or during, the year ended 30 June 2025.

Principal Activities

During the reporting year, the Group’s principal continuing activity consisted of providing flexible workspace, offering everything from a single desk to larger spaces to anyone from start-ups to small-to-medium enterprises to large corporate teams.

Environmental Regulation

The Group’s operations are not regulated by any environmental regulation under a law of the Commonwealth or of a State or a Territory other than those that pertain to the ownership and development of real estate.

Indemnities of Officers

During the financial year, the Group paid premiums to insure each of the Directors named in this report, along with officers of the Group, against all liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of Director or officer of the Group, other than conduct involving a wilful breach of duty. No indemnities have been given, or insurance premiums paid, during or since the end of the financial year for any person who is or has been an auditor to the Group.

Rounding of Amounts

The Company is of a kind referred to in ASIC Legislative Instrument 2016/191, and in accordance with that legislative instrument amounts in the Directors’ Report and the financial statements are rounded off to the nearest thousand dollars, unless otherwise indicated.

Risks

The Company has identified a number of material business risks including inflation, lease obligations and employee recruitment and retention, among others. These risks are subject to continuous assessment and review. The key business risks impacting the Company, and how such risks are managed, are outlined in WOTSO Group’s 2025 Financial Report, which can be found at <https://wotso.com/investors-information/>.

Contribution Margin

Statutory profit has been impacted by non-cash accounting transactions such as depreciation, amortisation and the application of Australian Accounting Standards Board (**AASB**) 16 accounting for leases. The following table isolates these figures to calculate contribution margin, providing a clearer view of the Group’s underlying operating performance, before fund management fees and overheads.

	2025 \$’000	2024 \$’000
Profit or Loss		
Flexspace income	32,751	30,157
Total Revenue	32,751	30,157
Rent expense – related parties	(7,684)	(8,205)
Rent expense – third parties	(8,872)	(6,542)
Operating expenses	(8,975)	(6,522)
WOTSO location staff costs	(4,559)	(3,800)
Total Operating Expenses	(30,090)	(25,069)
Contribution Margin	2,661	5,088
Neutral Bay lease variation fee	-	4,900
Other income	5,295	2,500
Distributions income	263	1,070
Interest income	210	1,173
Other net remeasurement (loss) / gain	(500)	314
Amortisation	(837)	(438)
Impact of AASB 16	(1,531)	(526)
Loss on disposal of asset	(238)	(3,684)
Depreciation – fitout	(3,955)	(4,139)
Overhead and administration costs	(7,557)	(5,574)
Statutory (Loss) / Profit Before Income Tax	(6,189)	684

WOTSO FlexSpace Business Valuation

The value created through the growth of our flexspace business does not translate easily to our balance sheet, nor does it tell the full story for the value of that portion of our business. Consequently, the Company has refreshed its valuation of the flexspace business with the aim of providing a more accurate representation of the business’ value and growth trajectory. Following this assessment, the flexspace business has been attributed an indicative value of approximately \$92 million.

Ostow Limited – Notes to the Financial Statements

1. Segment Reporting

Identification of reportable operating segments:

The Company operates in three business segments, being flexspace, investments and corporate. This is based on the internal reports that are reviewed and used by the Directors (who are identified as the Chief Operating Decision Makers (**CODM**)) in assessing performance and in determining the allocation of resources. There is no aggregation of operating segments.

Ostow Limited – Notes to the Financial Statements

2. Cash Flow Management

At year end, the Balance Sheet reflected that current liabilities exceeded current assets by \$10.8 million (2024 - \$9.3 million), and the Group reported a net liability position of \$7.5 million (2024 - \$1.3 million).

This net current liability position is mainly due to lease payments and make-good provisions totaling \$11.0 million (2024 - \$8.5 million) falling due within the next 12 months. Under accounting standards, the associated leased assets cannot be classified as current assets, though they would largely offset this shortfall. During the year, the Group renewed leases for its WOTSO locations in Zetland and Penrith. In addition, the Group is currently in discussions to renew the lease for its Woden location. As a result, the related make good provisions will be reclassified as non-current liabilities.

The net liability position is largely driven by the mechanics of the right of use leases which are in a net liability position of \$11.3 million (2024 - \$7.0 million). As existing leases mature, and the number of new WOTSO locations as a proportion of the entire portfolio reduces, it is expected that this net liability position will reduce.

The Group has positive operating cash flow and closely monitors liquidity. The Company also has an available line of credit in the form of a loan agreement with WOTSO Property Trust (**WPT**), the trust to which it is stapled making up WOTSO. With the Company forming part of the stapled group, WPT will provide financial support to the Company if required. This financial support may be in the form of pausing, adjusting and deferring monthly rent payments and advancing funds by way of loan. Notably, most of the lease liability referred to above relates to WPT owned properties.

3. Revenue

Disaggregation of Revenue from Contracts with Customers

	2025 \$'000	2024 \$'000
Offices	24,106	22,150
Coworking	3,501	3,344
Other services*	5,144	4,663
Total Revenue from WOTSO Members	32,751	30,157
Other income	5,295	7,400
Total Revenue	38,046	37,557

*Other services include meeting room hire, parking, virtual office and other member services.

4. Property, Plant and Equipment

	2025 \$'000	2024 \$'000
Fitout	35,601	32,061
Accumulated depreciation	(20,393)	(16,438)
Total	15,208	15,623

Reconciliations of the written down values at the beginning and end of the current reporting year are set out below:

	2025 \$'000	2024 \$'000
Carrying amount at the beginning of the year	15,623	13,930
Additions	3,799	5,832
Depreciation expense	(3,955)	(4,139)
Disposal	(259)	-
Carrying amount at the end of the year	15,208	15,623

5. Right of Use Assets and Lease Liabilities

Right of use lease assets relate to leases at both third party and Group-owned properties. WOTSO leases premises to house its flexible workspace product under agreements of 5 to 10 years with, in some cases, options to extend. The leases have various escalation clauses, and terms are renegotiated upon renewal.

	2025 \$'000	2024 \$'000
Right of use assets	116,041	104,750
Less: accumulated depreciation	(50,895)	(41,411)
	65,146	63,339

Reconciliations of the written down values at the beginning and end of the current reporting year are set out below:

	2025 \$'000	2024 \$'000
Carrying amount at the beginning of the year	63,339	42,247
Right of use assets – modifications*	6,169	13,025
Remeasurement of right of use assets**	927	1,442
Additions***	4,195	17,977
Recognition of lease through acquisition of subsidiary	-	1,906
Depreciation expense	(9,484)	(10,012)
Disposals	-	(3,246)
Carrying amount at the end of the year	65,146	63,339

*Lease modifications relate to the extensions of the lease terms at Pyrmont, Penrith and Zetland.

**Remeasurements reflect revised contractual payments within existing lease liabilities, including changes in an index or rate used to determine the amounts payable.

***During the year, the Group opened five new WOTSO locations in Belmont, Melbourne, North Sydney, Kogarah and Jamisontown. Each location is secured under a 10-year lease, except for North Sydney which has a 2-year lease term, and Belmont which is on a month-to-month term. The WOTSO Takapuna lease also commenced on 1st July 2024.

Ostow Limited – Notes to the Financial Statements

Right of Use Lease Liabilities

Right of use lease liabilities are measured and repaid over the term of the lease. For lease commitment details refer to Note 23(d).

	2025 \$'000	2024 \$'000
Opening balance	68,257	46,798
Modifications and remeasurements	7,098	14,293
Additions	5,049	17,977
Recognition of lease through acquisition of subsidiary	-	1,921
Disposals	-	(3,689)
Interest charged	3,986	3,021
Repayments	(10,052)	(12,064)
Total Lease Liabilities	74,338	68,257
Current lease liabilities	10,596	7,791
Non-current lease liabilities	63,742	60,466
Total Lease Liabilities	74,338	68,257

North Strathfield Lease

WOTSO is in dispute with its landlord at North Strathfield and since April 2024, has been paying rent at a lower rate of \$350/sqm and accruing the difference in accordance with its accounting obligations. As at 30 June 2025, WOTSO has accrued \$1.89 million in rent payable under this lease, and has recorded this within the current lease liability balance.

6. Other Net Remeasurement (Loss) / Gain

	2025 \$'000	2024 \$'000
Gain on lease modifications	-	443
Gain on acquisition of subsidiary	-	814
Loss on equity accounted investments	(500)	(500)
Total Other Net Remeasurement (Loss) / Gain	(500)	757

Loss on equity accounted investments relates to the impairment of investments in IndigoBlack.

7. WOTSO Software Development Asset

Over recent years, WOTSO has undertaken a project to develop in-house software to manage its operations and customer invoicing. The software, known as Hamlet, has been developed in collaboration with external developers and commenced commercialisation in 2022. The Group holds a perpetual licence for the software, and as at 30 June 2025, increased its ownership interest in the associated business to 43% (2024 – 35%).

As at 30 June 2025 the Group has contributed \$847,000 net of amortisation (2024 - \$899,000) to fund the development of the software, and has increased its investment in associate to \$578,000 (2024 - \$291,000).

During the year, the Group recognised \$322,000 (2024 – \$267,000) in amortisation in the Statement of Profit or Loss and Other Comprehensive Income.

8. Intangible Assets and Goodwill

The Group's intangible assets of \$2.8 million (2024 - \$3.3 million) comprise management rights acquired through the internalisation transaction completed in February 2024. These management rights are deemed to have a finite useful life and are measured at amortised cost and amortised using the straight line method over the estimated remaining useful life of 7 years.

During the year amortisation of \$515,000 (2024 - \$171,000) was recognised as an expense in the Statement of Profit or Loss and Other Comprehensive Income.

Goodwill of \$1.34 million (2024 - \$1.34 million) was generated through the internalisation of management transaction completed in February 2024. No events or changes in circumstances indicate any impairment of goodwill at 30 June 2025.

9. Trade and Other Receivables

	2025 \$'000	2024 \$'000
Trade receivables from WOTSO members	259	195
Trade receivables from related parties	161	621
Expected credit loss allowance	(31)	(32)
Other receivables	209	115
Total Trade and Other Receivables	598	899

10. Rental Deposits

	2025 \$'000	2024 \$'000
Lease rental deposits	657	796
Term deposit for bank guarantees	1,104	284
Total Non-Current Rental Deposits	1,761	1,080

11. Loan Portfolio

	2025 \$'000	2024 \$'000
Loan receivable – Planloc Limited	32,251	31,118
Loan receivable – IndigoBlack	91	-
Loan receivable – employees	989	1,024
Total Non-Current Loan Portfolio	33,331	32,142

Ostow Limited – Notes to the Financial Statements

The loans to Planloc Limited and IndigoBlack are unsecured and for a term of 5 years from June 2023, and 6 months from June 2025 respectively. Interest is chargeable at the discretion of the lender. No interest was charged on the Planloc Limited loan for the year ended 30 June 2025 (2024 - \$1.1 million). Interest of \$7,000 was charged on the IndigoBlack loan during the year (2024 - \$nil). The employee loans are subject to interest charged at 2% over the RBA cash rate, and are secured over WOT securities and BWF shares which were valued at \$800,000 at 30 June 2025 based on the quoted ASX price of both securities.

12. Trade and Other Payables

	2025 \$'000	2024 \$'000
Current trade and other payables	1,829	2,080
Current payables with related party	520	400
Total Trade and Other Payables	2,349	2,480
Accrued expenses	852	445
Sundry payables	318	855
Total	3,519	3,780

Rent deferral received by the Group was treated as a variable lease payment per AASB 16, but the difference has been recognised as a deferred rent liability. At 30 June 2025, the Group had rent deferral liabilities totalling \$36,000 (2024 - \$80,000), for which deferred repayments will continue over the terms of the leases.

13. Provisions

	2025 \$'000	2024 \$'000
Current – employee benefits	1,198	994
Non-current – employee benefits	217	183
Total Employee Benefits Provisions	1,415	1,177
Current – make good provision	418	685
Non-current – make good provision	1,705	1,402
Total Make Good Provisions	2,123	2,087
Total Provisions	3,538	3,264

Employee benefit provisions relate to annual leave and long service leave payable to employees. As at 30 June 2025 the Group had 118 employees (2024 - 113).

Make good provisions represent the estimated costs to restore leased premises to the condition required under the lease. These amounts have been discounted using the same rate applied to the related lease liabilities, in accordance with AASB 16.

14. Borrowings

	2025 \$'000	2024 \$'000
Loan from related party - WPT	56,135	53,134
Total Non-Current Borrowings	56,135	53,134

The borrowings from WPT are unsecured and are subject to interest charged at 2% over the RBA cash rate for a term of 5 years from June 2021. Interest is chargeable at the discretion of the lender. No interest was charged during the year (2024 - \$nil).

15. Income Tax

a) Income Tax Benefit

	2025 \$'000	2024 \$'000
Reconciliation of prima facie tax payable to income tax		
(Loss) / profit before income tax	(6,189)	684
Expected tax (benefit) / expense at 25%	(1,547)	171
Accounting loss on disposal	-	888
Capital loss recouped	-	(110)
Timing differences not recognised	1,543	(949)
Deferred taxes not previously recognised	-	(719)
Other / sundry	4	-
Total Income Tax Benefit	-	(719)

b) Deferred Tax

	2025 \$'000	2024 \$'000
Movements in Deferred Tax:		
Balance - at the beginning of the year	-	-
Acquired through business combination	-	(719)
Charged to profit and loss	-	719
Balance - at the end of the year	-	-

The below table shows a breakdown of the tax value of the Company's other net deferred tax asset balances not recognised. The Group had not recognised these at 30 June 2025, due to uncertainty around the Group's ability to recoup these in the short to medium term. The recoupment and realisation of the deferred tax assets will be determined by reference to each respective taxpayer of the Group. As such, tax losses (and other deferred tax assets) incurred by the Company will be available to offset its future taxable income and not the other members of the Group (subject to the Company meeting the relevant loss recoupment tests).

Ostow Limited – Notes to the Financial Statements

	2025 \$'000	2024 \$'000
Right of use leases	2,356	1,751
Accruals and provisions	624	459
Prepayments	(45)	(28)
Fixed asset depreciation and amortisation	(1,167)	(1,580)
Investments	250	125
Management rights	(703)	(832)
Carried forward tax losses	2,388	2,080
Total Unrecognised Net Deferred Tax Assets	3,703	1,975

16. Auditor's Remuneration

	2025 \$	2024 \$
ESV Remuneration for:		
Audit and assurance services	57,000	55,000
Taxation and other services	19,000	8,930
Total	76,000	63,930

17. Issued Capital

	2025 Shares	2024 Shares	2025 \$'000	2024 \$'000
At the beginning of the year	162,176,344	162,859,009	11,520	11,615
Buy-back of issued securities	(451,328)	(697,064)	(28)	(96)
Issue of new units	23,508	14,399	3	1
At the end of the year	161,748,524	162,176,344	11,495	11,520

18. Contingencies

The Group had no contingent assets or liabilities at 30 June 2025 (2024 - \$nil).

19. Investments

BubbaDesk

In January 2025, the Group commenced a strategic alliance with BubbaDesk to integrate coworking and onsite childcare across certain locations in the WOTSO network. The Group plans to increase its investment in the future as the BubbaDesk offering rolls out across further WOTSO locations.

Pymont Bridge Mortgage Fund

Following the loss of control of the Pymont Group in 2024, the Group retained investments in the Pymont Bridge Road Mortgage Fund, which provides a fixed return of 6% per annum. As at 30 June 2025, the Group owned 3,967,405 units at a price of \$1/unit.

20. Parent Entity Information

The Company has been identified as the parent entity (**Parent Entity**)

Results:	2025 \$'000	2024 \$'000
Loss after tax	(107)	(3,188)
Total Comprehensive Loss After Tax	(107)	(3,188)
Financial Position:		
Current assets	76	202
Non-current assets	8,590	8,500
Total Assets	8,666	8,702
Current liabilities	(277)	(29)
Non-current liabilities	(1,352)	(1,503)
Total Liabilities	(1,629)	(1,532)
Net Assets	7,037	7,170
Share capital	11,495	11,520
Accumulated losses	(4,458)	(4,350)
Total Equity	7,037	7,170

Contingent Liabilities

The Parent Entity had no contingent liabilities at 30 June 2025 and 30 June 2024.

Capital Commitments

The Parent Entity had no capital commitments for property, plant and equipment at 30 June 2025 and 30 June 2024.

Material Accounting Policies

The accounting policies of the Parent Entity are consistent with those of the Group, as disclosed in Note 27.

22. Related Party Transactions

Related Parties, Associates

In these financial statements, related parties are parties as defined by AASB 124 *Related Party Disclosures* rather than the definition of related parties under the *Corporations Act 2001* (Cth) and ASX Listing Rules.

Associates

Interests held in associates by the Group are set out in Note 7.

Ostow Limited – Notes to the Financial Statements

Transactions With Related Entities

The Group pays rent for leased premises owned by related parties, with rent determined at arm's length commercial rates. In addition, the Group incurs costs related to fitouts, management fees, distributions, and general expenses such as car parking and cleaning. The Group also earns revenue from related parties, including interest income, and income from flexspace operations. All transactions with related parties were conducted on normal commercial terms and at market rates and were approved by the Board where applicable. The following transactions occurred during the financial year, and the related balances remained outstanding at year end between the Group and its related entities.

	2025 \$	2024 \$
Revenue:		
Interest income	271,724	2,132,553
Other revenue	2,559,155	5,260,715
Management fees	4,026,169	2,015,154
Total Revenue	6,857,048	9,408,422
Expenses:		
Rent and outgoing paid	7,684,235	8,118,962
Management fees	-	598,189
Fitout	214,184	467,106
Software development costs	270,000	270,000
Staff costs	-	109,942
Other expenses	1,295,460	978,759
Total Expenses	9,463,879	10,542,958
Outstanding balances:		
Trade and other receivables	160,886	620,895
Trade and other payables	519,920	400,421
Loans receivable	32,341,565	31,118,000
Loans payable	56,135,264	53,134,584

23. Financial Risk Management

a) Financial risk management

The main risks the Group is exposed to through its financial instruments are market risk (including interest rate risk and price risk), credit risk and liquidity risk. The Group's principal financial instruments are cash and cash equivalents, financial assets and loans payable. Additionally, the Group has various other financial instruments such as trade debtors, lease rental deposits and trade creditors, which arise directly from its operations.

This note presents information about the Group's exposure to each of the above risks, its objectives, policies, and processes for measuring and managing risk, and the management of capital. The Board has overall responsibility for the establishment and overseeing of the risk management framework. It monitors the Group's risk exposure by regularly reviewing finance and property markets.

The Group holds the following major financial instruments:

	2025 \$'000	2024 \$'000
Financial assets		
Cash and cash equivalents	4,764	3,532
Trade and other receivables	598	899
Rental deposits	1,761	1,080
Loans receivable – related party	33,331	32,142
Financial liabilities		
Trade and other payables	3,519	3,780
Loans payable – related party	56,135	53,134
Lease liabilities	74,338	68,257

(b) Sensitivity analysis

The Group is exposed to foreign currency risk through its New Zealand subsidiaries, which operates its flexspace business in New Zealand Dollars (**NZD**). However, management considers this risk to be low due to the immaterial size of the investment, and the relatively stable exchange rate between Australian and New Zealand Dollars. The Group is not exposed to any material credit, interest rate, or liquidity risks.

c) Capital management

The Group's objectives when managing capital are to:

- safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the dividends paid to shareholders, issue new shares, buy-back shares, and purchase or sell assets.

(d) Liquidity risk

	Maturing in 1 year \$'000	Maturing in 2 – 5 years \$'000	Maturing over 5 years \$'000	Total \$'000

	11,571	70,657	42,943	125,171

Ostow Limited – Notes to the Financial Statements

24. Contingent Liabilities

As disclosed in Note 5, WOTSO has accrued \$1.89 million in rent payable in relation to the North Strathfield lease. In addition to this amount, if formal legal proceedings are commenced in relation to this dispute, it is estimated that legal costs and disbursements of approximately \$300,000 will be incurred. This amount has not been recognised in the financial statements as at 30 June 2025, as the outcome of the dispute and the associated liability for legal costs remain uncertain.

25. Subsequent Events

With the exception of the dispute with WOTSO's landlord at North Strathfield (referred to in Notes 5 and 24) which could result in litigation, the outcome of which is unknown, to the best of the Directors' knowledge, since the end of the financial year there have been no matters or circumstances that have materially affected the Group's operations or may materially affect its operations, state of affairs, or the results of operations in future financial years.

26. Critical Accounting Estimates and Judgments

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies. The Directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information.

Goodwill and Other Indefinite Life Intangible Assets

The Group tests annually, or more frequently if events or changes in circumstances indicate impairment, whether goodwill and other indefinite life intangible assets have suffered any impairment, in accordance with the accounting policy stated in Note 27.

Lease Term for Right of Use Assets and Liabilities

The lease term is a significant component in the measurement of both right of use assets and lease liabilities. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease or purchase the underlying asset will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the Group's operations; comparison of terms and conditions to prevailing market rates; incurrence of significant penalties; existence of significant leasehold improvements; and the costs and disruption to replace the asset. The Group reassesses whether it is reasonably likely to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

Make Good Provisions

Whenever the Group incurs an obligation for costs to dismantle and remove property from leased premises, restore premises in which it is located, or restore the underlying asset to the condition required under the lease, a provision is recognised and measured. Judgement is exercised in estimating the present value of these costs. The Group reviews these estimates at each reporting period and adjusts if there is a significant event or change in circumstance.

Incremental Borrowing Rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such rate is based on what the Group estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right of use asset, with similar terms, security and economic environment.

27. Statement of Material Accounting Policies

The Company is part of the WOTSO stapled group (ASX: WOT), incorporated and domiciled in Australia. The Group's financial statements were authorised for issue by a resolution of the Directors on the date they were issued.

Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and other authoritative pronouncements of the AASB and the *Corporations Act 2001* (Cth). The Company's financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

The Group is a group of the kind referred to in ASIC Class Order 2016/191 and, in accordance with that class order, amounts in the Directors' Report and the financial statements are rounded off to the nearest thousand dollars, unless otherwise indicated.

The statutory financial information for the Group has been presented for the year ended 30 June 2025 and for the comparative year ended 30 June 2024.

The financial statements are presented in Australian dollars.

The following is a summary of the material accounting policies adopted by the Group in the preparation of the financial statements. The accounting policies have been consistently applied unless otherwise stated.

Going Concern

The financial statements have been prepared on a going concern basis, which contemplates the continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

The Company is in a net current liability and a net liability position, as described in Note 2. However, many of the WOTSO locations are in the build-up phase and profitability is expected to improve. The Group has earned positive cash flows from operations during the year and projects it will have sufficient cash balances to pay debts as they fall due and forecasts for the next twelve months display enough liquidity for it to be appropriate for the Company to continue as a going concern.

Additionally, short-term funding may be obtained from related parties if needed.

Presentation of Financial Statements

Both the functional and presentation currency of the Company and its Australian subsidiaries is Australian dollars. Functional currency NZD results are translated to presentation currency.

Ostow Limited – Notes to the Financial Statements

Principles of Consolidation

The consolidated financial statements comprise the financial statements of the Group and its subsidiaries. All controlled entities have a June financial year end and use consistent accounting policies. Investments in subsidiaries held by the Group are accounted for at cost, less any impairment charges.

Subsidiaries are all those entities over which the Company has control. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and can affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Company. They are de-consolidated from the date that control ceases.

Inter-Company Balances

All inter-company balances and transactions between entities in the Group, including any unrealised profits or losses, have been eliminated on consolidation. Accounting policies of subsidiaries have been changed where necessary to ensure consistencies with those policies applied by the Company.

Operating Segments

Operating segments are presented using the 'management approach', where the information presented is on the same basis as the internal reports provided to the CODM. The CODM are responsible for the allocation of resources to operating segments and assessing their performance.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment are measured on the cost basis less accumulated depreciation and impairment losses. The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of an item if it is probable that the future economic benefits embodied within the part will flow to the Group, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

Depreciation

The depreciable amount of all fixed assets is depreciated on a diminishing value basis over their useful lives to the Group commencing from the time the asset is held ready for use.

The estimated useful lives used for each class of depreciable assets are:

Furniture, fixtures and fittings	over 2 to 10 years
Office equipment	over 4 to 10 years
Leasehold improvements	lesser of 10 years and expected remaining lease term
Right of use assets	remaining lease terms, including any options where they are reasonably certain to be exercised.

At each balance sheet date, assets' residual values and useful lives are reviewed, particularly with reference to the remaining expected lease term of each location and adjusted if appropriate.

Disposal

An item of property, plant and equipment is derecognised upon disposal or when no further economic benefits are expected from its use or disposal.

Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the profit or loss in the year the asset is derecognised.

Internally Generated Intangible Assets

Expenditure on research activities is recognised as an expense in the period in which it is incurred.

An internally generated intangible asset arising from development is recognised if, and only if, all of the following conditions have been demonstrated:

- The technical feasibility of completing the intangible asset so that it will be available for use or sale.
- The intention to complete the intangible asset and use or sell it.
- The ability to use or sell the intangible asset.
- How the intangible asset will generate probable future economic benefits.
- The availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset.
- The ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially recognised for internally generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally generated intangible asset can be recognised, development expenditure is recognised in profit or loss in the period in which it is incurred.

Subsequent to initial recognition, internally generated intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses.

Amortisation is calculated on a straight-line basis over the expected useful life of the intangible asset as follows:

Software development	5 years
----------------------	---------

The estimated useful life and amortisation methods are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Impairment of Assets

At each reporting date the Group reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired.

If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. In assessing value in use, either the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset, or the income of the asset is capitalised at its relevant capitalisation rate.

An impairment loss is recognised if the carrying value of an asset exceeds its recoverable amount. Impairment losses are expensed to the profit or loss.

Ostow Limited – Notes to the Financial Statements

Impairment losses recognised in prior years are assessed at each reporting date for any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised.

Right of Use Lease Assets

A right of use asset is recognised at the commencement date of a lease. The right of use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset and restoring the location or asset.

Right of use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Group expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Group has elected not to recognise a right of use asset and corresponding lease liability for short-term leases with terms of 12 months or less, and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

Lease Liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Lease payments comprise fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used, residual guarantee, lease term, certainty of a purchase option, and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right of use asset, or to profit or loss if the carrying amount of the right of use asset is fully written down.

Intangible Assets

Intangible assets acquired as part of a business combination, other than goodwill, are initially measured at their fair value at the date of the acquisition. Intangible assets acquired separately are initially recognised at cost. Indefinite life intangible assets are not amortised and are subsequently measured at cost less any accumulated impairment losses. Finite life intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses. The gains or losses recognised in profit or loss arising from the derecognition of intangible assets are measured as the difference between net disposal proceeds and the carrying amount of the intangible asset. The method and useful lives of finite life intangible assets are reviewed annually. Changes in the expected pattern of consumption or useful life are accounted for prospectively by changing the amortisation method or period.

Amortisation of finite life intangible assets is calculated on a straight-line basis over the expected useful lives of the asset as follows:

Management rights	7 years
-------------------	---------

Goodwill

Goodwill arises on the acquisition of a business. Goodwill is not amortised. Instead, goodwill is tested annually for impairment, or more frequently if events or changes in circumstances indicate that it might be impaired and is carried at cost less accumulated impairment losses. Impairment losses on goodwill are recognised in profit or loss and are not subsequently reversed.

Financial Instruments

Non-Derivative Financial Instruments

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other receivables, cash and cash equivalents, loans and borrowings, and trade and other payables.

Non-derivative financial instruments are recognised at fair value plus, for instruments not at fair value through profit or loss, any directly attributable transaction costs. Subsequent to initial recognition, non- derivative financial instruments are measured as described below.

Recognition

A financial instrument is recognised if the Group becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Group's contractual rights to the cash flow from the financial assets expire or if the Group transfers the financial assets to another party without retaining control of substantially all risks and rewards of the asset. Purchases and sales of financial assets are accounted for at trade date, i.e. the date that the Group commits itself to purchase or sell the asset. Financial liabilities are derecognised if the Group's obligations specified in the contract expire or are discharged or cancelled.

Financial Assets

Financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

Financial assets not measured at amortised cost are classified as financial assets at fair value through profit or loss. Typically, such financial assets will be either: (i) held for trading, where they are acquired for the purpose of selling in the short-term with an intention of making a profit, or a derivative; or (ii) designated as such upon initial recognition where permitted. Fair value movements are recognised in profit or loss.

(i) Equity Investments

All equity investments are measured at fair value. Equity investments that are held for trading are measured at fair value through profit or loss.

(ii) Loans and Receivables

Loans and receivables include loans to related entities. They are subsequently measured at amortised cost, less any allowance for expected credit losses. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, as well as through the amortisation process.

Ostow Limited – Notes to the Financial Statements

Impairment

At each reporting date, the Group assesses whether there is objective evidence that a financial instrument has been impaired. A financial instrument is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen.

An impairment loss in respect of a financial instrument measured at amortised cost is calculated as the difference between its carrying amount, and the present value of the estimated future cash flows discounted at the original effective interest rate. An impairment loss in respect of an available-for-sale financial asset is calculated by reference to its fair value.

Individually significant financial instruments are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics.

Impairment losses are recognised in profit or loss. An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised. For financial instruments measured at amortised cost, the reversal is recognised in profit or loss.

Financial Liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Investments in Associates

Investments in associate companies are recognised in the financial statements by applying the equity method of accounting where significant influence is exercised over an investee. Significant influence exists where the investor has the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control over those policies.

Under the equity method of accounting, investments in associates are carried in the consolidated balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the associates. The Group's share of its associates' post-acquisition profits or losses is recognised in the income statement, and its share of post-acquisition movements in reserves is recognised in reserves. The cumulative post acquisition movements are adjusted against the carrying amount of the investment. When the Group's share of losses exceeds its interest in an equity accounted investee, the carrying amount of the interest is reduced to nil and the recognition of further losses is discontinued except to the extent that the Group has an obligation or has made payments on behalf of the investee.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Trade and Other Receivables

Trade receivables are recognised and carried at the original invoice amount less a provision for any uncollectable debts. An estimate for doubtful debts is made when there is objective evidence that the Group will not be able to collect the receivable. Financial difficulties of the debtor and default payments are considered objective evidence of impairment. Bad debts are written off when identified as uncollectable.

Trade and Other Payables

Liabilities for trade creditors are carried at cost, which is the fair value of the consideration to be paid in the future for goods or services received, whether or not billed to the Group at balance date. The amounts are unsecured and are usually paid within 30 days of recognition.

Interest Bearing Borrowings

Interest bearing borrowings are initially recognised at fair value less any related transaction costs. Subsequent to initial recognition, interest bearing borrowings are stated at amortised cost.

Employee Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions to a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contribution to defined contribution plans are recognised as a personnel expense in profit or loss when they are due.

Other Long Term Employee Benefits

The Group's net obligation in respect of long-term employee benefits, other than defined benefit plans, is the amount of future benefit that employees have earned in return for their service in the current and prior periods plus related on-costs. These employee benefits have not been discounted to the present value of the estimated future cash outflows to be made for those benefits.

Short Term Benefits

Liabilities for employee benefits for wages, salaries and annual leave represent present obligations resulting from employees' services provided to the reporting date and are calculated at undiscounted amounts based on remuneration wage and salary rates that the Group expects to pay at reporting date, including related on-costs.

Provisions

Provisions are recognised when the Group has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured. Where the Group expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognised as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the income statement net of any reimbursement.

Revenue

Income comprises rental and recovery of outgoings from property tenants. Rental income is accounted for on a straight-line basis over the lease term, if applicable.

Business Combination

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary comprises the:

- fair values of the assets transferred;
- equity interests issued by the Group; and
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

Income Tax

Current Income Tax Expense

The charge for current income tax expense is based on the profit year adjusted for any non-assessable or disallowed items. It is calculated using the tax rates that have been enacted or are substantially enacted by the balance sheet date.

Ostow Limited – Notes to the Financial Statements

Accounting for Deferred Tax

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred Tax Calculation

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Deferred Income Tax Assets

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised. The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Benefit Brought to Account

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

Tax Consolidation

The Company has elected to form a tax consolidated group with its wholly owned entities for income tax purposes under the tax consolidation regime. As a consequence, all members of the tax consolidated group are taxed as a single entity. The Parent Entity within the tax consolidated group is Ostow Limited.

In addition to its own current and deferred tax amounts, the Company also recognises the current tax liabilities (or assets) and the deferred tax assets arising from unused tax losses and unused tax credits assumed from controlled entities in the tax consolidated group, in conjunction with any tax funding arrangement amounts.

The Group recognises deferred tax assets arising from unused tax losses of the tax consolidated group to the extent that it is probable that future taxable profits of the tax consolidated group will be available against which the asset can be utilised.

Any subsequent period adjustments to deferred tax assets arising from unused tax losses as a result of revised assessments of the probability of recoverability is recognised by the Parent Entity only.

Assets or liabilities arising under tax funding agreements with the tax consolidated entities are recognised as amounts receivable from or payable to other entities in the Group.

GST

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST components of investing and financing activities, which are disclosed as operating cash flows.

Equity

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current period. Any change of presentation has been made to make the financial statements more relevant and useful to the user.

New Accounting Standards and Interpretations

The Group has adopted all the new or amended Accounting Standards and Interpretations issued by the AASB that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. Based on our preliminary assessment, we do not expect them to have material impact on the Group.

Ostow Limited – Directors’ Report

Directors’ Report (Continued)

Information on Officeholders

The names of the officeholders during and since the end of the year are set out below. Unless otherwise stated, officeholders have been in office since the beginning of the financial year.

Joseph (Seph) Glew Non-Executive Director and Chairman

Seph has worked in the commercial property industry in New Zealand, the USA and Australia. Seph has driven large scale property development and financial structuring for real estate for over 50 years. In addition, since the early 1990s Seph has run many “turn-around” processes in relation to distressed properties and property structures for both private and institutional property owners.

While working for the Housing Corporation of New Zealand and then AMP, Seph qualified as a registered valuer and holds a Bachelor of Commerce. In the 1980s he served as an Executive Director with New Zealand based property group Chase Corporation and as a Non-Executive Director with a number of other listed companies in New Zealand and Australia.

Jessica Glew CEO and Executive Director

Jessie is the CEO and COO of WOTSO. Prior to her appointment as CEO, Jessie was Joint Managing Director of both WOTSO and BlackWall Limited (ASX: BWF), the listed property and fund manager and previous manager of WOTSO. Jessie has been with the BlackWall Group since early 2011 and has over 15 years’ experience in the property industry, specifically in development and operations. Jessie also holds a Bachelor of International Communication from Macquarie University and a class one NSW real estate licence.

Jessie joined the Board of The Kids’ Cancer Project in 2022, providing insights and operational knowledge to help support the charity. Since 2024 Jessie has sat on the Board of Flexible Workspace Australia, the peak body for coworking and flexible workspace providers and partners across all cities and regions of Australia.

Richard Hill Non-Executive Director

Richard Hill has extensive investment banking experience and was the founding partner of the corporate advisory firm Hill Young & Associates. Richard has invested in BlackWall’s projects since the early 1990s. Prior to forming Hill Young, Richard held a number of Senior Executive positions in Hong Kong and New York with HSBC. He was admitted as an attorney in New York State and was registered by the US Securities & Exchange Commission and the Ontario Securities Commission. Richard has served as a Director (Chairman) of the Westmead Institute for Medical Research and Director (Chairman) of Sirtex Medical Limited (Sirtex), formerly listed on ASX.

Paul Tresidder Non-Executive Director

Paul has considerable experience in retail management, leading, development and strategic planning. He spent eight years with Lendlease where he held a number of roles, including National Leasing Manager, before being appointed to the position of Divisional Manager responsible for half of the General Property Trust retail portfolio. Paul and fellow Lendlease executive Guy Wynn, formed a property management company which was subsequently acquired by Baillieu Knight Frank. In 1993, Paul joined Seph Glew in the development business that would ultimately become ASX listed BlackWall Limited.

Agata Ryan Company Secretary

Agata joined WOTSO in 2023 as the Head of Legal and Company Secretary. Agata oversees all aspects of WOTSO’s commercial and fund transactions, corporate governance and regulatory functions, and investor relations. Prior to joining WOTSO, Agata was a property lawyer working at law firms, ranging from top tier to boutique, as well as legal counsel in the commercial property legal team at Stockland. Agata is admitted as a solicitor of the Supreme Court of New South Wales and the High Court of Australia and holds a Bachelor of Arts, Master of Commerce and Juris Doctor from UNSW.

Remuneration Report (Audited)

The Board is responsible for determining the remuneration of **KMP** (key management personnel). For the reporting period the Board has determined that KMP included the CEO and Directors.

When determining the remuneration of KMP, senior executives or employees, the following are taken into consideration:

- remuneration is aligned with the delivery of returns to securityholders;
- responsibilities, results, innovation and entrepreneurial behaviour are recognised and rewarded; and
- the Group’s financial position and market conditions.

The remuneration of KMP is reviewed at times deemed appropriate by the Board. There are no performance conditions for Board members or contracts for KMP. Any performance payments are at the discretion of the Board. The nature and the amount of each element of remuneration paid to the Board members and KMP for the reporting period are listed below:

	Directors' Fees		Salary and Other		Post-Employment Superannuation		Total	
	2025	2024	2025	2024	2025	2024	2025	2024
	\$	\$	\$	\$	\$	\$	\$	\$
Jessie Glew	-	-	358,461	86,875	30,115	7,769	388,576	94,644
Seph Glew	100,000	50,000	-	-	-	-	100,000	50,000
Richard Hill	85,000	42,500	-	-	-	-	85,000	42,500
Paul Tresidder	85,000	42,500	-	-	-	-	85,000	42,500
Total	270,000	135,000	358,461	86,875	30,115	7,769	658,576	229,644

Ostow Limited – Directors’ Report

Loans have been made to KMP to acquire securities under WOTSO's employee share scheme. The loans attract interest at a rate of 2% above the RBA cash rate and are secured against the securities. All distributions received from these securities go towards repaying the loan balance. The following loans were outstanding at year-end:

	2025 \$	2024 \$
Jessie Glew	937,002	963,536
Total	937,002	963,536

Auditor and Non-audit Services

\$57,000 and \$19,000 was paid to the auditor for audit and non-audit services respectively during the financial year (2024 - \$55,000 and \$8,930 respectively) as detailed in Note 16. The Directors are satisfied that the provision of non-audit services is compatible with the general standard of independence for auditors imposed by the *Corporations Act 2001* (Cth). The nature and scope of each type of non-audit service provided means that auditor independence was not compromised.

A copy of the auditor’s independence declaration as required under section 307C of the *Corporations Act 2001* (Cth) is set out in these financial statements.

ESV Business Advice and Accounting continues in office in accordance with section 327 of the *Corporations Act 2001* (Cth).

Ostow Limited – Directors’ Declaration

Directors’ Declaration

In the Directors’ opinion:

- (a) the financial statements and notes are in accordance with the *Corporations Act 2001* (Cth), including:
 - (i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Group’s financial position as at 30 June 2025 and of its performance for the financial year ended on that date; and
- (b) there are reasonable grounds to believe that the Group will be able to pay its debts as and when they become due and payable.

The Statement of Material Accounting Policies confirms that the financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

The Directors have been given the declarations by the persons acting in the capacities of Chief Executive Officer and Chief Financial Officer required by section 295A of the *Corporations Act 2001* (Cth).

In the Directors’ opinion, the attached consolidated entity disclosure statement is true and correct.

This declaration is made in accordance with a resolution of the Directors.

AUDITOR’S INDEPENDENCE DECLARATION UNDER SECTION 307C OF THE CORPORATIONS ACT 2001

As auditor for the audit of Ostow Limited and its controlled entities for the year ended 30 June 2025, I declare that, to the best of my knowledge and belief, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Dated at Sydney on the 20th day of August 2025.

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF OSTOW LIMITED AND ITS CONTROLLED ENTITIES
Report on the Audit of the Financial Report

Opinion

We have audited the financial report of OSTOW Limited (‘the Company’) and its controlled entities (‘the Group’), which comprises the consolidated statement of financial position as at 30 June 2025, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, notes including material accounting policy information, the consolidated entity disclosure statement and the directors’ declaration.

In our opinion, the accompanying financial report of the Group is in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Group’s financial position as at 30 June 2025 and of its financial performance for the year then ended; and
- complying with *Australian Accounting Standards* and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board’s APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report of the current period. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF OSTOW LIMITED AND ITS CONTROLLED ENTITIES

Revenue	
Key Audit Matter	How the scope of our audit responded to the risk
The Group generates its rental income from short-term tenancies. During the year 2025, Group recorded \$32.7 million (June 2024: \$30.16 million) of rental revenue from short-term tenancies. Rental income from short-term tenancies is earned from leasing of desks, office space, meeting rooms and related services (co-working business) to short term tenants – operated by OSTOW Limited. Premises used for operating of WOTSO co-working business are leased from related entity – WOTSO Property Trust and some are leased from third party landlords. Due to large number of short-term tenancies across numerous WOTSO locations, there is a risk that revenue is incorrectly recorded.	Our procedures included, but were not limited to: - For short-term rental income relating to co-working business, on sample basis of tenancies across different site locations we verified the monthly billing for desks, office space hired to the agreed terms as per information in the tenancy management database and the price list per location. We also performed comparison of monthly revenue per location with monthly revenue from prior period and investigated any unusual or significant movement. - Obtained bank transactions for all bank accounts to assess completeness of receipts of rental income. - Performed analytical procedures by comparing monthly performance per location and comparing with prior period and investigating material variances. - Assessed the disclosures included in the financial statement for revenue are in accordance with AASB 15. Based on our work performed, we conclude the revenue for the Group is free from material misstatement.

Other Information

Other information is financial and non-financial information in the Company’s annual report which is provided in addition to the Financial Report and the Auditor’s Report for the year ended 30 June 2025. The directors of the Company are responsible for the other information. The other information comprises the information included in the Directors’ report (page 3 and 22-23) which we obtained prior to the date of this auditor’s report but does not include the financial report and our auditor’s report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

and accounting

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF OSTOW LIMITED AND ITS CONTROLLED ENTITIES

Directors’ Responsibilities for the Financial Report

The directors are responsible for the preparation of a) the financial report (other than the consolidated entity disclosure statement) that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001; and b) the consolidated entity disclosure statement that is true and correct in accordance with the Corporations Act 2001, and for such internal control as the directors determine is necessary to enable the preparation of i) the financial report (other than the consolidated entity disclosure statement) that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and ii) the consolidated entity disclosure statement that is true and correct and is free of misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor’s Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar2.pdf This description forms part of our auditor’s report.

Dated at Sydney on the 20th day of August 2025.

Directors' Report

The Directors present their report, together with the financial statements of Planloc Limited (**Company**) for the year ended 30 June 2025.

Principal activities

Planloc Limited is a listed property investment company. The Company is stapled to two other entities (WOTSO Property Trust and Ostow Limited) and forms the listed WOTSO (ASX: WOT). The Company owns a retail mixed use property located in Penrith, NSW, and holds investment positions in two property investment structures that ultimately own an entertainment precinct in Villawood, NSW and an office building in Pyrmont, NSW.

Penrith Investment Property

The Penrith property owned by the Company, which was independently valued in June 2022 at \$26.25 million, is fully occupied. The tenancies include Barbeques Galore, Boating Camping Fishing, Rashay's Restaurant, Tru Ninja, Only About Children, City Cave and WOTSO Jamisontown.

Villawood Investment

The Company also owns just under 50% of the WRV Unit Trust (**WRV**), which owns The Woods property, an entertainment precinct in Sydney's west, approximately 28km from Sydney CBD. The property has great exposure to Woodville Road, and is home to 8 different tenants comprising Zone Bowling, Chipmunks Playland, Sydney Indoor Climbing Gym, Jump Swim School, Flip Out, the Woods Café, Reverse Vending Machine and Cross Fit Bawn. It was independently valued in December 2024 at \$29.5 million.

Pyrmont Investment

Following a restructure of the WOTSO Group last financial year, the Company acquired WOTSO's remaining 43% investment in the property at 55 Pyrmont Bridge Road. The property is an office building located on the fringe of Sydney CBD with over 14,000sqm of net lettable area. The property was last independently valued in June 2023 at \$134.3 million.

Risks

The Company has identified a number of material business risks including inflation, interest costs, valuations and unplanned capital expenditures, among others. These risks are subject to continuous assessment and review.

The key business risks impacting the Company, and how such risks are managed, are outlined in WOTSO Group's 2025 Annual Report, which can be found at <https://wotso.com/investors-information/>.

Planloc Limited – Notes to the Financial Statements

1. Segment Reporting

The Company operates in one business segment, being the ownership and leasing of investment properties in Australia.

2. Cash Flow Management

At the end of the year, the balance sheet showed current assets exceeded current liabilities by \$36,000 (2024 – current liabilities exceeded current assets by \$13.1 million).

The Company closely monitors liquidity. The Company also has an available line of credit in the form of a loan agreement with Ostow Limited, the company to which it is stapled, along with WOTSO Property Trust, to make up WOTSO (ASX: WOT).

3. Investment Gain / (Loss)

	2025 \$'000	2024 \$'000
Investment property in Penrith	(1,417)	91
Total Unrealised (Loss) / Gains on Investment Property	(1,417)	91
	2025 \$'000	2024 \$'000
Investment in WRV	1,026	646
Investment in PBR	(22)	(829)
Total Equity Accounted Share of Profit / (Loss)	1,004	(183)

4. Business Operating Expenses

	2025 \$'000	2024 \$'000
Fund management fees	458	336
Consultant fees	18	7
Administration expenses	39	28
Total Business Operating Expenses	515	371

5. Loan Portfolio

	2025 \$'000	2024 \$'000	Current Security \$'000	Interest Rate	Details
Current – vendor finance	197	197	3,500*	4.0%	See below
Non-current – vendor finance	1,032	1,228	3,500*	4.0%	See below
	1,229	1,425			

*Same asset as security.

In 2021, WOTSO Property Trust (formerly BlackWall Property Trust), part of the stapled WOTSO Group, sold its Toowoomba property. The sale was executed through a vendor finance agreement with the Company over a 10-year period which is being repaid at an agreed interest rate of 4%. The loan is secured against the Toowoomba property through a registered first mortgage. The loan runs until 2031 when it will be fully repaid.

6. Deferred Rent Receivable

	2025 \$'000	2024 \$'000
Current – deferred rent receivable	21	24
Non-current – deferred rent receivable	9	30
Total Deferred Rent Receivable	30	54

7. Trade and Other Receivables

	2025 \$'000	2024 \$'000
Accounts receivable	127	32
Other receivables	32	31
Total Trade and Other Receivables	159	63

8. Equity Accounted Investments

The Company's equity accounted investments comprise an investment in WRV and PBR. The investment in WRV reflects a 49.88% (2024 - 49.88%) holding of units in the trust which owns The Woods in Villawood, NSW. The property is an entertainment precinct in Sydney's west, approximately 28km from Sydney CBD. The property has great exposure to Woodville Road and is home to 8 different tenants comprising Zone Bowling, Chipmunks Playland, Sydney Indoor Climbing Gym, Jump Swim School, Flip Out, the Woods Café, Reverse Vending Machine and Cross Fit Bawn. It was independently valued in December 2024 at \$29.5 million.

Last financial year, the Company acquired a 43% investment holding in PBR. This entity owns the property at 55 Pyrmont Bridge Road in Pyrmont, NSW. The property holds over 14,000sqm of net lettable area. The property was last independently valued in June 2023 at \$134.3 million. The Company has assessed that there are no indicators of impairment with the Pyrmont property and

Planloc Limited – Notes to the Financial Statements

that its carrying amount reflects fair value. The acquisition was funded through an increase in the Company's borrowings with Ostow Limited.

	2025 \$'000	2024 \$'000
Balance at the beginning of the year	26,370	8,838
Additions	-	21,705
Distributions received	(798)	(3,990)
Equity accounted share of profit / (loss)	1,004	(183)
Balance at 30 June	26,576	26,370

As at year end the Company owned the following units in WRV and PBR:

Entity	Holdings		Returns of Capital / Distribution Received	
	2025 '000	2024 '000	2025 \$'000	2024 \$'000
WRV	3,990	3,990	798	3,990
PBR	49,275	49,275	-	-
			798	3,990

9. Investment Property

The Company has a property investment in a big box retail complex located at 120 Mulgoa Road, Penrith. Tenants in this fully occupied property comprise Boating Camping Fishing (BCF), Barbeques Galore, Only About Children, Tru Ninja, City Cave, Rashay's restaurant and WOTSO Jamisontown.

The property was independently valued by a certified practicing valuer in June 2022 at \$26.25 million. The valuer adopted a market yield of 5.75%, with net property income of around \$1.5 million p.a. The Company has assessed the independent valuation and considers that it is appropriate as the fair value is determined having regard to the highest and best use of the property, which is fully occupied, and the net property income before capital adjustments, such as leasing fees, has increased from the time the last independent valuation was completed. This independent valuation was determined with reference to the direct comparison approach, market capitalisation method and the discount discounted cash flow method.

A reconciliation of the property value is as follows:

	\$'000
Balance at 1 July 2024	26,250
Capital improvements	1,559
Depreciation	(149)
Revaluations	(1,417)
Movement in straight-line receivable	7
Balance at 30 June 2025	26,250

Balance at 1 July 2023	26,250
Capital improvements	5
Depreciation	(125)
Revaluations	91
Movement in straight-line receivable	29
Balance at 30 June 2024	26,250

10. Trade and Other Payables

	2025 \$'000	2024 \$'000
Trade and other payables	313	385
Rental income in advance	21	34
Tenant deposits	31	31
Total Trade and Other Payables	365	450

11. Borrowings

	2025 \$'000	2024 \$'000
CBA	-	13,000
Total current borrowings	-	13,000
Ostow Limited	32,251	31,118
CBA	13,000	-
Total non-current borrowings	45,251	31,118
Total Borrowings	45,251	44,118

The loan from CBA, which was renewed in December 2024, is secured against the Company's Penrith property. The current margin of the facility is 2.06% over BBSY and the borrowings are unhedged. The facility's next review date is December 2028.

The unsecured borrowings are from Ostow Limited, which is stapled to the Company, forming part of the capital structure of WOTSO, and therefore a related party. Interest is chargeable at the discretion of the lender, and it is subject to a term of five years from June 2023. As at 30 June 2025, no interest was paid by the company (June 2024 - \$1.1 million).

12. Share Capital

	2025 Shares	2024 Shares	2025 \$'000	2024 \$'000
At the beginning of the year	162,176,344	162,859,009	1	-
Buy-back of issued shares	(451,328)	(697,064)	-	-
Issue of new shares	23,508	14,399	-	1
At the end of the year	161,748,524	162,176,344	1	1

Planloc Limited – Notes to the Financial Statements

13. Income Tax Expense and Deferred Tax Liabilities

(a) Income tax benefit

	2025 \$'000	2024 \$'000
Deferred tax benefit	36	221
Total Income Tax Benefit	36	221

Reconciliation of prima facie tax payable to income tax

Loss before income tax	(971)	(738)
Expected tax benefit at 30%	291	221
Timing differences not recognised	(255)	-
Total Income Tax Benefit	36	221

(b) Deferred tax liabilities

Net deferred tax liabilities are recognised on the balance sheet (2025 - \$4.7million; 2024 - \$5.0 million) in relation to unrealised gains on the assets of the Company.

	2025 \$'000	2024 \$'000
Financial assets	2,292	1,736
Investment properties	3,064	3,500
Tax losses	(418)	(262)
Total Deferred Tax Liabilities	4,938	4,974

Movements:

Balance at the beginning of the year	4,974	5,195
Charged to profit or loss	(36)	(221)
Balance at the end of the year	4,938	4,974

14. Auditor's Remuneration

Remuneration of ESV for:	2025 \$	2024 \$
Audit and assurance services	23,133	22,252
Taxation and other services	2,588	2,228
Total Remuneration	25,721	24,480

15. Prior Period Adjustment

During the year, the Company assessed that it held significant influence over WRV and consequently should account for this investment following the equity method. In prior periods, this investment was classified as a financial asset and measured at fair value. As the determination of WRV's fair value in prior periods was made with reference to the underlying net assets of WRV, the Company's equity accounted share of profits of WRV equal the fair value adjustments the Company recognised in prior periods for its investment in WRV. As a result, there is \$nil impact on profit or loss, or net assets of the Company.

16. Commitments and Contingencies

The Company leases its investment property under operating leases. The future minimum lease payments receivables are disclosed as follows:

	2025 \$'000	2024 \$'000
Receivable within 1 year	1,750	2,101
Receivable within 2-5 years	4,806	5,276
Receivable over 5 years	3,290	3,562
Total	9,486	10,939

There were no other commitments and contingencies at 30 June 2025 (2024 - \$nil).

17. Subsequent Events

To the best knowledge of the Directors, there have been no matters or circumstances that have arisen since the end of the year that have materially affected or may materially affect the Company's operations in future financial years, the results of those operations or the Company's state of affairs in future financial years.

18. Related Party Transactions

(a) Related entities

In these financial statements, related parties are parties as defined by AASB 124 Related Party Disclosures.

(b) Fees and transactions

Management fees are charged to entities predominately for property management services, and the fees charged are determined by reference to arm's length commercial rates.

These services principally relate to the provision of property management services, property portfolio advisory services, maintenance and insurance, strategic advice and management supervision services, administration, marketing, and risk management services.

The Company paid management fees to related parties. All transactions with related parties were made on normal commercial terms and conditions, at market rates, and were approved by the Board where applicable.

Planloc Limited – Notes to the Financial Statements

At 30 June 2025, there were no outstanding receivables with related entities (30 June 2024 - \$nil).

The following represents the transactions that occurred during the financial year, and the balances outstanding at year end, between the Company and its related entities:

	2025 \$	2024 \$
Expenses:		
Fund management fee paid	456,100	122,200
Repairs and maintenance	16,503	13,931
Consulting and management fees paid	358,008	25,534
Tenancy inducement	740,250	-
Outstanding balances:		
Trade and other payables	13,838	201,616
Borrowings	32,250,602	31,118,000

(c) Interests in related parties

As at year end the Company owned 49.88% (2024: 49.88%) of units in WRV and 43% of PBR, detailed in Note 8.

19. Financial Risk Management

(a) Financial risk management

The main risks the Company is exposed to through its financial instruments are market risk (including interest rate risk and price risk), credit risk, and liquidity risk. The Company's principal financial instruments are the loan portfolio, equity accounted investments, and borrowings. Additionally, the Company has various other financial instruments, such as cash and cash equivalents, trade debtors and trade creditors.

This note presents information about the Company's exposure to each of the above risks, its objectives, policies, and processes for measuring and managing risk, and the management of capital.

The Board has overall responsibility for the establishment and overseeing of the risk management framework. It monitors the Company's risk exposure by regularly reviewing finance and property markets.

The Company holds the following major financial instruments:

	2025 \$'000	2024 \$'000
Financial assets		
Cash and cash equivalents	24	29
Trade and other receivables	159	63
Deferred rent receivables	21	24
Loan portfolio	1,229	1,425
Equity accounted investments	26,576	26,370
Financial liabilities		
Trade and other payables	365	450
Borrowings	45,251	44,118

(b) Material risk

(i) Interest rate risk

The Company has exposure to market risk relating to changes in interest rates on its loan portfolio and borrowings. The Company's exposure to interest rate risk, which is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates and the interest rates on borrowings, is as follows:

	June 2025		June 2024	
	Interest rate %	Balance \$'000	Interest rate %	Balance \$'000
Assets				
Loan portfolio	4.00	1,229	4.00	1,425
Liabilities				
Borrowings – Ostow Limited	3.00 above cash rate	32,251	3.00 above cash rate	31,118
Borrowings - CBA	2.06 above BBSY	13,000	2.20 above BBSY	13,000

Sensitivity analysis

At 30 June 2025, if interest rates on the loan portfolio and borrowings had moved, as illustrated in the table below, with all other variables held constant, profit would be affected as follows:

	2025 \$'000	2024 \$'000
Movement in interest rates		
+ 1.0%	(453)	(441)
- 1.0%	453	441

Planloc Limited – Notes to the Financial Statements

(ii) Price risk

The major exposure is the Company's equity accounted investments. In relation to the investments in WRV and PBR, a 10% decrease in the price of units / shares (from the price at 30 June 2025, i.e. \$1.74 and \$0.38 per unit and share respectively) would result in an unrealised loss of \$2.7 million (2024 - \$1.9 million).

(c) Credit risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

The Company has credit risk exposures to related parties' investments in related and unrelated property structures under financial instruments and contractual arrangements entered into by the Company. The Company limits its exposure to credit risk by obtaining equitable mortgages over real property for related / unrelated party loan receivables and investments in related and unrelated property structures.

(d) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when they fall due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

At the end of the year, the Company held the following financial arrangements:

	Maturing within 1 year \$'000	Maturing within 2 – 5 years \$'000	Maturing over 5 years \$'000	Total \$'000
At 30 June 2025				
Trade and other payables	365	-	-	365
Borrowings	-	45,251	-	45,251
	365	45,251	-	45,616
At 30 June 2024				
Trade and other payables	450	-	-	450
Borrowings	13,000	31,118	-	44,118
	13,450	31,118	-	44,568

(e) Fair value measurement

(i) Fair value hierarchy

AASB 13 Fair Value Measurement requires disclosure of fair value measurements by level in the following fair value measurement hierarchy:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and
- Level 3 – Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value of financial assets traded in active markets is subsequently based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs. The quoted market price used for financial assets held by the Company is the current bid price and the quoted market price for financial liabilities is the current asking price.

The following table presents the Company's assets measured at fair value at the reporting date. Refer to Note 20 for further details of assumptions used, and how fair values are measured.

	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000 Restated Note 15
At 30 June 2025				
Loan portfolio	-	-	1,229	1,229
Investment properties	-	-	26,250	26,250
At 30 June 2024				
Loan portfolio	-	-	1,425	1,425
Investment properties	-	-	26,250	26,250

(ii) Valuation techniques used to derive level 3 fair values

The fair value of the unlisted securities is determined by reference to the net assets of the underlying entities.

The carrying amounts of the loan portfolio approximate the fair values as they are short term receivables.

For all other financial assets, carrying value is an approximation of fair value. There were no transfers between level 1, 2 and 3 financial instruments during the period.

(iii) Fair value measurements using significant observable inputs (level 3)

The following table is a reconciliation of the movements in financial assets classified as level 3 for the year ended 30 June 2025:

Planloc Limited – Notes to the Financial Statements

At 30 June 2025	\$'000
Balance at beginning of the year	27,675
Additions	1,559
Loan repayment	(196)
Depreciation	(149)
Straight-line rental income	7
Fair value movement	(1,417)
Balance at end of the year	27,479

At 30 June 2024	\$'000 Restated Note 15
Balance at beginning of the year	27,871
Loan repayment	(196)
Depreciation	(62)
Straight-line rental income	18
Fair value movement	44
Balance at end of the year	27,675

20. Critical Accounting Estimates and Judgments

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. The Directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information.

Impairment

The Company assesses impairment at each reporting date by evaluating conditions specific to the Company that may lead to impairment of assets. Refer to Note 8.

Fair values of investment properties

The Company carries its investment property at fair value with changes in the fair value recognised through profit or loss. At the end of each reporting period, the Directors review and update their assessment of the fair value of the property, considering the most recent independent valuation.

The key assumptions used in this determination are set out in Note 9. Independent valuer yield represents the market rent divided by the property value, and the market yield the independent valuer has applied to arrive to the valuation. If there are any material changes in the key assumptions due to changes in economic conditions, the fair value of the investment properties may differ and may need to be re-estimated. For this report the property is held at the independent valuation carried out in June 2022. Based on the Directors' assessment, the valuation is appropriate and aligned with current occupancy rates and the market yield of 5.75%.

21. Basis of Preparation and Accounting policies

The Company is a public company, and part of the stapled WOTSO Group, which is incorporated

and domiciled in Australia. The financial statements for the Company were authorised for issue in accordance with a resolution of the Directors on the date they were issued.

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board (**AASB**) and the *Corporations Act 2001* (Cth). The financial statements of the Company also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

The financial statements have been prepared on an accruals basis and are based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied.

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial period. Any change of presentation has been made to make the financial statements more relevant and useful to the user.

Going concern

These financial statements have been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

Presentation of financial statements

Both the functional and presentation currency of the Company is Australian Dollars.

Investment properties

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the cost of replacing part of an existing investment property at the time that cost is incurred if the recognition criteria are met, and excludes the costs of day-to-day servicing of an investment property. Subsequent to initial recognition, investment properties are stated at fair value, which is based on active market prices, adjusted, if necessary, for any difference in the nature, location or condition of the specific asset at the balance sheet date. Gains or losses arising from changes in the fair values of investment properties are recognised in profit or loss in the year in which they arise.

Impairment of assets

At each reporting date, the Company reviews the carrying values of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. In assessing value in use, either the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset, or the income of the asset is capitalised at its relevant capitalisation rate.

An impairment loss is recognised if the carrying value of an asset exceeds its recoverable amount. Impairment losses are expensed to profit or loss. Impairment losses recognised in prior periods are assessed at each reporting date for any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised.

Planloc Limited – Notes to the Financial Statements

Borrowing costs

Borrowing costs directly attributable to the acquisition and construction of a qualifying asset are capitalised as part of the cost of the asset.

Non-derivative financial instruments

Non-derivative financial instruments comprise investments in equity and debt securities, trade and other receivables, cash and cash equivalents, loans and borrowings, and trade and other payables.

Non-derivative financial instruments are recognised at fair value plus, for instruments not at fair value through profit or loss, any directly attributable transaction costs. Subsequent to initial recognition non-derivative financial instruments are measured as described below.

Recognition

A financial instrument is recognised if the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Company's contractual rights to the cash flow from the financial assets expire, or if the Company transfers the financial assets to another party without retaining control of substantially all risks and rewards of the asset. Purchases and sales of financial assets are accounted for at the trade date, i.e. the date that the Company commits to purchase or sell the asset. Financial liabilities are derecognised if the Company's obligations specified in the contract expire or are discharged or cancelled.

Loans and receivables

Loans and receivables, including loans to related entities, are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, as well as through the amortisation process.

Financial assets

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or, if so designated by management. Unrealised gains and losses arising from changes in the fair value of these assets are included in the profit or loss in the period in which they arise, unless they relate to reversal of previous unrealised loss, which were then recognised in profit or loss.

Financial liabilities

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Fair value

The fair values of investments that are actively traded in organised financial markets are determined by reference to quoted market bid prices at the close of business on the balance date. For investments in related party unlisted unit trusts, fair values are determined by reference to published unit prices of these investments, which are based on the net tangible assets of each of the investments.

Impairment

At each reporting date, the Company assesses whether there is objective evidence that a financial instrument has been impaired. A financial instrument is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset. In the case of available for sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether an impairment has arisen.

An impairment loss in respect of a financial instrument measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the original effective interest rate. An impairment loss in respect of an available for sale financial asset is calculated by reference to its fair value.

Individually significant financial instruments are tested for impairment on an individual basis. The remaining financial assets are assessed collectively in groups that share similar credit risk characteristics.

Impairment losses are recognised in the profit or loss. An impairment loss is reversed if the reversal can be related objectively to an event occurring after the impairment loss was recognised. For financial instruments measured at amortised cost, the reversal is recognised in profit or loss.

Comparative figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year. Any change of presentation has been made in order to make the financial statements more relevant and useful to the user.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Trade and Other Receivables

Trade receivables are recognised and carried at the original invoice amount less a provision for any uncollectible debts. An estimate for expected credit losses is made when there is objective evidence that the Company will not be able to collect the receivable. Financial difficulties of the debtor and default payments are considered objective evidence of impairment. Bad debts are written off when identified as uncollectible.

Trade and other payables

Liabilities for trade creditors are carried at cost, which is the fair value of the consideration to be paid in the future for goods or services received, whether or not billed to the Company at balance date. The amounts are unsecured and are usually paid within 30 days of recognition.

Interest bearing borrowings

Interest bearing borrowings are initially recognised at fair value less any related transaction costs. Subsequent to initial recognition, interest bearing borrowings are stated at amortised cost.

Revenue

Revenue comprises rent and recovery of outgoings from property tenants. Rental income is accounted for on a straight-line basis over the lease term. Rent is recognised monthly in advance.

Investment

Interest income is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate.

Dividend revenue is recognised when the right to receive a dividend has been established, which in the case of quoted securities is the ex-dividend date.

Planloc Limited – Notes to the Financial Statements

In-specie distributions and returns of capital are brought onto the balance sheet by an adjustment in the carrying value of the relevant investment and then reflected in the comprehensive income as an unrealised gain.

Income Tax

Current income tax expense

The charge for current income tax expense is based on the profit for the year, adjusted for any non-assessable or disallowed items. It is calculated using the tax rates that have been enacted or are substantially enacted by the balance sheet date.

Accounting for deferred tax

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax calculation

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised, or liability is settled. Deferred tax is credited in the income statement, except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Deferred income tax assets

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Benefit brought to account

The amounts of benefits brought to account, or which may be realised in the future, is based on the assumption that no adverse change will occur in income taxation legislation, and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

GST

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

Equity

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

New accounting standards and interpretations

The Company has adopted all the new or amended Accounting Standards and Interpretations issued by the AASB that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. Based on our preliminary assessment, we do not expect them to have material impact on the Company.

Planloc Limited – Financial Statements

Consolidated Entity Disclosure Statement as at 30 June 2025

Subsection 295(3A)(a) of the *Corporations Act 2001* (Cth) does not apply to the Company as it is not required to prepare consolidated financial statements by Australian Accounting Standards.

Planloc Limited – Directors’ Report

Directors’ Report (Continued)

Information on officeholders

The names of the officeholders during and since the end of the year are set out below. Unless otherwise stated, officeholders have been in office since the beginning of the financial year.

Joseph (Seph) Glew

Non-Executive Director and Chairman

Seph has worked in the commercial property industry in New Zealand, the USA and Australia. Seph has driven large scale property development and financial structuring for real estate for over 50 years. In addition, since the early 1990s Seph has run many “turn-around” processes in relation to distressed properties and property structures for both private and institutional property owners.

While working for the Housing Corporation of New Zealand and then AMP, Seph qualified as a registered valuer and holds a Bachelor of Commerce. In the 1980s he served as an Executive Director with New Zealand based property group Chase Corporation and as a Non-Executive Director with a number of other listed companies in New Zealand and Australia.

Jessica Glew

CEO and Executive Director

Jessie is the CEO and COO of WOTSO. Prior to her appointment as CEO, Jessie was Joint Managing Director of both WOTSO and BlackWall Limited (ASX: BWF), the listed property and fund manager and previous manager of WOTSO. Jessie has been with the BlackWall Group since early 2011 and has over 15 years’ experience in the property industry, specifically in development and operations. Jessie also holds a Bachelor of International Communication from Macquarie University and a class one NSW real estate licence.

Jessie joined the Board of The Kids’ Cancer Project in 2022, providing insights and operational knowledge to help support the charity. Since 2024 Jessie has sat on the Board of Flexible Workspace Australia, the peak body for coworking and flexible workspace providers and partners across all cities and regions of Australia.

Richard Hill

Non-Executive Director

Richard Hill has extensive investment banking experience and was the founding partner of the corporate advisory firm Hill Young & Associates. Richard has invested in BlackWall's projects since the early 1990s. Prior to forming Hill Young, Richard held a number of Senior Executive positions in Hong Kong and New York with HSBC. He was admitted as an attorney in New York State and was registered by the US Securities & Exchange Commission and the Ontario Securities Commission. Richard has served as a Director (Chairman) of the Westmead Institute for Medical Research and Director (Chairman) of Sirtex Medical Limited (Sirtex), formerly listed on ASX.

Paul Tresidder

Non-Executive Director

Paul has considerable experience in retail management, leading, development and strategic planning. He spent eight years with Lendlease where he held a number of roles, including National Leasing Manager, before being appointed to the position of Divisional Manager responsible for half of the General Property Trust retail portfolio. Paul and fellow Lendlease executive Guy Wynn, formed a property management company which was subsequently acquired by Baillieu Knight Frank. In 1993, Paul joined Seph Glew in the development business that would ultimately become ASX listed BlackWall Limited.

Agata Ryan

Company Secretary

Agata joined WOTSO in 2023 as the Head of Legal and Company Secretary. Agata oversees all aspects of WOTSO's commercial and fund transactions, corporate governance and regulatory functions, and investor relations. Prior to joining WOTSO, Agata was a property lawyer working at law firms, ranging from top tier to boutique, as well as legal counsel in the commercial property legal team at Stockland. Agata is admitted as a solicitor of the Supreme Court of New South Wales and the High Court of Australia and holds a Bachelor of Arts, Master of Commerce and Juris Doctor from UNSW.

Meeting attendances

Director	Board Meetings	Board Meeting Attendance	Audit Committee Meetings	Audit Committee Meeting Attendance
Seph Glew	5	5	-	-
Jessica Glew	5	5	-	-
Richard Hill	5	5	3	3
Paul Tresidder	5	5	3	3

Environmental regulation

The Company's operations are not regulated by any environmental regulation under a law of the Commonwealth or of a State or a Territory, other than those that pertain to the ownership and development of real estate.

Indemnities of officers

During the financial year, the Company paid premiums to insure each of the Directors named in this report, along with officers of the Company, against all liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of director or officer of the Company, other than conduct involving a wilful breach of duty.

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an auditor to the Company.

Auditor and non-audit services

\$23,133 and \$2,588 were paid to the auditor for audit and non-audit services respectively during the financial year (2024 - \$22,252 and \$2,228 respectively) as detailed in Note 14. The Directors are satisfied that the provision of non-audit services is compatible with the general standard of independence for auditors imposed by the *Corporations Act 2001* (Cth). The nature and scope of each type of non-audit service provided means that auditor independence was not compromised.

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* (Cth) is set out in these financial statements.

ESV Business Advice and Accounting continues in office in accordance with section 327 of the *Corporations Act 2001* (Cth).

Planloc Limited – Directors’ Report

Rounding of amounts

The Company is of a kind referred to in ASIC Legislative Instrument 2016/191, and in accordance with that legislative instrument amounts in the Directors’ Report and the financial statements are rounded off to the nearest thousand dollars, unless otherwise indicated.

Subsequent events and significant changes in affairs

To the best of the Directors’ knowledge, since the end of the financial year there have been no matters or circumstances that have materially affected the Company’s operations, or may materially affect its operations, state of affairs or the results of operations in the current or future financial years.

Planloc Limited – Directors' Declaration

Directors' Declaration

In the Directors' opinion:

- (a) the financial statements and notes are in accordance with the *Corporations Act 2001* (Cth), including:
 - (i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Company's financial position as at 30 June 2025 and of its performance for the financial period ended on that date; and
- (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

The Statement of Significant Accounting Policies confirms that the financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

The Directors have been given the declarations by the Chief Executive Officer and Chief Financial Officer required by section 295A of the *Corporations Act 2001* (Cth).

In the Directors' opinion, the attached consolidated entity disclosure statement is true and correct.

This declaration is made pursuant to a resolution of the Board of Directors.

AUDITOR’S INDEPENDENCE DECLARATION UNDER SECTION 307C OF THE CORPORATIONS ACT 2001

As auditor for the audit of Planloc Limited for the year ended 30 June 2025, I declare that, to the best of my knowledge and belief, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Dated at Sydney on the 20th day of August 2025.

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF PLANLOC LIMITED

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Planloc Limited (‘the Company’), which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes including a summary of significant accounting policies, and the directors’ declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Company’s financial position as at 30 June 2025 and of its financial performance for the year then ended; and
- complying with *Australian Accounting Standards* and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board’s APES 110 Code of Ethics for Professional Accountants (including the Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report of the current period. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF PLANLOC LIMITED

Valuation of Investment Property	
Key Audit Matter	How the scope of our audit responded to the risk
As of 30 June 2025, the investment property is valued at \$26.25 million (June 2024: \$26.25 million) which is significant to the balance sheet. The investment property is recorded at fair value. For several properties disclosed in note 9 of the financial statements, valuations recorded at year end are based on independent valuations performed during the year. The remaining properties’ value is based on Director’s valuation which is based on prior independent valuations obtained then adjusted for tenancy changes and capital expenditure incurred since that date till year end. Valuation for properties acquired during the year is based on cost and adjusted for capital expenditure incurred since the acquisition date till year end. The external valuation make several property specific key estimates and assumptions; assumptions in relation to market comparable yields and estimates in relation to future rental income increases or decreases and discount rates and other inputs. Australian interest rates have declined over the period from 30 June 2024 to 30 June 2025, reversing the sharp rises of prior years. With market-based transaction evidence still limited, management continued to mitigate valuation risk by engaging independent experts to determine the fair value of selected investment properties. Our audit approach reflected the impact of the lower-rate environment on property values by critically evaluating key valuation inputs - such as lease-expiry profiles, rent concessions, forecast rental-growth assumptions, and expected vacancy-and-lease-up periods - against current market data and industry benchmarks. The valuation of the property investment is the key driver of the net assets value and total return. Incorrect valuation could have significant impact on the investment valuation and, therefore, the return generated to the members of the company.	Our procedures included, but were not limited to: ➤ Reconcile the recorded value of investment property in financial statements to underlying general ledger. ➤ Obtained copies of independent valuers’ valuation report and compared the values to recorded valuation in general ledger and made inquiries regarding changes in tenancy levels and level of capital expenditure incurred and assess the reasonableness of impact it has on the valuation of the property. ➤ We performed following procedures: — Assessed reasonableness of key judgements, assumptions and inputs used, such as lease incentives, rental growth rates, let up periods, allowances for rent waivers and deferrals. — Compared the yield rates used in the calculation to other market participants. — Agreed key inputs to underlying tenancy schedule. — Review independent valuer’s competence and objectivity as independent valuer. — Obtain tenancy schedule and considered if there are any significant movements that could result in a change in value. — Performed a sensitivity analysis on the significant assumptions. ➤ Assessing the disclosures in the financial report including using our understanding obtained from the testing against the requirements of the accounting standard. Based on our work performed, we conclude the valuation of the investment property is not materially misstated as at year end

INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF PLANLOC LIMITED

Other Information

Other information is financial and non-financial information in the Company’s annual report which is provided in addition to the Financial Report and the Auditor’s Report for the year ended 30 June 2025. The directors of the Company are responsible for the other information. The other information comprises the information included in the Directors’ report (pages 3 and 16-17) which we obtained prior to the date of this auditor’s report but does not include the financial report and our auditor’s report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Directors’ Responsibilities for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor’s Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar2.pdf This description forms part of our auditor’s report.

Dated at Sydney on the 20th day of August 2025.
