ASX RELEASE

23rd MARCH 2018

STAYZON

Zoono Group Limited (ASX: ZNO) advises that MCS Capital Partners and Zoono have mutually agreed to withdraw from their relationship. Audited sales to Stayzon for the second half of 2017 were less than \$50,000.

Due to the sales performance Zoono has allowed MCS Capital Partners and Stayzon a further six months to sell its alcohol-free antimicrobial hand sanitiser with 24 hours' protection which will still be available in Woolworth's stores under the Stayzon™ Skin brand until the product is sold out or six months expires, whichever is the earlier.

Under the previous arrangement, Zoono allowed MCS Capital Partners to use its local and global approvals; this accommodation is withdrawn from 06/06/18. The Stayzon product will hold no approvals obtained by Zoono from this date. The same applies for all test results from product testing obtained by Zoono showing the products effectiveness against viruses and Bacteria for extended periods; these test results can no longer be used in relation to the Stayzon product from 06/06/18. The Zoono name and trademark is also to be removed from all Stayzon packaging.

Zoono no longer warrants or guarantees the Stayzon product from 06/06/18.

As previously advised, moving forward Zoono will sell its products under its own brand to the Australian retail market allowing it to control the process end to end. This is supported by the engagement of an Australian Country Manager and the launch of the online sales portal in approximately five weeks. Available products will include *Zoono 24 hour Hand Sanitiser, Hand Sanitiser 24 hour wet wipes, Zoono Body Femme, Zoono Body Acne Treatment, Zoono Body Odourguard, Zoono Body Foot Guard, Zoono Body Wound Cleanser, Zoono Laundry protect, ZAM Surface cleaner and Mould Killer, Zoono Microbe Shield, Zoono Room Deodoriser, Zoono Mould Guard, Zoono 30 day Surface Wipes, Zoono Automotive Germ Fogger, and Zoono Room Germ Fogger.*

Zoono's new 24 hour antibacterial soaps and gels are in the final stages of development.

About Zoono:

Zoono specialises in the development, manufacture and global distribution of a suite of proven, long lasting and environmentally friendly antimicrobial solutions. It has developed products, including aerosol-based sprays, suited for skin care, surface sanitisers, treatment of acne and mould remediation. The products are based around the "Zoono Molecule"; a unique, antimicrobial molecule that bonds to any surface and kills pathogens including bacteria, viruses, algae, fungi and mould. It has proven efficacy, longevity and, importantly, it does not leach. Zoono products are currently sold in many countries.
