AGENDA

2016 ANNUAL FINANCIAL STATEMENTS

To lay before the Meeting and consider the Annual Financial Statements of the Company for the financial year ended 30 June 2016 together with the declaration of the Directors, the Directors’ Report, the Remuneration Report and the Auditor’s Report.

RESOLUTION 1: NON-BINDING RESOLUTION – REMUNERATION REPORT

To consider and, if thought fit, to pass the following resolution as a non-binding ordinary resolution:

“That the Company approves the adoption of the Remuneration Report, included within the Directors’ Report, for the year ended 30 June 2016.”

Voting Note:

In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the Company’s key management personnel (including the Directors), whose remuneration details are included in the Remuneration Report, or any of that person’s closely related parties (such as close family members and any controlled companies of those persons) (collectively referred to as a **Restricted Voter**). However, the Company need not disregard a vote if:

- it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on Resolution 1; and
- it is not cast on behalf of a Restricted Voter.

If you appoint the person chairing the meeting (**Chairman**) as your proxy and you are not a Restricted Voter by marking the box on, and submitting, the Proxy Form you authorise the Chairman to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Company’s key management personnel and you will be taken to have directed the Chairman to vote in accordance with his stated intention to vote in favour of Resolution 1. If you have appointed the Chairman as your proxy and you do not want your vote exercised in favour of Resolution 1, you should not mark the box on the Proxy Form or otherwise direct the Chairman to vote “against” or to “abstain” from voting on Resolution 1.

Please refer to the Proxy and Voting Instructions on page 4.

PROPOSED RESOLUTIONS – ORDINARY BUSINESS

RESOLUTION 2: RE-ELECTION OF DIRECTOR – MR DANIEL (NIEL) PRETORIUS

"That Mr Michael Quinert, a Director who retires by rotation in accordance with the Constitution of the Company, being eligible, is re-elected as a Director of the Company".

RESOLUTION 4: APPROVAL OF PLACEMENT FACILITY

To consider, and if thought fit, pass with or without amendment the following resolution as a **special resolution**:

"THAT for the purposes of ASX Listing Rule 7.1A, shareholders approve the Company having the capacity to issue fully paid ordinary shares in the capital of the Company up to the maximum number permitted under ASX Listing Rule 7.1A.2 at an issue price which is not less than 75% of the volume weighted average market (closing) price of the Company's ordinary shares calculated over the last fifteen (15) days on which trades of the Company's ordinary shares were recorded on ASX immediately before the date on which the issue price is agreed or the date the issue is made as described in the Explanatory Memorandum which accompanied and formed part of this Notice."

Voting Note:

If as at the time of the Meeting, the Company:

- is included in the S&P/ASX 300 Index; and/or
- has a market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of greater than AU\$300 million,

then this Resolution will be withdrawn.

Voting Exclusion Statement:

The Company will disregard any votes cast on this Resolution by:

- persons who may participate in the proposed issue and persons who might obtain a benefit except a benefit solely in the capacity of a holder of ordinary shares, if the resolution is passed; and
- an associate of those persons.

However, the Company need not disregard a vote on this Resolution if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Dated: 24 October 2016

The accompanying Proxy Instructions and Explanatory Memorandum form part of this Notice.

PROXY & VOTING INSTRUCTIONS

Voting Entitlements

The Board has determined, in accordance with the Company's Constitution and the Corporations Act 2001 (Cth) that a shareholder's voting entitlement at the Meeting will be taken to be the entitlement of that person shown in the register of members as on Wednesday 23 November 2016 at 2:00pm.

On a poll, members have one vote for every fully paid ordinary share held. Holders of options are not entitled to a vote for any options held.

Proxy Instructions

A member entitled to vote has a right to appoint a proxy. If a member is entitled to cast two or more votes they may appoint one or two proxies and specify the percentage of votes each proxy is entitled to exercise. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes in which case any fraction of votes will be disregarded. The proxy may, but need not, be a member of the Company.

The Proxy Form (and the power of attorney or other authority, if any, under which the proxy form is signed) must be deposited at or posted to the Company's registered office at Suite 1, 1233 High Street, Armadale, Victoria 3143, or by facsimile to +61 (0)3 9822 7735, to arrive not less than 48 hours before the time for holding the Meeting, or adjourned meeting as the case may be, at which the individual named in the proxy form proposed to vote.

The proxy form must be signed by the member or his/her attorney duly authorised in writing or, if the member is a corporation, in a manner permitted by the Corporations Act. A proxy given by a foreign corporation must be executed in accordance with the laws of that corporation's place of incorporation. If you sign the proxy form and do not appoint a proxy, you will have appointed the Chairman of the meeting as your proxy.

A proxy form is attached to this Notice.

How the Chairman will vote undirected proxies

The Chairman of the Meeting intends to vote undirected proxies on, and in favour of, all of the proposed resolutions, except for Resolution 1 (Remuneration Report). Any undirected proxies held by the Chairman of the Meeting will not be voted on Resolution 1, unless an express authorisation is given on the proxy form.

Proxies that are undirected on Resolution 1 (Remuneration Report)

If you appoint the Chairman of the Meeting as your proxy (or if he may be appointed by default) and do not direct him how to vote on Resolution 1 or do not expressly authorise him to vote undirected proxies, he will not vote your proxy on that item of business. Accordingly, if you appoint the Chairman of the Meeting as your proxy (or if he may be appointed by default), you should direct him how to vote on Resolution 1 to authorise him to vote your undirected proxy, if you want your shares to be voted on that item of business.

If you appoint any other director of the Company or any other member of the Company's key management personnel, or any of their closely related parties, they will not be able to vote undirected proxies on Resolution 1. Key management personnel of the Company comprise the directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies key management personnel for the year ending 30 June 2016. Their closely related parties are defined

in the Corporations Act 2001 (Cth) and include specified family members, dependants and companies they control.

Corporate Representatives

Any corporation which is a member of the Company may appoint a proxy, as set out above, or authorise (by certificate under common seal or other form of execution authorised by the laws of that corporation's place of incorporation, or in any other manner satisfactory to the chairperson of the Meeting) a natural person to act as its representative at any general meeting or appoint an attorney. Corporate representatives are requested to bring appropriate evidence of appointment as a representative in accordance with the constitution of the Company. Attorneys are requested to bring the original or a certified copy of the power of attorney pursuant to which they were appointed. Proof of identity will also be required for corporate representatives and attorneys.

Special Resolution

Resolution 4 is proposed as a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum ("**Memorandum**") has been prepared for the information of members of West Wits Mining Limited (ABN 89 124 894 060) (the "**Company**") in connection with the business to be conducted at the Annual General Meeting ("**Meeting**") of Shareholders of the Company to be held at The CFO Solution Suite 1, 1233 High Street Armadale VIC 3143, on Friday 25 November 2016 at 2:00pm AEDST.

This Memorandum should be read in conjunction with the accompanying Notice of Annual General Meeting ("**Notice**").

ORDINARY BUSINESS

2016 Annual Financial Statements

Section 317 of the Corporations Act 2001 (Cth) requires each of the Annual Financial Report (which includes the Annual Financial Statements and Director's Declaration), the Directors' Report, Remuneration Report and the Auditor's Report for the last financial year to be laid before the Meeting. The Company's Constitution also provides for these reports to be received and considered at that meeting. There is no requirement for these reports to be formally approved by shareholders.

Shareholders attending the Meeting will have the opportunity to put questions to the Board and make comments on matters contained in that Annual Financial Report and the management of the Company. A representative of the auditor will be invited to attend to answer questions about the audit of the Company's Annual Financial Statements.

The reports referred to in the Notice are included in the 2016 Annual Financial Report, which at their election, has been made available to all shareholders on-line or by post. If you have not elected to receive a hard copy of the Company's 2016 Annual Financial Report and wish to access it online, it is available at the Company's website www.westwitsmining.com under the heading "Investors".

No resolution is required to be moved in respect of this item.

Resolution 1: Non-binding Resolution – Remuneration Report

The Company is required by section 250R(2) of the Corporations Act 2001 (Cth), to propose a resolution that the Remuneration Report of the Company be adopted. The Remuneration Report is contained within the Directors' Report in the 2016 Annual Financial Report and sets out the Company's remuneration arrangements for directors.

Shareholders attending the Meeting will have the opportunity to discuss and put questions in respect of the Remuneration Report, and shareholders will be asked to vote on a non-binding resolution to adopt the Remuneration Report.

This resolution is advisory only and does not bind the Company or its directors. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the 2016 Annual General Meeting when reviewing the Company's remuneration policies. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings ("**AGM**") (treating this AGM as the first such meeting), shareholders will be required to vote at the second of those AGM's on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director and CEO) must be put up for re-election. At the 2015 AGM greater than 75% of the votes cast on the adoption of the Remuneration Report contained in the Company's 2015 Annual Financial Statements was in favour of its adoption and therefore on this occasion a spill resolution will not be required in the event that 25% or more of votes that are cast are against the adoption of the 2016 Remuneration Report. However, in the event that 25% or more of votes that are cast are against the adoption of the 2016 Remuneration Report, shareholders should be aware that if there is a 'no' vote of 25% or more at the same resolution at the 2017 AGM the consequences are that it may result in the re-election of the Board.

Any undirected proxies held by the Chairman of the Meeting will not be voted on Resolution 1 unless, by marking the box on the proxy form, the shareholder granting the proxy expressly authorises the Chairman to exercise the undirected proxy on Resolution 1. Undirected proxies held by other directors or other key management personnel or any of their closely related parties will not be voted on this Resolution. 'Closely related parties' are defined by the Corporations Act 2001 (Cth), and include specified family members, dependants and companies they control.

If you chose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution by marking either "For", "Against" or "Abstain" on the proxy form for this Resolution.

Resolutions 2 and 3: Re-election of Directors

Article 20.2 of the Constitution of the Company requires that, at each Annual General Meeting, one third of the directors (being two directors) automatically retire from office and are eligible for re-election. It is further provided that the directors who are to retire by operation of this rule are those who have been in office the longest. Therefore, Mr Daniel (Niel) Pretorius and Mr Michael Quinert will retire by rotation at this Meeting.

Mr Niel Pretorius

Mr Pretorius was appointed as a Non-Executive Director of the Company on 1 August 2007.

Mr Pretorius was appointed Group Legal Counsel of DRDGold Limited (DRDGold) in 2003 and Chief Executive Officer of DRDGold Ltd in January 2009. He has over 15 years' experience in the mining industry. Mr Pretorius has been present through the re-focus of DRDGold's strategic plan back towards their core South African operations. Since this re-focus, Niel has overseen significant increases in resources at DRDGold's operations, improved efficiencies in their surface retreatment operations and commissioned the ERGO tailings recovery plant.

Mr Pretorius, being eligible, offers himself for re-election as a director at this Meeting.

Mr Michael Quinert

Mr Quinert was appointed as a Non-Executive Director of the Company on 13 April 2007.

Mr Quinert graduated with degrees in economics and law from Monash University and has over 30 years' experience as a commercial lawyer, including three years with the Australian Securities Exchange Limited and over 20 years' experience as a partner in a Melbourne law firm. He has extensive experience in assisting and advising public companies on capital raising and market compliance issues and has regularly advised publicly listed mining companies.

Mr Quinert, being eligible, offers himself for re-election as a director at this Meeting.

Resolution 4: Approval of Placement Facility

Under ASX Listing Rule 7.1A certain companies may seek shareholder approval by special resolution passed at an annual general meeting to have the additional capacity to issue equity securities which do not exceed 10% of the existing ordinary share capital without further shareholder approval.

The Company obtained shareholder approval for the issue of ordinary shares under Listing Rule 7.1A at its 2015 Annual General Meeting. No shares have been issued by the Company since the date of obtaining shareholder approval at the Company's 2015 Annual General Meeting pursuant to ASX Listing Rule 7.1A.

During the 12 month period preceding this Notice of Meeting, being on and from 30 November 2015 the Company has not issued any securities.

The Company seeks to refresh this shareholder approval so as to continue to be able to issue ordinary shares (if necessary) under Listing Rule 7.1A following the 2016 Annual General Meeting.

If this Resolution is approved the Company may make an issue of ordinary shares under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- the date which is 12 months after the date of the Annual General Meeting; or
- the date on which shareholders approve a transaction under Listing Rule 11.1.2 or 11.2.

Accordingly, the approval given if this Resolution is passed will cease to be valid on the earlier of Friday 25 November 2017 (being the date 12 months after the date of this AGM) or the date on which holders of the Company's ordinary securities approve a transaction under Listing Rule 11.1.2 or 11.2.

At the date of this Memorandum, the Company is an 'eligible entity', and therefore able to seek approval under Listing Rule 7.1A, as it is not included in the S&P/ASX300 and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million). If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

The maximum number of ordinary shares which may be issued in the capital of the Company under the approval sought by this Resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

$(A \times D) - E$

where:

- A is the number of shares on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the 12 months;
 - (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4 (this does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval);
 - (iv) less the number of fully paid shares cancelled in the 12 months.
- D is 10%
- E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1. The effect of this Resolution will be to allow the Company to issue

ordinary shares under Listing Rule 7.1A without using the Company's 15% placement capacity under Listing Rule 7.1.

As at the date of this Memorandum, the Company has 456,203,370 ordinary shares on issue and would therefore have capacity to issue:

- 68,430,505 equity securities under Listing Rule 7.1 (ie. 15%); and
- subject to shareholders approving this Resolution, 45,620,337 ordinary shares under Listing Rule 7.1A (10% capacity).

The actual number of equity securities the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 2(c) above). These calculations have not taken into consideration the potential effect of the exercise of options.

The issue price of the ordinary shares issued under Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the ordinary shares the subject of this Resolution will be issued is 75% of the volume weighted average market (closing) price ("VWAP") of the Company's ordinary shares over the 15 days on which trades in that class were recorded immediately before either:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within five ASX trading days of the date in paragraph (a) the date on which the securities are issued.

If this Resolution is approved, and the Company issues ordinary shares under Listing Rule 7.1A, the existing shareholders' voting power in the Company will be diluted. There is a risk that:

- the market price for the Company's ordinary shares may be significantly lower on the issue date than on the date of the approval of this Resolution; and
- the ordinary shares issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to market price for the Company's ordinary shares on the issue date;

which may have an effect on the amount of funds raised by the issue.

The table set out in the following page shows the dilution of existing shareholders on the basis of:

- The current market price of the Company's ordinary shares and the current number of ordinary securities as at the date of this Memorandum.
- Two examples where the number of ordinary shares on issue ("A" in the formula set out above) has increased by 68,430,505 (i.e. 15%) to a total of 524,633,875 shares and increased by 456,203,370 (i.e. 100%) shares to a total of 912,406,740 shares. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require shareholder approval (for example, pro-rata entitlements issues) or as a result of future placements under Listing Rule 7.1 that are approved by shareholders.
- Two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at the date of this Memorandum.

Notes:

- (i) The table takes into consideration the number of shares the Company anticipates it will have on issue at the completion of the rights issue.
- (ii) The table assumes the Company issues the maximum number of ordinary shares available under Listing Rule 7.1A.
- (iii) The table assumes no options are exercised in ordinary shares before the date of the issue of ordinary shares under Listing Rule 7.1A.
- (iv) The table does not show an example of dilution that may be caused to a particular shareholder by reason of issues of ordinary shares under Listing Rule 7.1A based on that shareholder's holding at the date of this Memorandum.
- (v) The table shows the effect of an issue of ordinary shares under Listing Rule 7.1A, not under the Company's 15% placement capacity under Listing Rule 7.1.
- (vi) The table does not demonstrate the effect of listed options being issued under ASX Listing Rule 7.1A, it only considers the issue of fully paid ordinary security

* Any issue of ordinary shares is required to be made in accordance with the ASX Listing Rules. Any issue made other than under the Company 15% capacity (Listing Rule 7.1) or the Company's additional 10% capacity (Listing Rule 7.1A) and not otherwise made under an exception in Listing Rule 7.2 (for example, a pro-rata rights issue) would require shareholder approval.

** Based on closing price of the Company's shares on ASX on 14 October 2016 of 3.2 cents (\$0.032).

If Resolution 4 is approved the Company will have the ability to issue up to 10% of its issued capital without further shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this Memorandum the Company has not formed an intention to offer any ordinary shares under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of ordinary shares under Listing Rule 7.1A will depend on the issue price of the ordinary shares which will be determined at the time of issue. In some circumstances the Company may issue ordinary shares under Listing Rule 7.1A for non-cash consideration (for example, in lieu of cash payments to consultants, suppliers or vendors). While the Company has not formed an intention to offer any ordinary shares under Listing Rule 7.1A, some of the purposes for which the Company may issue ordinary shares under Listing Rule 7.1A include (but are not limited to):

- Raising funds to be applied to the Company's working capital requirements and develop the Company's existing projects.
- Acquiring assets. In these circumstances the issue of the ordinary shares may be made in substitution for the Company making cash payment for the assets. If the Company elects to issue the ordinary shares for the purpose of acquiring assets, the Company will release to the market a valuation of the assets prior to issuing the shares.
- Paying suppliers or consultants of the Company.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.5A at the time the issue is made.

The allottees of equity securities to be issued under the 10% placement capacity have not yet been determined. However, the allottees of equity securities could consist of current shareholders or new investors (or both). No securities will be offered to related parties or associates of related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% placement capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) the capital raising and acquisition opportunities available to the Company;
- (iii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iv) the effect of the issue of the equity securities on the control of the Company;
- (v) the Company's circumstances, including, but not limited to, its financial position solvency, and likely future capital requirements;
- (vi) prevailing market conditions; and
- (vii) advice from corporate, financial and broking advisers (if applicable).

Resolution 4 is a special resolution. For a special resolution to be passed, at least 75% of votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that shareholders vote in favour of this Resolution.

A voting exclusion statement is set out in the Notice.

If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

4 How the Chairman will vote undirected proxies

If you appoint the person chairing the meeting as your proxy and you are not a Restricted Voter by marking the box and submitting the Proxy Form you authorise the person chairing the meeting (the Chair) to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Company's key management personnel, and you will be taken to have directed the Chair to vote in accordance with his or her stated intention to vote in favour of Resolution 1.

If you have appointed the Chair as your proxy he or she can only cast your votes on Resolution 1 if you expressly authorise him or her to do so by marking the box on the proxy form or if you direct the Chair how to vote by marking either 'for', 'against' or 'abstain' for that item of business.

5 Appointment of a Second Proxy

You are entitled to appoint up to two persons as proxies to attend the AGM and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form.
