Dear Sir or Madam,

Re: Immediate Report - Approval of Early Retirement for Employees

On November 6, 2019 the Company's Board of Directors, as part of the Company's streamlining program has approved the retirement of 140 permanent employees (permanent and new permanent), and termination of the employment of an additional 60 employees with the flexible employment status, at an overall cost of NIS 143 million.

It is clarified that this retirement is in addition to the employees' retirement program (including transferred employees) in accordance with previous decisions of the Board for which the Company has already recognized a liability (see Immediate Report dated December 16, 2018, ref. no. 2018-01-115336).

In the light of the foregoing, the Company is expected to post in its financial statements for the fourth quarter of 2019 an expense of NIS 137 million. This expense is included in the Company's assumptions concerning the Bezeq Group forecast.

Yours sincerely,

“Bezeq” The Israel Telecommunication Corp Limited
