Explanations:

- 1. If the change affects more than one security, the change's impact should be detailed in a separate line for each security.
- 2. Change date – all changes of the same kind in the same security executed on the same day will be summarized in one row. For this matter, separate between changes via TASE clearinghouse and those directly in the company's books.
- 3. For reductions, add the symbol “-”.
- 4. In all quantity fields, fill in the quantity of securities, not NIS par value.
