REPRICING OF WARRANTS

On July 23, 2019, the Company entered into a letter agreement, or the Letter Agreement, with each of the Selling Shareholders, whereby the exercise price of an aggregate of 724,636 of the Warrants, or the Reprice Warrants, was reduced from \$2.3575 to \$1.38 per ADS, in consideration for the Selling Shareholders exercising in full all of the Reprice Warrants. This Supplement is being filed to reflect the reduction in the exercise price of the Reprice Warrants to \$1.38 per share as set forth in the Letter Agreement, as described above, and to also reflect the full exercise of the Reprice Warrants.

While we will not receive any proceeds from the sale of the ADSs by the Selling Shareholders, we have received cash proceeds equal to the total exercise price of the Resale Warrants that were exercised for cash upon execution of the Letter Agreement, or approximately \$1 million based on the reduced exercise price of \$1.38 per ADS.
