As defined under the Companies Law, a “controlling shareholder” is any shareholder that has the ability to direct the Company’s activities (other than by means of being a director or office holder of the Company). A person is presumed to be a controlling shareholder if he or she holds or controls, by himself or together with others, one half or more of any one of the “means of control” of a company; in the context of a transaction with an interested party, a shareholder who holds 25% or more of the voting rights in the company if no other shareholder holds more than 50% of the voting rights in the company, is also presumed to be a controlling shareholder. “Means of control” is defined as any one of the following: (i) the right to vote at a general meeting of a company, or (ii) the right to appoint directors of a company or its chief executive officer. As of the date of this Proxy Statement, we are not aware of any controlling shareholders as defined above, and therefore believe that, other than our directors, officers and their relatives, none of our shareholders should have a personal interest in the proposed resolutions herein. ## PROPOSAL 1

### **TO RE-APPOINT PWC ISRAEL, CERTIFIED PUBLIC ACCOUNTANTS, AS THE INDEPENDENT AUDITOR OF THE COMPANY AND TO AUTHORIZE THE BOARD OF DIRECTORS OF THE COMPANY TO DETERMINE THEIR REMUNERATION UNTIL THE NEXT ANNUAL GENERAL MEETING OF THE SHAREHOLDERS OF THE COMPANY**

Under the Companies Law, the appointment of an independent auditor requires the approval of the shareholders of the Company.

The Board of Directors has authorized and approved the re-appointment of the accounting firm of PwC Israel, Certified Public Accountants (“PwC Israel”), as the independent auditor of the Company until the next annual general meeting of the shareholders of the Company (the “Annual General Meeting”) and asks the shareholders to authorize the Board of Directors to determine their remuneration until the next annual general meeting.

The Board of Directors believes that the re-appointment of PwC Israel as the independent auditor of the Company is appropriate and in the best interests of the Company and its shareholders.

For additional information on the fees paid by the Company and its subsidiaries to PwC Israel in each of the previous two fiscal years, please see Item 16C. ‘Principal Accountant Fees and Services’ in the Company’s annual report on Form 20-F for the year ended December 31, 2022, filed with the SEC on March 31, 2023.

It is proposed that the following resolution be adopted at the Meeting:

**“RESOLVED, to re-appoint PwC Israel as the independent auditor of the Company, and to authorize the Board of Directors of the Company to determine their remuneration until the next annual general meeting of the shareholders of the Company.”**

The approval of this proposal, as described above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends that the shareholders vote FOR the above proposal.**

## PROPOSAL 2

### TO RE-APPOINT MS. RAKEFET REMIGOLSKI AND MR. YEHUDA HALFON, EACH AS A CLASS I DIRECTOR OF THE COMPANY

#### *Background*

Under the Companies Law and the Company's Amended Articles of Association (the "Articles"), the management of the Company's business is vested in the Board of Directors. The Board of Directors may exercise all powers and may take all actions that are not specifically granted to our shareholders.

The Company's Articles provide that the Company may have at least three (3) and not more than twelve (12) directors.

The Company's Board of Directors currently consists of six directors. The Company's directors are divided into three classes with staggered three-year terms. Each class of directors consists, as practically as possible, of one-third of the total number of directors constituting the entire Board of Directors. At each annual general meeting, the appointment or re-appointment of directors following the expiration of the term of office of the directors of that class of directors is for a term of office that expires as of the date of the third annual general meeting following such appointment or re-appointment. Therefore, at each annual general meeting, the term of office of only one class of directors expires. Each director holds office until the annual general meeting in which his or her term expires, unless he or she is removed by a vote of 65% of the total voting power of the Company's shareholders at a general meeting of the Company's shareholders, provided that such majority constitutes more than 50% of the Company's issued and outstanding share capital, or upon the occurrence of certain events, in accordance with the Companies Law and the Articles.

On July 22, 2021, the Board has resolved to adopt the Nasdaq corporate governance exemption, and accordingly as of July 22, 2021, the Company is not required to appoint external directors as such are defined in the Companies Law.

The Company's directors are divided among three classes as follows:

- (i) The Company's Class I directors are Ms. Rakefet Remigolski and Mr. Yehuda Halfon, whose current terms expire at the Meeting.
- (ii) The Company's Class II directors are Mr. Shachar Daniel and Mr. Moshe Tal, whose current terms expire at the Company's 2024 annual general meeting and upon the election and qualification of their respective successors; and
- (iii) The Company's Class III directors are Mr. Chen Katz. and Mr. Avi Rubinstein, whose current terms expire at the Company's 2025 annual general meeting and upon the election and qualification of their respective successors.

The Company's Board Diversity Matrix pursuant to Nasdaq's Rule 5605(f) is available on the Company's website at the following address: <http://alarum.io/wp-content/uploads/2023/07/Board-Diversity-Matrix-July-2023.pdf>

The Company's Board of Directors has approved the nomination of Ms. Remigolski and Mr. Halfon for re-appointment to the Company's Board of Directors, each as a Class I director at the Meeting for a three-year term and recommends that shareholders re-appoint Ms. Remigolski and Mr. Halfon, each as a Class I director for a three-year term.

Ms. Remigolski and Mr. Halfon, whose professional backgrounds are provided below, have each advised the Company that they are willing, able and ready to serve as a Class I director if appointed. Additionally, in accordance with the Companies Law, Ms. Remigolski and Mr. Halfon, have each certified to the Company that they meet all the requirements of the Companies Law for appointment as a director of a public company, they possess the necessary qualifications and have sufficient time to fulfill their duties as directors of the Company, taking into account the size and needs of the Company.

In their capacity as members of the Company's Board of Directors, subject to their appointment, Ms. Remigolski and Mr. Halfon will continue to be entitled to following fees: (i) an annual fee of NIS 30,000 and (ii) an attendance fee of NIS 1,500 per meeting, which amounts are less than the maximum amounts set forth in the second and third appendices of the Companies Regulations (Rules concerning Compensation and Expenses of an External Director), 5760-2000. If Proposal 5 is approved at the Meeting, these fees will increase as described below.

If appointed at the Meeting, the director nominees will continue to benefit from the indemnification and exemption letter agreements that we previously entered into with each of them, as well as from our directors' and officers' liability insurance policy, as in effect from time to time.

Set forth below is certain biographical information regarding the background and experience of Ms. Remigolski and Mr. Halfon:

**Ms. Rakefet Remigolski**

*Ms. Rakefet Remigolski* has served on our board of directors since September 2020. Since 2018, Ms. Remigolski has served as Chief Financial Officer at Arazim Investments Ltd., an Israeli real-estate company publicly traded on the Tel Aviv Stock Exchange. Since 2008, Ms. Remigolski has taught advanced courses in financial accounting at the Reichman University (IDC Herzliya) in Israel. Between 1995 and 2019, Ms. Remigolski taught advanced courses in financial accounting at the College of Management Academic Studies in Israel. Ms. Remigolski holds a B.A. in Business and an M.B.A. (Cum Laude) with a major in finance and accountancy, both from the College of Management Academic Studies in Israel. Ms. Remigolski is a certified public accountant and is a member of the Institute of Certified Public Accountants in Israel.

**Mr. Yehuda Halfon**

*Mr. Yehuda Halfon* has served on our board of directors since March 2016. He was appointed for a first three-year term as an external director on March 27, 2016, and a second three-year term commencing in May 2019. Between 2009 and January 2022, Mr. Halfon served as the chief executive officer at Cooperica Property Ltd., which owns and manages real estate properties in Israel. In addition, between 2010 and January 2022, Mr. Halfon served as the chief financial officer of Local Developing Germany GmbH, which owns a large portfolio of residential assets in Germany. Mr. Halfon holds a B.A. in Accounting and Economics from the Hebrew University in Jerusalem and an M.B.A. from the Open University of Israel. Mr. Halfon is a certified public accountant in Israel.

It is proposed that the following separate resolutions be adopted at the Meeting:

**"RESOLVED, to re-appoint Ms. Rakefet Remigolski as a Class I director of the Company for a term of three years that expires at the third annual general meeting of shareholders following such re-appointment and until she ceases to serve in her office in accordance with the provisions of the Company's Amended Articles of Association or any law, whichever is the earlier."**

**"RESOLVED, to appoint Mr. Yehuda Halfon as a Class I director of the Company for a term of three years that expires at the third annual general meeting of shareholders following such election and until he ceases to serve in his office in accordance with the provisions of the Company's Amended Articles of Association or any law, whichever is the earlier."**

The re-appointment of each of Ms. Remigolski and Mr. Halfon, respectively, as a Class I director, as mentioned above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends a vote "FOR" the above proposals.**

### PROPOSAL 3

#### APPROVAL OF AN INCREASE IN THE AUTHORIZED SHARE CAPITAL OF THE COMPANY

On July 19, 2023, the Company's Board of Directors, approved and recommended the Company's shareholders to approve an increase to the Company's current authorized share capital of 75,000,000 Ordinary Shares by additional 75,000,000 Ordinary Shares to a total of 150,000,000 Ordinary Shares, and to amend the Company's articles to reflect the same (the "Increase in Authorized Share Capital").

The Board of Directors believes that an increase of authorized share capital of the Company is advisable, and in the Company shareholders' best interests, in order to ensure the Company's authorized share capital is sufficient for future business needs, and in order to give the Company greater flexibility in considering and planning for future investment opportunities, as well as potential mergers and acquisitions (subject to obtaining all the consents and approvals required by law), including in order to have sufficient shares to reserve under the Company's Amended and Restated Global Incentive Plan (the "Global Incentive Plan"), which is crucial to attract a sophisticated and qualified workforce, as well as under certain circumstances as a tool, if needed, to deflect takeover attempts at prices which are deemed unattractive to shareholders.

Therefore, the shareholders of the Company are requested to approve the Increase in Authorized Share Capital, and to approve the amendment and restatement of the articles to reflect the same. The amendment to Section 5 of the Company's articles, reflecting the Increase in Authorized Share Capital, is as shown in the attached Exhibit A.

The shareholders of the Company are requested to adopt the following resolution:

**"RESOLVED, to increase the Company's authorized capital to 150,000,000 Ordinary Shares, no par value, and to amend and restate the Company's articles of association to reflect the same."**

The approval of the above proposal, as described above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends a vote FOR on the above proposal.**

## PROPOSAL 4

### APPROVAL OF ADOPTION OF A NEW COMPENSATION POLICY OF THE COMPANY'S OFFICERS AND DIRECTORS

Pursuant to the Companies Law, all public Israeli companies are required to adopt a written compensation policy for their officers and directors, which addresses certain items prescribed by the Companies Law and serves as a flexible framework for officers and director compensation.

On September 26, 2019, the Company's shareholders approved a compensation policy for the Company's officers and directors for a period of three years, which was then after amended and approved by the Company's shareholders on September 15, 2020 (the "Current Policy").

On July 16, 2023 and on July 19, 2023, the Compensation Committee of the Board of Directors (the "Compensation Committee") and the Board of Directors, respectively, reviewed the terms of the Current Policy in depth. Considering the growth in the Company's business and achievements since the Current Policy was last adopted, and further to comparing different components of compensation to companies similar to the Company, using a benchmark analysis performed by an independent consultant, the Compensation Committee and the Board of Directors approved and recommended to the shareholders of the Company to approve the adoption of a new compensation policy, for a period of three years following shareholders' approval, in the form attached hereto as Exhibit B (the "New Policy").

The proposed New Policy is designed to promote retention and motivation of directors and officers, incentivize superior individuals' excellence, align the interests of the Company's directors and executive officers with the long-term performance of the Company and provide a risk management tool.

Pursuant to the proposed Compensation Policy, the compensation that may be granted to an officer may include: a base salary, annual performance bonus, special bonuses, equity-based compensation, benefits and termination of employment or service providers arrangements, indemnification, exemption and liability insurance coverage etc.

When considering the adoption of the New Policy, the Compensation Committee and Board of Directors considered various factors, including: (i) relevant provisions set forth in the Companies Law and regulations applicable to companies such as ours; (ii) market practices, competitive markets and the best interest of the Company and our shareholders; (iii) the advancement of the Company's objectives, the Company's business environment, its business plan and its long-term strategy; (iv) variable compensation and (iv) the need to create appropriate incentives for directors and officers.

The Compensation Committee and the Board of Directors also considered, among other things, the Company's risk management, size and the nature of its operations, and reviewed various data and information they deemed relevant.

It is proposed that the following resolution be adopted at the Meeting:

**"RESOLVED, to adopt the New Policy for the Company's officers and directors, in the form attached as Exhibit B to the Proxy Statement."**

The approval of the above proposal, as described above, requires the affirmative vote of a Special Majority.

Please note that we consider it highly unlikely that any of our shareholders has a personal interest in this proposal. However, as required under Israeli law, the enclosed form of proxy requires that you specifically indicate whether you are, or are not, a controlling shareholder or have a personal interest in this proposal. Without indicating to this effect, we will not be able to count your vote with respect to this proposal.

**The Board of Directors unanimously recommends a vote FOR the above proposal.**

## PROPOSAL 5

### TO APPROVE AN INCREASE OF THE PER-MEETING COMPENSATION AND ANNUAL FEE FOR NON-EXECUTIVE DIRECTORS

On July 16, 2023, and on July 19, 2023, the Compensation Committee, and the Board of Directors, respectively, approved and recommended that the Company's shareholders approve an increase of the per-meeting fee and annual fee to which each of the Company's Non-Executive Directors (as defined below) shall be entitled. The following members of the Board of Directors are the Company's non-executive directors: Mr. Yehuda Halfon, Ms. Rakefet Remigolski, Mr. Moshe Tal and Mr. Avi Rubinstein (the "Non-Executive Directors").

Currently, in accordance with the Israeli law requirements and the Current Policy, the cash fees paid to each of our Non-Executive Directors include an annual fee of up to NIS 30,000 (approximately US\$8,425<sup>1</sup>), and NIS1,500 (approximately US\$420<sup>2</sup>) as a per-meeting fee.

We undertake regular reviews of the fees paid to non-executive directors to ensure that the Company maintains the ability to pay Non-Executive Directors remuneration at a level that is commensurate with market rates and as necessary to attract and retain directors of the appropriate level of experience and expertise. The level of remuneration for our Non-Executive Directors was previously determined in 2019. Since then, there have been considerable additional demands placed on directors due to increased corporate and regulatory requirements and considering our directors' average time commitment, the market rate needed to attract and qualified members, the nature of the role and growth in the Company's business in recent years, we believe that an increase in remuneration is fair and reasonable in all the relevant circumstances relating to the Company's affairs, the nature, extent and liabilities associated with service as a Non-Executive Director or otherwise by reference to prevailing corporate governance standards and practices.

Therefore, our Compensation Committee and Board of Directors consider it appropriate that all of the Non-Executive Directors, either currently serving or who will be appointed in the future, be compensated, through a compensation mechanism that will take into account the time, attention and expertise required by such directors, and that will set a solid foundation for attracting directors with the appropriate skills and experience applicable to the Company's industry and needs.

For the above reasons, the Compensation Committee and the Board of Directors recommend that the Company's shareholders approve an increase of the per-meeting fee, to which each of the Company's Non-Executive Directors shall be entitled, to NIS2,250 (approximately US\$620<sup>3</sup>) (the "New Per-Meeting Fee") and an increase of the annual fee, to which each of the Company's Non-Executive Directors shall be entitled, to NIS55,000 (approximately US\$15,050<sup>4</sup>) (the "New Annual Fee").

The New Per-Meeting Fee and the New Annual Fee will be paid on a quarterly basis, in U.S. dollars or in NIS and shall be subject to VAT, as applicable, shall apply to the Non-Executive Directors or to such non-executive directors that will be appointed in the future, and shall be effective from the date of approval of this proposal by our shareholders.

The proposed increases to the New Per-Meeting Fee and New Annual Fee are consistent with the Israeli law requirements, the Current Policy and the New Policy, and following the reasons detailed above, in the Compensation Committee's and the Board of Directors' opinions, are in the best interest of the Company.

The shareholders of the Company are requested to adopt the following resolution:

**"RESOLVED, to approve an increase of the per-meeting fee and annual fee, to which each of the Non-Executive Directors shall be entitled, as set forth in the Proxy Statement."**

The approval of this proposal, as described above, requires the affirmative vote of a Simple Majority.

**The Board of Directors unanimously recommends that the shareholders vote FOR the above proposal.**

**Compensation Policy for Company's Office Holders**

Dated: August 28, 2023

## 1. Introduction

- 1.1 Pursuant to the provisions of the Companies Law, 1999 (hereafter - “**the Companies Law**”), on July 19, 2023, and August 28, 2023, the Company’s board of directors (the “**Board of Directors**”) and the Company’s shareholders, respectively, approved a compensation policy (hereafter – the “**Policy**”) with respect to the terms of service and / or employment of Company’s office holders (hereafter - the “**Office Holder**”).
- 1.2 The provisions of the Policy shall be subject to the provisions of any cogent law applicable to the Company and its Office Holders in any territory.
- 1.3 The underlying principles and purposes of the Policy are as follows: (a) promoting the Company’s goals, its work plan and its policy for the long-term; (b) compensating and providing incentives to office holders, while considering the risks that the Company’s activities involve; (c) adjusting the compensation package to the size of the Company and the nature and scope of its activities; (d) creating incentives that are suitable to Company’s office holders by compensating those entitled for compensation under the Policy in accordance with their positions, areas of responsibility and contribution to the development of the Company’s business, the promotion of its targets and the maximization of profits in the short and long-term, taking into account, among other things, the need to recruit and retain qualified, highly-skilled officers in a global and competitive market; and (e) adjusting the compensation of office holders to the contribution of the office holder to the achievement of the Company’s goals.
- 1.4 This Policy is a multi-annual policy that will be effective for a period of five (3) years from the date of its approval. This policy shall be brought forward for re-approval by the Company’s compensation committee of the Board of Directors (the “**Compensation Committee**”), the Company’s Board of Directors and the general meeting of its shareholders after five (3) years have elapsed since the date of approval thereof and so forth, unless any changes need to be made to the Policy in accordance with the law and/or in accordance with the Company’s needs.
- 1.5 Without derogating from the provisions set out in Section 1.4 above, the Company’s Compensation Committee and Board of Directors shall examine, from time to time, whether the compensation that is granted under this policy, does, indeed, comply with the terms of this policy and the parameters set therein for each Company office holder.
- 1.6 This Policy is based, among other things, on the Company’s assessments as to the competitive environment in which it operates and the challenge it faces in recruiting and retaining high-quality officers in such an environment; it is also based on employment terms generally accepted in public companies operating in the Company’s area of activity and on existing employment agreements between the Company and its office holder, which – in order to remove any doubt – this policy cannot change and does not create a commitment between the company and its office holders.
- 1.7 For the avoidance of doubt, any compensation of office holders (as defined below), which are controlling shareholders (as the meaning of “control” is defined in the Companies Law- 5759-1999) (the “**Companies Law**”), if applicable, may require additional approvals under applicable law.

## 2.7 Annual Bonus

In addition to the basic salary, the compensation package of Company's Office Holders may include eligibility to an annual bonus that is based on measurable targets and to an annual discretionary bonus (hereafter jointly: "**the annual bonus**").

For the purpose of this Annual bonus section, whenever the term "salary" is used, it means (i) in the case of an employed Office Holder – the gross salary as paid to the Office Holder in the month before the grant of such bonus, including any social benefits and related benefits as detailed in section 2.5.4 and 2.5.5 herein, and in any case for the benefit of the employee; and (ii) in the case of Office Holder with no employer-employee relationship – the fee paid to the office holder in the month before the grant of such bonus, excluding VAT (if applicable).

### 2.7.1 Components of the annual bonus

The Company may grant an Office Holder an annual bonus up to the maximum annual bonus as described in the table in section 2.7.7 below, based on the compensation plan which will be approved by the compensation committee and the Board of Directors for each year in advance.

At the end of each year, the Compensation Committee and Board of Directors will review the office holders' meeting their measurable targets to determine that component of the annual bonus, which is based on measurable targets.

The Compensation Committee and Board of Directors may determine to pay only part of the component of the annual bonus, which is based on measurable targets, if the office holder meets only some of the targets.

The Compensation Committee and the Board of Directors may decide to change the measurable targets at any time during the year if the change is for the best interest of the Company and for special circumstances (for example: change of job description, regulatory changes, other material events), that the Compensation Committee and Board of Directors believes that justify making such change (including retroactive change).

According to the rates stated below, the components for each of the Office Holders of the annual bonus will be:

- (i) Measurable Targets (from the categories in the list below);
- (ii) Discretionary Bonus (according to the limitations set forth herein).

Position	Measurable Targets	Discretionary Bonus
Active Chairperson/ CEO	0-100%	0-25% (by Committee and Board of Directors), see section 2.7.3(1) below
Subordinate Office holders	0-100%	0-100% (by CEO), see section 2.7.3(2) below.

#### 2.7.2 Measurable Targets (Company and Personal)

Set forth below are several suggested criteria for the annual bonus that is based on measurable targets. It should be clarified that this list is not a closed and binding list. The Compensation Committee and the Board of Directors may consider adding or removing some of those criteria, considering the role of each office holder, his areas of responsibility and the Company's activity.

A bonus that is based on meeting principal and personal performance metrics that are quantified and set out in the Company's work plan and attributed to the relevant office holder. These performance metrics may include, among other things:

Notwithstanding the above, if in a specific year the Company does not pay the CEO or the Active Chairperson (as applicable) an annual bonus that is based on measurable targets (i.e., if the discretionary annual bonus paid to the CEO or the Active Chairperson (as applicable) constitutes the total annual bonus paid on that year), then the amount of the discretionary bonus that the Company may pay to the CEO and to the Active Chairperson (as applicable and separately) shall not exceed three (3) gross monthly salaries of that office holder.

Notwithstanding the foregoing, subject to applicable law, the Company's competent organs shall be entitled to approve payment of annual bonus based on all or some of the measurable targets and/or of discretionary bonus, on an Annual, quarterly, monthly, or otherwise basis.

\*\*Total annual compensation means the total basic annual salary, together with the annual social and related benefits, and annual variable components.

## 2.13 **Extending the term of existing agreements with Company office holders and making amendments to those agreements**

- 2.13.1 Prior to extending the term of the services or employment agreement with an Office Holder (whether this involves changes to the terms of employment or not), the Office Holder's existing compensation package will be assessed in relation to the parameters set out in section 2.3 above and bearing in mind the payroll review, which was conducted by the Company as per section 2.4 above.
- 2.13.2 Subject to the provisions of the law and the positions of the Israeli Securities Authority, as amended from time to time, immaterial changes (as defined below) made to the service or employment terms of the Company's CEO (other than a CEO which is a controlling shareholder, in case applicable) will require the approval of the Compensation Committee alone, if it will be determined that the changes are, indeed, immaterial and the change complies with the provisions of this Policy.
- 2.13.3 Subject to the provisions of the law and the positions of the Israeli Securities Authority, as amended from time to time, immaterial changes made to the service or employment terms of the Subordinate Office Holders (other than a Subordinate office holder which is a controlling shareholder, in case applicable) shall require the approval of the Company's CEO alone, and the approval of the Compensation Committee will not be required, provided that the service and employment terms of that Subordinate Office Holder comply with the provisions of this Policy.

In sections 2.13.2 and 2.13.3 above, "immaterial changes to the service and employment terms" are changes, the value of which does not exceed 7% for an annual cost change of compensation of the Office Holder each year, and shall not exceed 25% aggregate change.

## 2.14 **Components Of Terms of Office and Engagement of a Director**

- 2.14.1 External directors and/or any non-executive directors of the Company will be entitled to annual compensation and participation compensation which will be determined in accordance with the provisions of the Companies Regulations (rules regarding remuneration and expenses for an external director), 2000 hereafter and the Companies Regulations (exemptions for dual companies), 2000 ("the compensation regulations"), as may be from time to time and according to the Company's rank.

<sup>3</sup> For that purpose, the "variable components" include the annual bonus, one-time bonus, special bonus, and annual value of the equity-based payment.

- 2.14.2 Directors who also serve as Office Holders will be able to receive directors' compensation in addition to the Office Holders compensation, subject to applicable law and required approvals.
- 2.14.3 In addition, the directors of the Company will be entitled to reimbursement of travel and parking expenses.
- 2.14.4 In the case of a non-executive director (except for external directors, if any) with additional expertise in the Company's operations and / or in other areas where the Board of Directors has decided that they are necessary for the Company, the Company will be entitled, to award that director, solely that the aggregate amount of the annual compensation to which the director is entitled, does not exceed NIS 720,000.
- 2.14.5 The Company may grant equity-based compensation to directors, including external directors and independent directors, from time to time, all in accordance with applicable law.
- 2.14.6 The fair value of securities at the grant date, as reflected in the Company's financial statements, granted to external directors and independent directors and any other director in the Company, will be calculated on the basis of accepted valuation methods (such as Black & Scholes / Intermediate), and will not exceed NIS 500,000 for external directors or independent directors and NIS 500,000 for other directors, all subject to the limitations of the compensation regulations.
- 2.14.7 All other provisions regarding the long-term compensation that apply to the Company's Office Holders under this Policy, will also apply to the long-term compensation granted to directors.
- 2.14.8 All Directors may be reimbursed for their reasonable expenses (against invoices) incurred in connection with attending meetings of the Board and Board committee's thereof (including domestic and international travel expenses) and travelling on behalf of the Company, consistent with the Company's practices and policies.

## 2.15 **Recoupment Policy**

The Company may seek reimbursement of all, or a portion of any compensation paid to an Office Holder based on financial data included in Company's financial statements in any fiscal year that are found to be inaccurate and are subsequently restated.

In any such event, Company will seek reimbursement from the Office Holders to the extent such Office Holders would not have been entitled to all or a portion of such compensation, based on the financial data included in the restated financial statements.

The Compensation Committee will be responsible for approving the amounts to be recouped and for setting terms for such recoupment from time to time.

## 2.16 **Exchange Rate**

Monetary amounts in this Policy that are quoted in \$, subject to the applicable currency exchange rates or any exchange rate determined by the Board.

## 2.17 **The ratio between the gross salary of office holders and the gross salary of all other Company employees as of the date of the compensation policy**

The ratio of the average and median gross salary between the officers to the other full-time employees (in practice as of the date of approval of the compensation policy):

Position	Ratio to Median salary	Ratio to the average salary <sup>4</sup>
CEO	1.54	1.90
Subordinate Office Holders	1.34	1.66

<sup>4</sup> The ratio to the average salary and the median salary refers to the gross salary cost of the employees of Alarum Technologies Ltd. only, and does not include the cost of the salaries of the Office Holders.

As of the date of the Policy, there are three full-time employees who are not office holders. It is clarified that for the purpose of calculating the aforesaid ratios, only the employees of Alarum Technologies Ltd. were included.

At the time of approval of the Policy, the Compensation Committee examined the existing gaps between the Office Holders and the other employees and found that considering the nature and structure of the Company, the above ratios will not affect the existing employment relationship in the company. In addition, the Compensation Committee and the Board of Directors believe that these data have a limited effect on determining the salaries of the Company's Office Holders, given the structure of the Company.

### **3. Non-Exclusivity of This Policy**

- 3.1 Neither the adoption of this Policy or any amendment thereof nor the submission of this Policy or any amendment thereof to shareholders of the Company for approval (to the extent required under the Companies Law), shall be construed as creating any limitations on the power or authority of the Board or the Committee to adopt such other or additional incentive or other compensation arrangements of whatever nature as they may deem necessary or desirable or preclude or limit the continuation of any other policy, practice or arrangement for the payment of compensation or benefits.
- 3.2 The Terms of Office and Engagement of a Director may contain such other terms and conditions that are not inconsistent with this Policy (to the extent required by the Companies Law).

### **4. Governing Law**

This Policy shall be governed by the laws of the State of Israel, excluding its conflict of law rules, except with respect to matters that are subject to tax or labour laws in any specific jurisdiction, which shall be governed by the respective laws of such jurisdiction. Certain definitions, which refer to laws other than the laws of such jurisdiction, shall be construed in accordance with such other laws.

### **5. SEVERABILITY**

If any provision of this Policy shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction. In addition, if any particular provision contained in this Policy shall for any reason be held to be excessively broad as to duration, geographic scope, activity or subject, it shall be construed by limiting and reducing such provision as to such characteristic so that the provision is enforceable to fullest extent compatible with the Applicable Law as it shall then appear.

Adopted by the Company's Board of Directors: July 19, 2023
