**PROXY STATEMENT  
2019 ANNUAL GENERAL MEETING OF SHAREHOLDERS**

**ABOUT THE ANNUAL MEETING**

**Q: When and where is the 2019 Annual Meeting of Shareholders being held?**

A: The Annual Meeting will be held on September 25, 2019, at 2:30 p.m. Israel time, at our offices at 22 Hanagar Street, Neve Ne'eman Industrial Zone B, Hod Hasharon, Israel.

**Q: Who can attend the Annual Meeting?**

A: Any shareholder may attend. Current proof of ownership of the Company's shares, as well as a form of personal photo identification, must be presented in order to be admitted to the Annual Meeting. If your shares are held in the name of a bank, broker or other holder of record, you must bring a current brokerage statement or other proof of ownership with you to the Annual Meeting.

**Q: Who is entitled to vote?**

A: Only holders of record of ordinary shares at the close of business on August 21, 2019, the Record Date for the Annual Meeting, are entitled to vote at the Annual Meeting.

Joint holders of ordinary shares should note that, pursuant to Article 32.4 of the Company's Articles of Association, the right to vote at the Annual Meeting will be conferred exclusively upon the "senior" among the joint owners attending the Annual Meeting, in person or by proxy, and for this purpose, seniority will be determined by the order in which the names appear in the Company's register of shareholders.

**HOW TO VOTE YOUR SHARES**

**Q: How do I vote?**

A: **You may vote by mail.** You can do this by completing your proxy card (if you are a shareholder of record) or your voting instruction card (if you are a "street name" beneficial owner) and returning it in the enclosed, prepaid and addressed envelope. If you return a signed card but do not provide voting instructions, your shares will be voted as recommended by the Board.

**If you hold shares through a member of the Tel-Aviv Stock Exchange, you may vote through the Israel Securities Authority's electronic voting system.** The Israel Securities Authority has set up an electronic voting system for shareholder meetings of publicly-listed Israeli companies via its MAGNA online platform. Following a registration process, you will be able to vote your shares through such system no later than six hours before the time fixed for the Annual Meeting.

---

**You may vote in person.** Ballots will be passed out at the Annual Meeting to anyone who wants to vote at the Annual Meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. If you are a shareholder of record and your shares are held directly in your name, you may vote in person at the Annual Meeting. However, if your shares are held in “street name,” you must first obtain a signed proxy from the record holder (that is, your bank, broker or other nominee) in order to vote at the Annual Meeting.

**“Street name” holders may be able to vote by phone or through an Internet website in accordance with instructions included on their proxy cards.**

**Q: What is the difference between holding shares as a shareholder of record and holding shares in “street name”?**

**A:** Many Allot shareholders hold their shares through a bank, broker or other nominee rather than directly in their own name. As explained in this proxy statement, there are some distinctions between shares held of record and shares owned in “street name.”

#### **Shareholders of Record**

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company of New York, New York, you are considered, with respect to those shares, the shareholder of record. In such case, these proxy materials are being sent directly to you. As the shareholder of record, you have the right to grant your voting proxy directly or to vote in person at the Annual Meeting.

#### **“Street Name” Beneficial Owners**

If your shares are held through a bank, broker or other nominee, they are considered to be held in “street name” and you are the beneficial owner. If your shares are held in street name, these proxy materials are being forwarded to you by your bank, broker or other nominee, which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct the bank, broker or nominee how to vote your shares for the Annual Meeting. You also may attend the Annual Meeting. However, because you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting, unless you first obtain a “legal proxy” from the record holder (that is, your bank, broker or other nominee) giving you the right to vote the shares. Your bank, broker or nominee has enclosed a voting instruction card for you to use in directing the bank, broker or nominee regarding how to vote your shares.

Brokers that hold shares in “street name” for clients typically have authority to vote on “routine” proposals even when they have not received instructions from beneficial owners. The only item on the Annual Meeting agenda that may be considered routine is Proposal 5 relating to the reappointment of Allot’s independent registered public accounting firm for the fiscal year ending December 31, 2019; however, we cannot be certain whether this will be treated as a routine matter since our proxy statement is prepared in compliance with the Israel Companies Law rather than the rules applicable to domestic U.S. reporting companies. Therefore, it is important for a shareholder that holds ordinary shares through a bank, broker or other nominee to instruct such bank, broker or other nominee how to vote its shares, if the shareholder wants its shares to count for the proposals.

**Q: Does Allot recommend I vote in advance of the Annual Meeting?**

**A: Yes.** Even if you plan to attend the Annual Meeting, Allot recommends that you vote your shares in advance so that your vote will be counted if you later decide not to attend the Annual Meeting.

**Q: If I vote by proxy, can I change my vote or revoke my proxy?**

**A: Yes.** You may change your proxy instructions at any time prior to the vote at the Annual Meeting. If you are a shareholder of record, you may do this by:

- filing a written notice of revocation with the Secretary of the Company, delivered to the Company's address above;
- granting a new proxy card bearing a later date; or
- attending the Annual Meeting and voting in person (attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you submit another vote at the Annual Meeting).

If you hold shares through a bank, broker or other nominee, you must contact that firm to revoke any prior voting instructions.

**Q: How are my votes cast when I submit a proxy vote?**

**A:** When you submit a proxy vote, you appoint Alberto Sessa and Rael Kolevsohn, or any of them, as your representative(s) at the Annual Meeting. Your shares will be voted at the Annual Meeting as you have instructed.

Upon the receipt of a properly submitted proxy card, which is received in time (by 2:30 p.m., Israel Time, on September 24, 2019, 24 hours prior to the Annual Meeting) and not revoked prior to the Annual Meeting, or which is presented to the chairperson at the Annual Meeting, the persons named as proxies will vote the ordinary shares represented thereby at the Annual Meeting in accordance with the Board's recommendations as indicated in the instructions outlined on the proxy card.

**Q: What does it mean if I receive more than one proxy card?**

**A:** It means that you have multiple accounts at the transfer agent or with brokers. Please sign and return all proxy cards to ensure that all of your shares are voted.

## ABOUT THE VOTING PROCEDURE AT THE ANNUAL MEETING

**Q: What constitutes a quorum?**

A: To conduct business at the Annual Meeting, two or more shareholders must be present, in person or by proxy, representing not less than 25% of the ordinary shares outstanding as of the Record Date, that is, a quorum must be present.

Ordinary shares represented in person or by proxy will be counted for purposes of determining whether a quorum exists. A “broker non-vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner submits a proxy card but does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Abstentions and broker non-votes will be counted as present in determining if a quorum is present.

**Q: What happens if a quorum is not present?**

A: If a quorum is not present, the Annual Meeting will be adjourned to the same day at the same time the following week, or to such day and at such time and place as the Chairman of the meeting may determine with the consent of the holders of a majority of the shares present in person or by proxy and voting on the question of adjournment.

**Q: How will votes be counted?**

A: Each outstanding ordinary share is entitled to one vote. The Company’s Articles of Association do not provide for cumulative voting.

On all matters considered at the Annual Meeting, abstentions and broker non-votes will not be treated as either a vote “FOR” or “AGAINST” the matter.

**Q: What vote is required to approve each proposal presented at the Annual Meeting?**

A: Proposal 1, Approval of an amendment to our Articles of Association, requires that securities representing at least two-thirds of the voting securities of the Company then outstanding be voted “FOR” the adoption of the proposal.

Each of Proposal 2, Reelection of Nadav Zohar as a Class I director to serve until the 2022 annual meeting, or, if Proposal 1 is approved, to serve until the 2020 annual meeting of shareholders, and Proposal 5, Reappointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, our independent registered public accounting firm, for the year ending December 31, 2019, requires that a simple majority of the ordinary shares of the Company voted in person or by proxy at the Annual Meeting on the matter presented be voted “FOR” the adoption of the proposal.

Each of Proposals 3, Reelection of Steven Levy as an Outside Director, and Proposal 4, Approval of the compensation policy for officers and directors of the Company for 2019-2021, requires, in addition to the affirmative vote of a simple majority of the ordinary shares of the Company voted in person or by proxy at the Annual Meeting on the proposal, that either: (1) a simple majority of shares voted at the Annual Meeting, *excluding* the shares of controlling shareholders and of shareholders who have a personal interest in the approval of the resolution, be voted “FOR” the proposed resolution or (2) the total number of shares of non-controlling shareholders and of shareholders who do not have a personal interest in the resolution voted against approval of the resolution does not exceed 2% of the outstanding voting power in the Company.

The term “**controlling shareholder**” means a shareholder having the ability to direct the activities of a company, other than by virtue of being an office holder. A shareholder is presumed to be a Controlling Shareholder if the shareholder holds 50% or more of the voting rights in a company or has the right to appoint the majority of the directors of the company or its general manager.

Under the Israel Companies Law, a “**personal interest**” of a shareholder (i) includes a personal interest of the shareholder and any member of the shareholder’s family, family members of the shareholder’s spouse, or a spouse of any of such family members, or a personal interest of a company with respect to which the shareholder (or such family member) serves as a director or chief executive officer, owns at least 5% of the shares or has the right to appoint a director or chief executive officer, and (ii) excludes an interest arising solely from the ownership of our ordinary shares. Under the Israel Companies Law, in the case of a person voting by proxy for another person, “personal interest” includes a personal interest of either the proxy holder or the shareholder granting the proxy, whether or not the proxy holder has discretion how to vote. If you do not have a personal interest in this matter, you may assume that using the form of proxy enclosed herewith will not create a personal interest. To avoid confusion, in the form of proxy card, we refer to such a personal interest as a “personal benefit or other interest”.

The Israel Companies Law requires that each shareholder voting on the proposal indicate whether or not the shareholder is a controlling shareholder or has a personal interest in the proposed resolution. The enclosed form of proxy includes a box you can mark to confirm that you are not a “controlling shareholder” and do not have a personal interest in this matter. If you do not mark this box, your vote will not be counted.

**If you are unable to make this confirmation, please contact the Company’s General Counsel for guidance at +972-9-761-9200; if you hold your shares in “street name,” you may also contact the representative managing your account, who could contact us on your behalf.**

**Q: How will my shares be voted if I do not provide instructions on the proxy card?**

**A:** If you are the record holder of your shares and do not specify on your proxy card how you want to vote your shares, your shares will be voted in favor of the proposals in accordance with the recommendation of the Board:

1. “**FOR**” the approval of an amendment to the Company’s Articles of Association, effective immediately upon the approval of Proposal 1, to provide for the elimination of the different classes of members of the Board of Directors of the Company (the “**Board**”) and to set the term of each director who is elected or reelected at or after the Annual Meeting (other than outside directors, who shall continue to serve in accordance with the Israel Companies Law) to one (1) year.

2. **“FOR”** the election Nadav Zohar as a Class II director, to serve until the 2022 annual meeting of shareholders (or, if Proposal I is approved, to serve until the 2020 annual meeting of shareholders), and until his successor has been duly elected and qualified, or until his office is vacated in accordance with the Company’s Articles of Association or the Israel Companies Law.
3. **“FOR”** the reelection of Steven Levy as an Outside Director (as defined in the Israel Companies Law) of the Company, to serve for a term of three years commencing as of the end of his current term, or until his office is vacated in accordance with the Company’s Articles of Association or the Israel Companies Law.
4. **“FOR”** the approval of the compensation policy for officers and directors of the Company for the years 2019-2021.
5. **“FOR”** the approval of the reappointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as Allot’s independent registered public accounting firm for the fiscal year ending December 31, 2019 and until the next annual meeting of shareholders, and to authorize the Board, upon recommendation of the audit committee, to fix the remuneration of said independent registered public accounting firm.
6. In accordance with the best judgment of the named proxies on any other matters properly brought before the annual meeting and any postponement(s) or adjournment(s) thereof.

If you are a beneficial owner of shares and do not specify how you want to vote, your shares will be included in determining the presence of a quorum at the Annual Meeting, but will not be considered as present and entitled to vote on any matter to be considered at the Annual Meeting. If your shares are held of record by a bank, broker, or other nominee, we urge you to give instructions to your bank, broker, or other nominee as to how you wish your shares to be voted so you may participate in the shareholder voting on these important matters.

#### **HOW TO FIND VOTING RESULTS**

**Q: Where do I find the voting results of the Annual Meeting?**

**A:** We plan to announce preliminary voting results at the Annual Meeting and to report the final voting results following the Annual Meeting in a Report of Foreign Private Issuer on Form 6-K that we will furnish to the SEC.

#### **SOLICITATION OF PROXIES**

**Q: Who will bear the costs of solicitation of proxies for the Annual Meeting?**

**A:** The Company will bear the costs of solicitation of proxies for the Annual Meeting. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies from shareholders by telephone, personal interview or otherwise. Such directors, officers and employees will not receive additional compensation, but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward soliciting material to the beneficial owners of ordinary shares held of record by them, and such custodians will be reimbursed by the Company for their reasonable out-of-pocket expenses. The Company may also retain an independent advisor to assist in the solicitation of proxies. If retained for such services, the costs will be paid by the Company.

For purposes of this table, a person is deemed to be the beneficial owner of securities that can be acquired within 60 days from the Record Date through the exercise of any option or vesting of any RSU. Ordinary shares subject to options that are currently exercisable or exercisable within 60 days, or RSUs that will become vested within 60 days, are deemed outstanding for computing the ownership percentage of the person holding such options or RSUs, but are not deemed outstanding for the purpose of computing the ownership percentage of any other person. The amounts and percentages are based upon 34,351,963 ordinary shares outstanding as of the Record Date pursuant to Rule 13d-3(d)(1)(i) under the Exchange Act.

As of the Record date, our directors and executive officers held, in the aggregate, 1,304,892 ordinary shares subject to outstanding equity awards (including outstanding options and unvested RSUs), which amount includes options currently exercisable for 727,735 ordinary shares. The options (excluding RSUs) have a weighted average exercise price of \$7.10 per share and have expiration dates until 2025. 49,371 ordinary shares remained reserved for future grants under our 2016 Incentive Compensation Plan.

## CORPORATE GOVERNANCE

Following the Annual Meeting, assuming the reelection of Nadav Zohar as a director under Proposal 2 and the reelection of Steven Levy as the Outside Director under Proposal 3, our Board will consist of seven directors. Our Articles of Association provide that our Board may consist of up to nine directors. During the year ended December 31, 2018, each director attended in excess of 75% of all Board meetings and in excess of 75% of the meetings of each committee of the Board on which he or she serves.

Under our Articles of Association, our directors (other than our Outside Directors) are divided into three classes. Each class of directors consists, as nearly as possible, of one-third of the total number of directors constituting the entire Board (other than our Outside Directors). At each annual meeting of our shareholders, the election or reelection of directors following the expiration of the term of office of the directors of that class of directors is for a term of office that expires on the third annual meeting following such election or reelection, such that each year the term of office of one class of directors expires. See Proposal 1 for a proposed change to our Articles of Association in this respect.

Our Class I director nominee, Nadav Zohar, will hold office until the annual meeting of our shareholders in 2022 (or, if Proposal 1 is approved, until the 2020 annual meeting of shareholders). Our current Class II directors, Itzhak Danziger and Miron Kenneth, will hold office until the annual meeting of our shareholders in 2020. ## MATTERS SUBMITTED TO SHAREHOLDERS

### PROPOSAL 1

#### APPROVAL OF AN AMENDMENT TO OUR ARTICLES OF ASSOCIATION TO DECLASSIFY OUR BOARD

##### **Background**

We are proposing to amend our Articles of Association to eliminate the staggered nature of our Board. At the time of our initial public offering in 2006, the Company established a classified board structure because such structure offered certain advantages to the Company, such as providing continuity and stability, encouraging directors to employ a long-term perspective and ensuring that a majority of the Board will always have prior experience with the Company. While there are valid arguments in favor of a classified board structure, the Board believes that corporate governance standards have evolved and that annual elections of directors will enhance directors' accountability to shareholders and will provide the Company's shareholders with the opportunity to express their views on the performance of the entire Board on an annual basis. After careful consideration, the Board of Directors determined that it is appropriate and in the best interest of the Company and its shareholders to propose amendments to our Articles of Association to eliminate the classified structure of the Board of Directors.

Under our current Articles of Association, our directors (other than outside directors, whose appointments are required under the Israel Companies Law) are divided into three classes. Each class of directors consists, as nearly as possible, of one-third of the total number of directors constituting the entire board of directors (other than the outside directors). At each annual general meeting of our shareholders, the election or reelection of directors following the expiration of the term of office of that class of directors is for a term of office that expires as of the third annual general meeting following such election or reelection, such that each year the term of office of only one class of directors will expire.

We are proposing to amend and restate our Articles of Association to eliminate the different classes of members of our Board and to set term of each director who is elected or reelected at or after the Annual Meeting (other than outside directors, who shall continue to serve in accordance with the Israel Companies Law) to be one (1) year each, effective immediately. The then-current terms of all directors serving prior to the Annual Meeting shall continue until their completion.

Specifically, we propose to amend Article 39.3 of our Articles of Association in its entirety as follows (additions are underlined, deletions are struck through):

~~"39.3 Subject to the provisions of Articles 40 and 41, the members of the Board of Directors of the Company shall be elected by an Ordinary Resolution in a General Meeting, according to the following conditions:~~

- 39.2.1 ~~Commencing with the Company's 2019 Annual General Meeting, the members of the Board of Directors of the Company, other than Outside Directors, shall be elected by an Ordinary Resolution in a General Meeting, and each such Director shall hold office until the next Annual General Meeting and until his or her successor shall be elected and qualified. The Directors of the Company (other than the Outside Directors) shall be divided into three classes, designated Class I, Class II and Class III. Each class of Directors shall consist, as nearly as possible, of one-third of the total number of directors constituting the entire Board of Directors. The above-described term of office of the Class I Directors shall expire at the first Annual General Meeting ensuing next after the division into Classes; the above-described term of office of the Class II Directors shall expire at the second Annual General Meeting ensuing after the division into Classes; and the above-described term of office of the Class III Directors shall expire at the third Annual General Meeting ensuing after the division into Classes.~~
- 39.2.2 ~~Notwithstanding the foregoing Article 39.2.1, any Director, other than Outside Directors, elected prior to the Company's 2019 Annual General Meeting shall hold office until the completion of his or her then-current term of office. At each Annual General Meeting, election or re-election of Directors following the expiration of the term of office of the Directors of a certain Class, will be for a term of office that expires on the third Annual General Meeting following such election or re-election, such that from 2007 and forward (inclusive), each year the term of office of only one Class of Directors will expire. A Director shall hold office until the Annual General Meeting for the year in which his or her term expires and until his or her successor shall be elected and qualified, subject to Article 41 below.~~
- 39.3.3 ~~Upon a change in the number of Directors, in accordance with the provisions of these Articles, any increase or decrease shall be apportioned among the Classes so as to maintain the number of Directors in each Class as nearly equal as possible. The removal of any Director, other than in accordance with Article 41 below, shall only be carried out by a Special Resolution.~~
- 39.3.4 ~~Any change to this Article 39.3 shall only be carried out by a resolution of the shareholders of the Company, adopted by the holders of securities representing at least 2/3 (two thirds) of the voting securities of the Company then outstanding."~~

**Proposed Resolution**

You are requested to adopt the following resolution:

“1. RESOLVED, that the Company’s Articles of Association be amended and restated, as set forth in the Proxy Statement.”

**Vote Required**

The affirmative vote of the holders of securities representing at least two-thirds of the voting securities of the Company is required to adopt the resolution.

**Board Recommendation**

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “**FOR**” THE ADOPTION OF THE FOREGOING RESOLUTION.

**PROPOSAL 2****ELECTION OF NADAV ZOHAR AS A DIRECTOR****Background**

Nadav Zohar is a nominee for election by the shareholders at the Annual Meeting. If elected, he will serve as a Class I director until the 2022 annual meeting of our shareholders (or, if Proposal 1 is approved, until the 2020 annual meeting of shareholders), and until his successor has been duly elected and qualified, or until his office is vacated in accordance with our Articles of Association or the Israel Companies Law. Mr. Zohar has advised the Company that he is willing to serve as a director if elected, that he has the qualifications and time required for the performance of his duties as a director, and that there are no legal restrictions preventing him from assuming such office.

**Vote Required**

The affirmative vote of the holders of a majority of the voting power represented at the Annual Meeting in person or by proxy and voting thereon is required to adopt the resolution.

## **Board Recommendation**

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “**FOR**” THE ADOPTION OF THE FOREGOING RESOLUTION.

### **PROPOSAL 3**

#### **REELECTION OF STEVEN LEVY AS AN OUTSIDE DIRECTOR**

##### **Background**

As an Israeli company (unless we affirmatively opt out of such requirement (as permitted under the Israel Companies Law)), we are required to have a minimum of two directors who meet certain independence and other criteria established by the Israel Companies Law. These directors are referred to as “Outside Directors.” All of our Outside Directors are required to serve on our audit committee and our compensation and nomination committee, each of which was formed in accordance with the Israel Companies Law and the listing standards of The Nasdaq Stock Market, and at least one Outside Director is required to serve on each other committee of our board of directors.

According to the Israel Companies Law, subject to relief under certain circumstances for companies whose shares are traded on a securities exchange outside of Israel, at least one of the Outside Directors must have “accounting and financial expertise” and the other Outside Director must have either “accounting and financial expertise” or “professional qualifications,” as such terms are defined by regulations promulgated under the Israel Companies Law. Both Mr. Levy and Ms. Benjamini qualify as having relevant accounting and financial expertise.

Outside Directors must be elected by the shareholders by a special majority, as described above. The term of service of an Outside Director is three years and may be extended for up to two additional three-year terms; thereafter, an Outside Director may be reelected by our shareholders for additional periods of up to three years each only if our audit committee and our Board confirm that, in light of the Outside Director’s expertise and special contribution to the work of the Board and its committees, the reelection for such additional period is beneficial to the Company.

Steven Levy and Nurit Benjamini were initially elected as Outside Directors in 2007. At the 2018 annual general meeting of shareholders, Ms. Benjamini was reelected to serve as an Outside Director until February 20, 2022, or until her office is vacated in accordance with our Articles of Association or the Israel Companies Law. At the Annual Meeting shareholders will be asked to reelect Mr. Levy as an Outside Director until August 14, 2022, or until his office is vacated in accordance with our Articles of Association or the Israel Companies Law. Mr. Levy has advised the Company that he is willing to continue serving as a director if reelected, that he has the qualifications and time required for the performance of his duties as a director, and that there are no legal restrictions preventing him from assuming such office.

Biographical information concerning Steven Levy is set forth above.

Our Board has determined that Steven Levy satisfies the requirements for an Outside Director under the Israel Companies Law and the independence requirements under the listing standards of The Nasdaq Stock Market and possesses the requisite financial and accounting expertise as required under the Israel Companies Law. The Company's audit committee and Board have determined that, in light of the expertise and special contribution of Mr. Levy to the Company's Board and board committees, the reelection of Mr. Levy as an Outside Director for an additional three year term would be in the Company's best interests.

#### **Proposed Resolution**

You are requested to adopt the following resolution:

“3. RESOLVED, that Steven Levy be reelected as an Outside Director, to serve for a term of three years commencing as of the end of his current term and until August 14, 2022, or until his office is vacated in accordance with the Company's Articles of Association or the Israel Companies Law.”

#### **Vote Required**

The affirmative vote of the holders of a majority of the voting power represented at the Annual Meeting in person or by proxy and voting thereon is required to adopt the resolution, provided that either:

1. a simple majority of shares voted at the Annual Meeting, *excluding* the shares of controlling shareholders and of shareholders who have a personal interest in the approval of the resolution, other than a personal interest in the appointment that is not as a result of relationship with the controlling shareholder, be voted “FOR” the resolution; or
2. the total number of shares of non-controlling shareholders and of shareholders who do not have a personal interest in the approval of the resolution voted against approval of the resolution does not exceed two percent of the outstanding voting power in the Company.

For certain definitions, see “About the Voting Procedure at the Annual Meeting – What vote is required to approve each proposal presented at the Annual Meeting?” above.

## Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “**FOR**” THE ADOPTION OF THE FOREGOING RESOLUTION.

### **PROPOSAL 4**

#### **APPROVAL OF COMPENSATION POLICY FOR OFFICERS AND DIRECTORS OF THE COMPANY FOR 2019-2021**

## Background

In 2013, the shareholders of the Company approved the compensation policy for the Company’s officers and directors (the “**Compensation Policy**”) for 2013-2015 and in 2016, reapproved the Compensation Policy for 2016-2018. Under the Israeli Companies Law, every office holder’s terms of compensation, including fixed remuneration, bonuses, equity compensation, retirement or termination payments, indemnification, liability insurance and the grant of an exemption from liability, must comply with the compensation policy, and must be approved by the compensation committee and the Board, in that order. In addition, the terms of compensation of directors, the chief executive officer, and any employee or service provider who is considered a controlling shareholder must also be approved separately by the shareholders of the company, after the approval by the compensation committee and the Board.

The Israeli Companies Law requires the board to reevaluate the compensation policy from time to time, and upon any material change in the circumstances that existed at the time the policy was formulated; the compensation policy must be reviewed and re-approved at least once every three years. The compensation policy must be recommended by the compensation committee, approved by the board and approved by the shareholders, in that order.

Our compensation and nomination committee reviewed our Compensation Policy based upon the factors set forth in the Israeli Companies Law and recommended to revise the Compensation Policy to update the ratio described therein between the overall compensation of our executive officers and the average and median salary of our other employees (including agency contractors, if any). Our Board then considered and approved the Compensation Policy, following the Board’s own examination of the compensation factors set forth in the Israeli Companies Law, and is recommending that shareholders approve the Compensation Policy at the Annual Meeting. If approved, the Compensation Policy shall serve as the Company’s compensation policy for all of its officers and directors following the date of the Annual Meeting.

## Summary of the Compensation Policy

The following is a summary of the Compensation Policy and is qualified by reference to the full text thereof, a copy of which is attached to this proxy statement as Exhibit A-1.
