Explanations:

1. If the change affects more than one security, its impact should be detailed in a separate row for each security.
2. Date of change - All changes of the same type in the same security made on the same day shall be summed up in one row. For this purpose, changes executed through the Exchange Clearinghouse shall be separated from those made directly in the company's books.
3. The change - for a decrease, the sign "-" should be used.
4. For all quantity fields, the quantity of securities should be stated and not par value.
