**CONTENTS**

**Alarum Technologies Ltd. Announces No Exposure to Recent Banking Events**

Alarum Technologies Ltd. (the "Registrant") reports that it is aware of the current situation affecting Silicon Valley Bank ("SVB") and questions that investors may have as a result.

Two of our subsidiaries use an SVB account for customer payments. Such cash deposits have been transferred and recovered by our subsidiaries (except an immaterial amount of \$20,000, which is still pending transfer). Alarum does not utilize SVB for any treasury management services or for credit facility. We maintain our cash and short-term investments with a large national financial bank, and SVB's situation does not have any impact on our operations.

In response to the announcement concerning the closing of Signature Bank by regulators with the New York State Department of Financial Services, Alarum reports that it does not have any business with Signature Bank and is not exposed at all to cryptocurrency deposits.

This Report on Form 6-K is incorporated by reference into the registration statements on Form S-8 (File Nos.
