Immediate Report - Notice Regarding Representative Workers' Organization in D.B.S. Satellite Services (1998) Ltd. (Yes)

On February 18, 2015, the Company received a notice from D.B.S. Satellite Services (1998) Ltd. ("Yes") advising that it had been notified by the National Labor Federation (the "Histadrut") that more than one-third of Yes employees had joined the Histadrut and therefore, as of this date, it constituted an initial representative workers' organization for Yes employees. Yes is studying the Histadrut's notice and the membership forms that were furnished for its examination.

Immediate Report - Class Action against D.B.S. Satellite Services (1998) Ltd.

Today, February 18, 2015, the Company received a notice from D.B.S. Satellite Services (1998) Ltd. ("Yes") of a class action and certification motion which had been filed against it with the Tel Aviv-Jaffa District Court in July 2014, but was only served on Yes today.

The claim asserted that the manner in which subtitles accompanied Yes's television broadcasts affected the enjoyment of its hearing-impaired customers. Allegedly, in this manner Yes was allegedly misleading its customers as to the quality of the service provided and becoming unjustly enriched.

The petitioner seeks for the represented class, among other remedies, compensation for damages allegedly caused to users as a result of Yes's alleged deception, as aforementioned. The aggregate claim amount is estimated at approximately NIS 126 million.

Yes is studying the claim and the class action certification motion and neither it and/nor the Company is able, at the present stage, to evaluate the claim's likelihood of success.
