Completion of Broadway acquisition

Sydney, Australia – Aumake Limited (**ASX: AUK, Aumake, or the Company**), is pleased to advise it has completed the acquisition of Broadway, a leading inbound Asian tourism business in Australia and New Zealand.

Broadway continues to actively maintain over 100 Asian travel agent relationships and retain key management. The preservation of these key relationships will ensure that Broadway is well positioned to take advantage of growth opportunities when international borders reopen, given that key competitors have withdrawn from the inbound Asian tourism market in Australia and New Zealand. Broadway will also continue to work on initiatives to utilise tourism networks while international borders are closed, which include the opening of new Asian markets such as Japan and online revenue growth.
