Explanatory Notes to Notice of Annual General Meeting

This explanatory memorandum has been prepared to assist members with their consideration of the resolutions to be put to the Annual General Meeting to be held on 3 November 2014. These explanatory notes should be read with, and form part of, the accompanying Notice of Annual General Meeting.

Ordinary business

Item 1: Financial statements and Reports

The first item of the Notice of Annual General Meeting deals with the presentation of consolidated financial report of the Company, the Directors' Report and the Independent Auditor's Report for the financial year ended 30 June 2014. Shareholders are invited to consider these reports and seek explanation, if required, from the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Item 2: Re-election of Directors

Resolutions 1 and 2 – Re-election of Mr Shaw Pao Sze and Mr Kok Yew Sim as Directors

Background

Clause 13.5 of the Company's Constitution requires one third of the directors (excluding the Managing Director) to retire at each Annual General Meeting. If their number is not three or a multiple of three, then the number nearest but not exceeding one-third shall retire from office by rotation. Any Director who retires in accordance with clause 13.5 is eligible for re-election at the Annual General Meeting. There are five Directors who are subject to the rotation provisions, namely Messrs Lim, Leong, Millard, KH Sim and Sze. One of these directors must retire and the longest serving director is Mr Sze. Mr Sze offers himself for re-election and, being eligible, seeks re-election as director of the Company.

Clause 13.9 of the Company's Constitution stipulates that the directors have power at any time to appoint any person to be a director either to fill a casual vacancy or as an addition to the existing directors. The director will hold office until the end of the next annual general meeting of the Company when the director may be re-elected but will not be taken into account in determining the number of directors who must retire by rotation. The directors must not make an appointment so that the total number of directors at any time exceeds the maximum number fixed in accordance with this Constitution. Mr Kok Yew Sim was appointed to the board on 25 September 2014 after the last annual general meeting. As a result, Mr Kok Yew Sim retires in accordance with clause 13.9 of the Company's Constitution and, being eligible, seeks re-election as director of the Company.

Mr Shaw Pao Sze

Mr SP Sze was appointed to the board on 19 February 2010. Mr SP Sze holds a Master Foreign-Going Certificate of Competency and has extensive experiences in maritime industry from managing liner and ship chartering services and corporate planning in one of the world's largest shipping lines and in consultancy services for transport engineering, maritime and logistics planning for infrastructure projects.

The Directors (with Mr SP Sze abstaining) recommend that you vote in favour of this resolution.

Mr Kok Yew Sim

Mr Kok Yew Sim was first appointed to the Board as an Alternate Director to Mr Kok Hwee Sim on 5 July 2010. His appointment as an alternate director ended on 25 September 2014 and was made an Executive Director on the same day. Mr Kok Yew Sim is a Director and Chief Executive Officer of Sys-Mac Automation Engineering Pte Ltd ("Sys-Mac") and is responsible for Sys-Mac's growth strategies, overall administration and management of its business and operations. Sys-Mac is the fulcrum point for our thrust into technologies. Mr Sim is expected to helm our drive in this new direction taken by the Group and as such his appointment will facilitate his contribution to the Board.

Mr Kok Yew Sim graduated with a Bachelor's degree in Electrical and Electronics Engineering from the University of Michigan with Honours (Summa Cum Laude). He is the second son of the Chairman and Managing Director, Mr G L Sim and a director of substantial shareholder, SNS Holdings Pte Ltd.

The Directors (with Mr K Y Sim abstaining) recommend that you vote in favour of this resolution.

Item 3: Remuneration Report

Resolution 3 – Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires that a resolution be put to the shareholders that the Remuneration Report be adopted at the annual general meeting (“AGM”) of a listed company. A reasonable opportunity will be provided for discussion of the remuneration report at the meeting. The resolution is advisory only and does not bind the Directors of the Company. The remuneration report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors’ report contained in the Annual Report of the Company for the financial year ended 30 June 2014.

Under the changes to the Corporations Act which came into effect on 1 July 2011, if 25% or more of the votes cast are against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a ‘spill’ resolution) that another meeting be held within 90 days at which all the Company’s Directors other than the Managing Director stand for re-election.

At the Company’s 2013 AGM, less than 25% of the votes cast were against the Remuneration Report. Accordingly, the Spill Resolution is not relevant for this AGM.

Voting Exclusion

Please note that a voting exclusion applies to Resolution 3 as set out in the Notice of Meeting. In particular, Key Management personnel whose remuneration details are included in the Remuneration Report may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of the Key Management Personnel. The Chair intends to vote all available proxies in favour of this Resolution.

Item 4: Renewal of Proportional Takeover Provisions

Resolution 4 – Renewal of Clause 28 of the Constitution: Proportional Takeover Provisions

At the Company’s General Meeting held on 28 August 2008, shareholders approved the renewal of Clause 28 of the Company’s Constitution which specifically provides that registering a transfer resulting from the acceptance of an offer made under a proportional takeover bid is prohibited unless and until an ordinary resolution approving the proportional takeover bid is passed by the holders of the bid class shares.

In accordance with section 648G(1) of the Corporations Act 2001 and the Constitution, Clause 28 will cease to have effect after 20 November 2014 unless again renewed for a further 3 years.

Renewal of proportional takeover provisions

The Directors consider that it is in the interests of the shareholders for the operation of the proportional takeover provisions to continue and accordingly propose that Clause 28 be renewed and will remain effective for 3 years until 20 November 2017 before shareholders must again consider the provisions.

The renewal of the proportional takeover provisions is a special resolution and therefore requires 75% of the persons present (in person or proxy) and entitled to vote and voting, to vote in favour of this resolution.

The information set out below is required to be included in this Explanatory Note by section 648(5) of the Corporations Act.

Reasons for the renewing proportional takeover provisions

A proportional takeover bid is an off-market bid to buy a specified portion of each shareholder’s shares. Without the provisions, a proportional takeover bid for the company might enable a bidder to obtain control of the Company without shareholders having an opportunity to sell all their shares.

The provision gives shareholders the opportunity to decide whether a proportional takeover bid should proceed. If a meeting of shareholders approves such a bid, individual shareholders can make separate decisions as to whether or not they wish to accept that bid for the specified proportion of their shares.

Present acquisition proposal

At the date of this notice, no Director is aware of a proposal by a person to acquire, or to increase, a substantial interest in the Company.

Item 4: Renewal of Proportional Takeover Provisions (cont'd)

Advantages and disadvantages

As far as the Directors are aware, at the date of this notice there have not been any actual advantages or disadvantages to either the Directors or shareholders arising from the proportional takeover provisions.

Potential advantages of renewal - shareholders

The proportional takeover provisions give shareholders a mechanism to decide whether any proportional takeover bid should proceed or not.

The provisions ensure that all shareholders have an opportunity to consider a proportional takeover bid and vote on whether it should be permitted to proceed. This should ensure that any future proportional takeover bid is structured to be attractive to a majority of independent shareholders.

Potential disadvantages of renewal - shareholders

The approval provisions may make a proportional takeover more difficult to achieve and therefore discourage proportional bids. This in turn, may reduce opportunities that shareholders may have to sell shares in the Company at an attractive price to persons seeking control of the Company and may therefore eliminate any element of takeover speculation from the Company's share price.

The provisions may also be seen to constitute an additional restriction on the ability of shareholders to deal freely with their shares.

Potential advantages and disadvantages of renewal - Directors

There are no specific advantages or disadvantages for the Directors (in their capacity as Directors of the Company) of the proportional takeover provisions.

The Directors unanimously recommend that you vote in favour of this resolution.

Item 5: Payment of Performance Bonus in Shares

Resolution 5 – Partial payment of performance bonus to Mr Giok Lak Sim in shares of the Company.

Background

In accordance with the terms of his service agreement, Mr GL Sim is entitled to convert part of his performance bonus up to no more than 50% of the amount payable into the Company's shares at the average of the closing prices of the last 5 trading days before the end of the relevant financial year. Such entitlement must be exercised within 7 working days after the financial year-end.

Mr GL Sim has elected to convert 50% of his performance bonus amounting to S\$102,328 into fully paid ordinary shares ("Shares") in the Company.

The share will be issued at A\$0.22 which was the average closing prices of the last 5 trading days before 30 June 2014. The Shares will rank pari passu with the ordinary existing shares of the Company. No funds will be raised from the issue of these shares as shares are being issued in lieu of cash payment of performance bonus.

Regulatory requirements

Section 208 of the Corporations Act provides that the Company must not give a financial benefit to a related party except under certain circumstances including, where the benefit is "reasonable remuneration" or circumstances in which the shareholders approve the giving of the financial benefit.

The Directors consider that the proposed grant of Shares is reasonable remuneration for the grantee and in accordance with the Company's remuneration policy.

ASX Listing Rule 10.11 provides that a listed company must not issue or agree to issue any shares to a related party without the approval of shareholders.

Accordingly, shareholder approval is sought under ASX Listing Rule 10.11 for the proposed grant of Shares to Mr GL Sim.

Item 5: Payment of Performance Bonus in Shares (cont'd)

Opportunity costs

i) Dilution of capital

The maximum number of Shares to be issued to Mr GL Sim will be arrived at by first converting 50% of his bonus payable into Australian dollars using the spot exchange rate ruling at the date of allotment of Shares and thereafter dividing it by A\$0.22.

If Resolution 5 is approved, based on the current A\$ to S\$ exchange rate of 1.124, the hypothetical additional Shares to be issued will approximate 413,814 which represents 0.19% of total shares in the Company. The capital structure of the Company will be as follows:

	Existing Capital Structure	Revised Capital Structure (if Resolution 5 is approved)
No of Ordinary shares	214,547,463	214,961,277

ii) Foregone capital inflow

To issue new Shares at A\$0.22 each may result in capital forgone by the Company to the extent that the market price of the Company's share exceeds the issue price of A\$0.22 on the day of allotment of the Shares by the Company.

Taxation

As far as the Company is aware, there is no adverse taxation consequence to the Company arising from the proposed issue of shares.

Proposed date of issue of shares

If the proposed resolution is passed, the Company will issue the Shares to Mr GL Sim within 10 days after the resolution is passed.

Other information

There is no other information known to the Company or any of its Directors that is reasonably required by shareholders in order to decide whether or not it is in the Company's interest to pass the proposed resolution that is not contained in this notice of meeting and explanatory statement.

A voting exclusion applies in relation to Resolution 5 (see accompanying Notice of Meeting).

The Directors (with Mr GL Sim abstaining) recommend that you vote in favour of resolution 5.
