## TAKAFUL EMARAT - INSURANCE (PSC)

### Notes to the condensed financial statements for the period ended 31 December 2013

#### 1. General information

Takaful Emarat - Insurance (PSC), Dubai, United Arab Emirates (the "Company") is incorporated as a public joint stock company in accordance with the U.A.E. Federal Law No. 8 of 1984 (as amended) and with U.A.E. Federal Law No. 6 of 2007, concerning formation of Insurance Authority of U.A.E. and organizing its working in United Arab Emirates.

The Company carries out Takaful Insurance Activities in Health Insurance, Life Insurance and Credit and Saving Insurance in accordance with the Islamic Sharia'a and within the provisions of the Articles of Association of the company.

The registered address of the Company is P.O. Box 64341, Dubai, United Arab Emirates.

The Company had accumulated losses of AED 82.6 million as at 31 December 2013 which exceeds 50% of the share capital. As required by the Article 285 of U.A.E. Federal Commercial Law No. 8 of 1984, as amended, if a Joint-Stock Company sustains loss amounting to one half of the capital, the Board of Directors shall convene an Extra-Ordinary General Meeting and resolve whether the Company shall be maintained or dissolved before the term fixed in its Articles of Association. On 2 October 2013, the Extra-Ordinary General Meeting was convened and shareholders authorised the Board of Directors to do all the transactions and actions necessary (i) to set off accumulated losses amounting to AED 50 million against the paid up capital and thereby reduce the paid up capital by the same amount and (ii) for issuing Sharia compliant financial instruments convertible into equity with an amount of AED 50 million. Further, the Board of Directors are in process of obtaining approval from concerned authorities as resolved by shareholders in the Extra-Ordinary General Meeting.

#### 2. Adoption of new and revised International Financial Reporting Standards (IFRSs)

##### 2.1 Amendments to IFRSs effecting amounts reported in the condensed financial statements

The following amendment to IFRSs has been adopted in these condensed financial statements and has affected presentation and disclosures in these condensed financial statements.

- Amendments to IAS 1 *Presentation of items of other comprehensive income*

The Company has adopted the amendments to IAS 1 presentation of items of other comprehensive income effective from annual periods beginning on or after 1 July 2012. The amendment to IAS 1 retains the option to present profit or loss and other comprehensive income in either a single statement or in two separate but consecutive statements. However, the amendment to IAS 1 requires items of other comprehensive income to be grouped into two categories in other comprehensive income section:

a. Items that will not be subsequently reclassified to profit or loss and

b. Items that may be reclassified to profit or loss when specific conditions are met.

Income tax on items of other comprehensive income is required to be allocated on the same basis. The amendment does not change the option to present items either before tax or net of tax.

- IFRS 13 *Fair Value Measurement*

IFRS 13 issued in May 2011 establishes a single framework for measuring fair value and is applicable for both financial and non-financial items. Application of IFRS 13 from 1 January 2013 resulted in additional disclosures of fair value measurements in these condensed financial statements.

Other than the above mentioned presentation and disclosure changes, the application of the amendments to IAS 1 and IFRS 13 do not have any impact on profit or loss, other comprehensive income and total comprehensive income.

## TAKAFUL EMARAT - INSURANCE (PSC)

### Notes to the condensed financial statements for the period ended 31 December 2013(continued)

#### 2. Adoption of new and revised International Financial Reporting Standards (IFRSs) (continued)

##### 2.2 New and revised International Financial Reporting Standards (IFRSs) in issue but not yet effective and not early adopted

The Company has not early applied the following new standards, amendments and interpretations that have been issued but not yet effective:

#### New and revised IFRSs

Effective for  
annual periods  
beginning on or after

- Amendments to IFRS 7 *Financial Instruments*: Disclosures relating to disclosures about the initial application of IFRS.

1 January 2015 (or  
otherwise when  
IFRS 9 is first  
applied)

- IFRS 9 *Financial Instruments* issued in November 2009 introduces new requirements for the classification and measurement of financial assets. IFRS 9 amended in October 2010 includes the requirements for the classification and measurement of financial liabilities and for derecognition.

1 January 2015

Key requirements of IFRS 9 are described as follows:

- IFRS 9 requires all recognised financial assets that are within the scope of IAS 39 *Financial Instruments: Recognition and Measurement* to be subsequently measured at amortised cost or fair value. Specifically, debt investments that are held within a business model whose objective is to collect the contractual cash flows, and that have contractual cash flows that are solely payments of principal and interest on the principal outstanding are generally measured at amortised cost at the end of subsequent accounting periods. All other debt investments and equity investments are measured at their fair values at the end of subsequent accounting periods.
- The most significant effect of IFRS 9 regarding the classification and measurement of financial liabilities relates to the accounting for changes in the fair value of a financial liability (designated as at fair value through profit or loss) attributable to changes in the credit risk of that liability. Specifically, under IFRS 9, for financial liabilities that are designated as at fair value through profit or loss, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is presented in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss. Changes in fair value attributable to a financial liability's credit risk are not subsequently reclassified to profit or loss. Previously, under IAS 39, the entire amount of the change in the fair value of the financial liability designated as at fair value through profit or loss was presented in profit or loss.

#### 2. Adoption of new and revised International Financial Reporting Standards (IFRSs) (continued)

##### 2.2 New and revised International Financial Reporting Standards (IFRSs) in issue but not yet effective and not early adopted (continued)

##### New and revised IFRSs

Effective for  
annual periods  
beginning on or  
after

- Amendments to IAS 32 *Financial Instruments: Presentation* relating to application guidance on the offsetting of financial assets and financial liabilities.

1 January 2014

- Amendments to IAS 36 *recoverable amount disclosures*: The amendments restrict the requirements to disclose the recoverable amount of an asset or CGU to period in which an impairment loss has been recognised or reversed. They also expand and clarify the disclosure requirements applicable when an asset or CGU's recoverable amount has been determined on the basis of fair value less costs of disposal.

1 January 2014

- Amendments to IAS 39 *Financial Instruments: Recognition and Measurement*: The amendments restrict the requirements to discontinue hedge accounting if a hedging derivative is novated, provided certain criteria are met.

1 January 2014

- IFRIC 21 *Levies*: Interpretation was developed to address the concerns about how to account for levies that are based on financial data of a period that is different from that in which the activity that give rise to the payment of the levy occurs.

1 January 2014

- Amendments to IFRS 10, IFRS 12 and IAS 27 – Guidance on Investment Entities

1 January 2014

On 31 October 2012, the IASB published a standard on investment entities, which amends IFRS 10, IFRS 12, and IAS 27 and introduces the concept of an investment entity in IFRSs. The amendments establish an exception to IFRS 10's general consolidation principle for investment entities, requiring them to "measure particular subsidiaries at fair value through profit or loss, rather than consolidate them." In addition, the amendments outline required disclosures for reporting entities that meet the definition of an investment entity.

Management anticipates that these new standards, interpretations and amendments will be adopted in the Company's financial statements for the period beginning 1 January 2014 or as and when they are applicable and adoption of these new standards, interpretations and amendments may have no material impact on the financial statements of the Company in the period of initial application.

#### 3. Summary of significant accounting policies

##### 3.1 Basis of preparation

These condensed financial statements have been prepared in accordance with International Accounting Standard (IAS) No. 34, "*Interim Financial Reporting*" and also comply with the applicable requirements of the laws in the U.A.E.

The condensed financial statements are presented in U.A.E. Dirhams (AED) since that is the currency in which the majority of the Company's transactions are denominated.

These condensed financial statements have been prepared on the historical cost basis, except for the revaluation of certain financial instruments and investment properties.

The accounting policies, presentation and methods, critical accounting judgements and estimates in these condensed financial statements are consistent with those used in the audited financial statements for the year ended 31 December 2012 except for the development work-in-progress accounting policy as disclosed in Note 3.2 to these condensed financial statements for which transaction was made in this period.

These condensed financial statements do not include all the information required for full annual financial statements and should be read in conjunction with the Company's audited annual financial statements as at and for the year ended 31 December 2012.

##### 3.2 Development properties

Development properties consists of property being developed principally for sale and is stated at the lower of cost or net realisable value. Cost comprises all direct costs attributable to the design and construction of the property including direct staff costs. Net realisable value is the estimated selling price in the ordinary course of the business less estimated costs to complete and applicable variable selling expenses.

#### 4. Related party transactions

The Company enters into transactions with companies and entities that fall within the definition of a related party as contained in International Accounting Standard 24. Related parties comprise companies and entities under common ownership and/or common management and control, their partners and key management personnel. The management decides on the terms and conditions of the transactions with related parties.

At the reporting date, due from a related party is as follows:
