Regulation 33(c)-(d) of the Securities Regulations (Periodic and Immediate Reports) 1970

Reference numbers of previous related reports: _____, _____, _____.

Below is the status as of 31/12/2025:

A. Interested parties in the corporation (including CEO and directors, and any other employee holding 5% or more of the issued share capital or voting power):

[The table with detailed holdings — translated as per fields below]

B. Senior office holders in the corporation (excluding CEO and directors, and any other employee holding 5% or more of the issued share capital or voting power):

[The table with detailed holdings — translated as per fields below]

C. As of the submission date of this report and according to the law, is there a controlling shareholder in the corporation:

- ☐ Yes
- ☒ No

The controlling shareholder in the corporation is:

Total holding percentage (%) in the corporation's equity of all controlling shareholders:

Explanation:

1. Holdings of other securities (non-bonds) must also be reported, including non-traded ones
2. In case of holdings in non-convertible bonds, the holdings list can be attached as a PDF instead of inputting all the data in the form, as per legal staff position 104-21: [Link](#)
 - The attached PDF should match the structure/content of the Excel file published by the authority
 - At minimum, it should include all information present in the Excel
3. If the interested party holds more than one type of security of the corporation, holdings should be listed as one line per person/entity, including fully diluted
4. The form must detail holdings of all interested parties, including those with no change
5. If the interested party is a held company with material activities for the corporation, divide the holdings into shares purchased before and after the Companies Law, and whether they are dormant
6. If the interested party is a corporation, also specify the final controlling shareholders. If there is no controlling shareholder, detail the interested parties in it.
7. If a senior officer holds 5% or more of the issued share capital or voting — list holdings in table A above
8. If the interested party or senior officer also holds securities in a subsidiary with material activity, detail in the 'comments' within the holder information
