This trustee published a notice regarding a meeting of the bondholders (without physical convening) to be held on December 16, 2025 (the “Bondholder Meeting”), to vote on the proposed extension and updated terms, which include, among other, a reduction of the interest rate of the bonds from 6.5% to 4.35% effective January 1, 2026. The bonds would remain convertible into the Company’s ordinary shares at a conversion price of ILS 9.53 (approximately \$2.95) per share.

Under its terms, any bondholder can inform the Tel Aviv Stock Exchange (“TASE”) by providing notice regarding such bondholder’s request to be included in the voluntary early redemption until January 8, 2026, and thereafter on January 16, 2026, such bondholder will receive the early redemption amount equal to the outstanding unpaid principal balance of the convertible bonds (Series A) (the aggregate par value that has been requested for redemption), together with the interest accrued on such outstanding principal balance up to the actual early redemption date, plus indexation adjustments linked to the U.S. dollar exchange rate.
