

Burger Fuel Group Limited - FY20 Full Year Results Date

Reliance on NZX Class Waiver

Burger Fuel Group Limited advises that the company's preliminary results for the full year ended 31 March 2020 will be released on 29 June 2020, rather than 29 May 2020, due to disruption caused by Covid-19 in completing the audited financial statements.

This announcement has been made in reliance on the NZX class waiver from listing rules 3.5.1 & 3.6.1, dated 19 March 2020, which provides listed companies with an additional 30 days to prepare and release results announcements (including preliminary full year financial statements), and an additional two months to prepare and release annual reports in acknowledgement of the challenges caused by Covid-19.
