Explanations:

- 1. If the change affects more than one security, detail the impact in a separate line for each security.
- 2. Change date: all changes of the same type, in the same security, made on one day, will be summarized in one line. Separate changes made via the TASE clearing house from those made directly in the company's books.
- 3. For decrease use the sign "-".
- 4. All quantity fields must include the quantity of securities and not their par value.
