Explanations:

1. Report should include holdings of other securities (apart from bonds), including those not listed for trading.
2. Where required, reporting of holding of non-convertible bonds may be attached as a PDF in the designated field at the end of Section B, as per Legal Staff Position No. 104-21 ([link](#)). The attached PDF must match the structure and content published by the authority.
3. If an interested party holds more than one type of security, include a single line with the aggregate holding (including full dilution).
4. This form details holdings of all interested parties, including those with no change in holdings.
5. If the interested party is a significant subsidiary, split holdings between pre- and post-Companies Law dormant shares.
6. If the interested party is a corporation, include controlling shareholders. If no controlling shareholder, include interested party details.
7. If a senior officer holds 5%+ of issued share capital or voting power, report under "Interested Parties" as above.
8. If an interested party or senior officer also holds securities in a significant subsidiary, provide details in the "Remarks".
