

APPOINTMENT OF MANAGING DIRECTOR

Summit Minerals Limited (ASX:SUM) (“**Summit**” or the “**Company**”) is pleased to announce the appointment of Dr Matthew Cobb as Managing Director, transitioning from his position of Chief Executive Officer since his appointment on 10 March 2025.

Dr Cobb has a PhD in Geology and 20 years of mining experience. He brings a wealth of expertise in exploration, project development, mine operation, and leadership within the minerals sector. His background includes leadership roles at Fortuna Mining, Silver Lake Resources, CSA Global, and Consolidated Minerals, where he has driven exploration and operational efficiencies and contributed to significant mineral discoveries.

Mr Gower He has decided to step down as Executive Director effective immediately to pursue other business opportunities. The Board thanks Gower for his contributions since his appointment in October 2023 and wishes him well with his future endeavours.

Dr Cobb will continue to lead Summit in advancing its 100% owned Ecuador Niobium and Rare Earth Elements Project situated in the Borborema Pegmatitic Province in northeast Brazil and will provide shareholders further updates on the upcoming exploration activities.

This announcement has been approved by the Board of Directors.
