REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

To the Board of Directors
Ajman Bank PJSC
Ajman
United Arab Emirates

Introduction

We have reviewed the accompanying condensed consolidated statement of financial position of **Ajman Bank PJSC** (the "Bank") and its subsidiaries (collectively referred as the "Group"), as at 30 June 2015, and the related condensed consolidated statement of profit or loss, statement of other comprehensive income, changes in equity and cash flows for the six month period then ended. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Accounting Standard 34: *Financial Reporting* ("IAS 34"). Our responsibility is to express a conclusion on this interim financial information, based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410: "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects in accordance with IAS 34.

Other matter

The consolidated statement of financial position as at 31 December 2014 was audited by another auditor who expressed an unmodified opinion on 5 February 2015. Further, the condensed consolidated statements of profit or loss, statement of other comprehensive income, changes in equity and cash flows for the six month period ended 30 June 2014 were reviewed by another auditor who expressed an unmodified conclusion on those statements on 23 July 2014.

3. Summary of significant accounting policies

As required by the Securities and Commodities Authority of the U.A.E. (“SCA”) Notification No. 2624/2008 dated 12 October 2008, certain required accounting policies have been disclosed in the condensed consolidated financial statements.

3.1 Basis of preparation

The condensed consolidated financial statements of the Group are prepared under the historical cost basis except for certain financial instruments and investment properties which are measured at fair value. Historical cost is generally based on the fair value of the consideration given in exchange for assets.

These condensed consolidated financial statements are prepared in accordance with International Accounting Standard 34: *Interim Financial Reporting* (“IAS 34”), issued by the International Accounting Standard Board (IASB) and also comply with the applicable requirements of the laws in the UAE.

The accounting policies used in the preparation of these condensed consolidated financial statements are consistent with those used in the audited annual consolidated financial statements for the year ended 31 December 2014.

These condensed consolidated financial statements do not include all the information and disclosure required in full consolidated financial statements and should be read in conjunction with the Group’s consolidated financial statements for the year ended 31 December 2014. In addition, results for the period from 1 January 2015 to 30 June 2015 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2015.

**Notes to the condensed consolidated financial statements
for the six months period ended 30 June 2015 (continued)****3. Summary of significant accounting policies (continued)****3.2 Basis of consolidation**

These condensed consolidated financial statements incorporate the financial statements of the Bank and entities controlled by the Bank. Control is achieved where the Bank has the power over the investee, exposure, or rights, to variable returns from its involvement with the investee and the ability to use its power over the investee to affect the amount of the investor's returns.

The condensed consolidated financial statements comprise the financial statements of the Bank and of the subsidiaries as disclosed in Note 1 to these condensed consolidated financial statements. The financial statements of the subsidiaries are prepared for the same reporting period as that of the Bank, using consistent accounting policies.

All significant inter-group balances, income and expense items are eliminated on consolidation.

3.3 Financial risk management

The Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements for the year ended 31 December 2014.

3.4 Seasonality of results

No income of a seasonal nature was recorded in the condensed consolidated statement of profit or loss for the six months period ended 30 June 2015 and 2014.

3.5 Investment property

Investment property is held to earn rental income and/or capital appreciation. Investment property includes cost of initial purchase, developments transferred from property under development, subsequent cost of development and fair value adjustments. Investment property is reflected at fair value at the condensed consolidated statement of financial position date. The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether the price is directly observable or estimated using another valuation technique. The fair value is determined on a periodic basis by independent professional valuers. Fair value adjustments on investment property are included in the condensed consolidated statement of profit or loss in the period in which these gains or losses arise.

4. Critical accounting judgments and key sources of estimation of uncertainty

The preparation of condensed consolidated financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed consolidated financial statements, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended 31 December 2014.
