Any person subsequently offering, selling or recommending the Products (a **distributor**) should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Products (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under COBS, as applicable. For the avoidance of doubt, the Issuer is not a manufacturer or a distributor for the purposes of UK MiFIR and COBS, as applicable.
