About Zimi

Zimi Limited (ASX: ZMM) is an Australian technology company focused on creating smarter living and working environments by connecting everyday electrical products to the Internet and to each other. The company's product lines, including Powermesh and Senoa, feature smarter switches, light dimmers, power points, fan controllers, and garage door controllers, all of which can be installed by electricians and are effortlessly managed through Zimi's intuitive home automation app, designed to provide a seamless and highly positive user experience.

Zimi is capitalising on a multi-billion-dollar opportunity within the Australian market alone, reaching customers through leading wholesale, commercial, retail, and trade channels, with partners such as Trader, Steel-Line, Beacon Lighting, Lighting Illusions, Zencontrol and Polyaire.

Looking ahead, Zimi plans to expand its product offerings into new sectors while continuing to expand its product range. The company is also pursuing global expansion opportunities through partnerships with top manufacturers of electrical appliances for residential and commercial applications. As the Internet of Things (IoT) continues to grow, Zimi is well-positioned to tap into the vast opportunities this rapidly evolving market presents.
