Immediate Supplementary Report - Motion for Re-Hearing

Further to the Company's immediate report dated August 28, 2018 regarding the certification of a motion for certification of a class action against the Company and its former and current officers (the "**Certification Decision**" and the "**Defendants**," respectively), in which it was alleged that the Company's shareholders suffered losses due to the Company's Stock Exchange reporting failures and the concealment of material information from investors regarding two significant and material steps: the reduction of interconnect fees and the wholesale market reform, immediate supplementary notification is hereby provided that on October 28, 2018, the Defendants filed a motion with the Economic Department in the Tel Aviv-Jaffa District Court for a re-hearing of the Certification Decision in accordance with Section 41(e)(2) of the Courts Law (Consolidated Version), 5744-1984 (the "**Motion for a Rehearing**").
